## CAMBRIAN HEIGHTS' PRESIDENT'S MESSAGE

At the writing of this report October has brought us bright colours and mild fall temperatures. This has allowed for continued use of our many park spaces including adjoining Confederation Park and nearby Nose Hill. November will bring the potential of snow and colder temperatures. Our two outdoor rinks have always been well maintained and enjoyed by residents and visitors alike. Their maintenance is dependent upon volunteers, and we ask if you wish to lend any assistance to the Rink rats it will be well received. Especially this winter with plans for a fire pit to enjoy. Please contact us at [cambrianheights@gmail.com](mailto:cambrianheights@gmail.com) to offer your help even on a limited basis.

We held our annual Pumpkin Event this year on October 21. We distributed free pumpkins to all those who visited us at the Community Hall steps. We plan to add an additional Christmas themed event before year end and kick off 2024 with another outdoor Polar Skating party in January.

Recently City Council passed a resolution approving a motion that will eliminate all R-C1 zoning (single family detached) in Calgary in favour of re-zoning to R-CG for all residential areas, enabling multi family structures on existing single housing lots plus permitting secondary suites and backyard suites on one parcel of land, and eliminating parking requirements. This process is of course being driven in the name of the reported housing cost and availability crisis. There are still some regulatory steps to complete before the Bylaws are changed but expect to see such development accelerate into 2024. We will continue to monitor the changes as they occur. If you have questions on these planning development issues or the process, please reference the City website at [calgary.ca](http://calgary.ca).

The previously reported garden project at the park space bordering Cambrian and Northmount Drives continues to progress thanks to a group of resident volunteers and contributions from Calgary Parks. We have initiated a signage design to provide a visible entrance to our community at this location.

The Community continues to need volunteers to replace our Treasurer and our social media Director. These are critical positions for the Community Association controlling our finance and communications activities.

We also are looking for volunteer Directors to enhance our ability to plan events and programs. This is an opportunity to join an experienced team and help develop the programs, events and planning for Cambrian Heights. It is your community. Help make it better for your family by volunteering even on a limited basis. To discuss any volunteer opportunities please contact us at [president@cambrianheightscommunity.com](mailto:president@cambrianheightscommunity.com).

*Daryl Connolly, President CHCA*

## ROSEMONT PRESIDENT'S MESSAGE

Howdy Rosemontians!

Well, fall is definitely here and count me in the group that is excited to bust out my sweaters, get some stews going and switch my beverages to hot toddies and stouts.

We have two big events coming up in the next few weeks.

First, please join us for our AGM on November 22 at 6:30pm. We will have updates on what happened throughout the community this past year, get updates from our friends at Rosemont School (they have a new principal!), Calgary Police, and our government representatives. This is also the time that you can vote on the Rosemont Executive Board (President, VP, Treasurer, Secretary) so please come and voice your support of the direction for Rosemont CA this upcoming year. You can attend in-person or virtually, but we need you to RSVP to help with logistics ([RosemontYYC.com/AGM](http://RosemontYYC.com/AGM)). Those in-person will be treated to wine/beer and cheese. This event is open to ALL those who live in Rosemont (you just need to sign up for a free membership if you haven't already).

The other big event is our 3rd Annual Christmas Market on Saturday December 2 from 10am to 4pm at the hall. We will have 15+ vendors ready to help you start with your holiday shopping. Our organizers do a great job of getting a variety of vendors so there is something for everyone. There will be free hot beverages and snacks so plan a walk in the park and stop by to get in the holiday mood!

There has also been a lot of discussion (and some misinformation) about the housing strategy that council approved in September, notably the new blanket zoning that may be coming to residential neighbourhoods. I am trying to get specific details from our councillor but haven't received much info yet. But I can tell you that this blanket rezoning has not been formally implemented. There are additional public hearings and council meetings required which will take several months. Rosemont CA is currently discussing how we wish to handle the diverse opinions on this very contentious issue.

The best way to stay up to date is on our website at [RosemontYYC.com](http://RosemontYYC.com) and sign up if you don't get emails from us.

As always, keep looking after family, friends, neighbours, and yourselves.

Matthew

### World Kindness Day

by Danielle Robbertze

World Kindness Day is being celebrated this year on November 13.

The word “kindness” was first used in the year 1201. From the beginning, the word kindness was defined, according to the etymological dictionary, as “friendly, deliberately doing good to others; compassionate”. The word appears in early scriptures and songs of various religions and cultures across the world.

The definition of kindness may differ from one person to another but there is one thing that I think many people can agree on - kindness is an expression of compassion. Kindness is how we show humanity.

There are so many ways we can express kindness to one another especially on this day. Ways which will only take a few minutes out of your day and will not ask too much from you. A simple smile to a stranger, a thank you to a bus driver, an embracing hug to a loved one or an uplifting comment to a coworker.

People may not overtly express their gratitude for your kindness but deep down it is something that could make their day just a little bit better. You never know how your kindness can affect others in positive ways. Expressions of kindness can not only make another person feel better, but they can also make you feel just as special.

Kindness is universal, open to anyone to express or receive. Kindness is not only abstract, it is also physical, spiritual, and visible.

I leave you with these words from the Greek storyteller, Aesop: “No act of kindness, no matter how small, is ever wasted”.

What did the yoga instructor say when his landlord tried to evict him?

Calgary

The **Residential Parking Permit Program** limits on-street parking in busy areas so residents have better access to parking near their homes.

The program is offered by request. Only about 2% of households use this service.

New fees ensure that the cost of running the service is covered by those who benefit from it.

You only need a permit if your street has parking restriction signs and you want to park on the street.
