ACTING PRESIDENT'S MESSAGE

Hello Hawkwood!

Being in the Acting President role for the past few months, I have had the opportunity to connect with community members in person and through email, and I appreciate the feedback and suggestions I receive. Based on some of this feedback, I thought it would be helpful to provide some clarification on the Hawkwood Community Association (HCA).

First and foremost, the HCA is governed by a volunteer-led Board of Directors who live in the Hawkwood community. The HCA's primary purpose is to create connections through recreational, educational, social, and cultural opportunities, as well as provide gathering places for the community while fostering an environment of collaboration and respect for all. In addition to sitting on the Board, many of our Directors also lead programs and events offered by the HCA, which means they volunteer more hours outside their Board-related positions. In addition, we have an Events Committee, a Rink Maintenance Group (affectionately named "the Rink Rats"), and a Hawkwood Community Park Committee, all comprised of volunteers who organize, coordinate, and support our programs, events, and facilities for the enjoyment of all Hawkwood residents. I also want to acknowledge our Soccer program, Community Garden, Pickleball Group, and other activity-related groups who have volunteer sign-up requirements to share the workload.

Because we are volunteer led, there are a few things we greatly appreciate from Hawkwood residents:

Patience and Kindness – it may take us a bit of time to reply to your feedback or requests. Like you, we are busy with work, friends, and/or family responsibilities. We do our best, but if it's been some time since you've heard from us, give us a kind, gentle reminder and we'll respond to you as soon as practical.

Buying Memberships – purchasing an annual HCA membership provides funds to help purchase equipment and supplies that support programs and events. At \$30 per year for a household, it's a small financial investment that helps your community.

Your Time – our programs and events rely on the support of our broader Hawkwood community. We encourage you to sign-up when we issue a call out for volunteers for our casinos, programs, and events. These requests are typically posted on our website and social media channels, and it is easy to sign up online. If we cannot fill the volunteer positions in advance, we will be faced with making difficult decisions to cancel programs or events.

Your Thanks – if you happen to participate in or attend any HCA-sponsored events, take a moment to thank the volunteers. I guarantee that your kind words will absolutely make their day.

Please send me an email at president@hawkwoodca.com if you have any questions, comments, or want to learn more about volunteering for the HCA.

In gratitude and kindness,

Michele del Valle

Hundreds of guests showed up to enjoy a BBQ lunch sponsored by Melissa Kost Realty, a Butterfield Acres petting zoo sponsored by Ben Sweet Justin Becker and Associates, bouncy castles sponsored by Hawkwood Auto, and plenty of other entertainment and fun. We had music, craft beer options from Born Brewing, parkour demonstrations from Breathe Parkour, pickleball demonstrations, and the crew from Hawkwood 7/11 showed up with freebies for everyone! News from the Friends of Nose Hill

by Anne Burke

The Open Space Plan says that our city's greatest asset is the natural environment and wildlife, so we should foster stewardship with nature education programs. Calgary parks are linked by pathways and green belts. We must protect and conserve the river valley system, unique prairie, urban forest, and foothill ecosystems.

The Plan conforms with provincial land use policies and the Municipal Government Act. There are some general principles. We will preserve natural environment parks and environmentally significant areas, enhanced by restoration to prevent loss. Site-specific plans recommend that we record biophysical inventories and historical resources for cultural landscapes such as Nose Hill.

The Open Space Plan is under review. One of the aims is learning how to improve natural environment parks through decision-making that puts the environment first. Natural habitats offer places for wildlife to find food, water, cover, and to raise their young. We can reconnect, rest, and mentally recharge. Nose Hill offers sacred indigenous spaces of culture—past, present, and future.

Connect: Calgary's Parks Plan, Phase 1 engagement ran from April 17 to May 19. A *What We Heard Report* will be published online this summer. Phase 2 starts in October 2023.

PRESIDENT'S MESSAGE

Our Stampede BBQ was so much fun – great music, delicious food, and so many friends! We want to thank all of our volunteers for making our BBQ such a great success. We couldn't have done it without you!

Our Seniors event was also fantastic. We had a potluck lunch, and we played some outdoor games. A great time was had by all.

We have two events in August: Movie in the Park on August 12 and a Fire Safety Workshop on August 15. We hope you can attend both events!

We have had some turnover on our board, and we are seeking a Sports Director to run our sports programs. If you are looking to meet some new people and are committed to keeping Citadel a great place to live, please contact president@citadelca.ab.ca.

Lastly, I want to remind you that the Citadel Community Association Hall is available to rent. If you are looking for a venue for a birthday, anniversary, or Christmas party, complete the rental request form on the website: <https://www.citadelca.ab.ca/CCA/index.php/rentals/rental-inquiry>.
