The **Residential Parking Permit Program** limits on-street parking in busy areas so residents have better access to parking near their homes.

The program is offered by request. Only about 2% of households use this service.

New fees ensure that the cost of running the service is covered by those who benefit from it.

You only need a permit if your street has parking restriction signs and you want to park on the street.

## News from the Friends of Nose Hill

*by Anne Burke*

In 1993 a land use inventory was conducted of Nose Hill Park. This study reported on archaeological resources on Nose Hill from Alberta's original inhabitants and their land. For the Blackfoot, their culture and homeland have existed for as long as 6,500 years or more. This was their place for more than 350 generations. There are clues about their way of life from remains of the prehistoric past, such as tools, 10 campsites, a kill site, and a "cairn" or stone pile. Pre-contact cairns were used as small game traps, navigation markers, flagging for drive lanes, and burials.

Nose Hill has 18 known sites which contain stone circles from tipi lodges and cooking circles or a central hearth. Fire-broken or cracked rock is a by-product of stonepit boiling. The tipi covers and liners were held down by rocks from the tipi circles. The distribution and weights along the circle are a means of determining the season of use. It is presumed to be a shorter period based on the Nose Hill uplands, where tipi lodges are back from the escarpment edges or in depressed areas, so they were probably meat camps or transitory travel camps. People likely lived there in the early spring for the hunting of individual bison. There are more than 90 rings. The size of the lodge group can be estimated by the size of the ring. Given the number of skins and poles for a tipi, we learn about a group's transportation method. The number and distribution of the rings within a group reveal the size of a larger social group. Isolated rings, even when found in groups, may be vision quest sites.

## ACTING PRESIDENT'S MESSAGE

Hello Hawkwood!

As we welcome November, I hope everyone enjoyed seeing our community's kids at their doors wearing this year's popular Halloween costumes. I was able to scratch a few off my costume bingo card!

This month, I would like to refer back to one of the HCA's recent posts on our social media channels concerning graffiti that was found at the Hawkwood Community Park in late-September. Images of four teenagers leaving the graffiti were captured and subsequently reported to the Calgary graffiti unit and police. The HCA would much rather focus on providing programming and events at the park than spend valuable hours scrubbing off graffiti left behind.

We are thrilled that the park is becoming a community hub for all ages and are especially pleased to see kids meet up with friends there. In an effort to work on building community among our younger residents, we are asking parents to chat with their kids about the value this park brings to the community, the many volunteer hours that go into maintaining a space like this, and the importance of using the space respectfully. Should this message happen to reach the four teenagers, I invite you to consider how you might volunteer your time towards maintaining the park.

Speaking of volunteer hours, it will not be long before the park rink will be open. This year the HCA also aims to build a CrokiCurl surface and flood the fire pit area for another small rink. The success of these rinks relies on volunteers to prepare and flood the surfaces. If your household likes the convenience of being able to skate in your own neighbourhood and has some time to spare, please consider joining the rink maintenance crew by emailing [rink@hawkwoodca.com](mailto:rink@hawkwoodca.com). Training is provided!

On November 28, beginning at 7:00 pm, HCA will hold its Annual General Meeting. Please watch our website at [hawkwoodca.com](http://hawkwoodca.com), and our social media channels for additional information. To vote at our AGM, attendees must be current members of the HCA. To register or renew your membership prior to the meeting, go to <https://hawkwoodca.getcommunal.com/memberships>.

Please send me an email at [president@hawkwoodca.com](mailto:president@hawkwoodca.com) if you have any questions, comments, or want to learn more about the HCA.

In gratitude and kindness,

*Michele del Valle*

## Fall Festival

Hawkwood's Community Park was buzzing with a carnival-like atmosphere during the HCA's third annual Fall Festival on September 16.

Steve Nelson and the Rockin' Kings provided this year's live music element and nailed it with their folky, classic rock vibe. Roving entertainment from the Little Red Ball Company included a hula hoop artist, a stilts walker, and Mona the Monarch Butterfly.

Born Brewing was once again showcased as a local brewing company with a wide selection of drinks for guests to choose from, and YYC Food Trucks turned up to ensure our guests were well-fed.

The Shop-Local Marketplace hosted 32 vendors this year, including five youth entrepreneurs. Vendors included a variety of hand-crafted goods and services.

Mother Nature gave us a great day and hundreds of guests ventured out to the park to shop and enjoy food, drinks, entertainment, and great company. Thank you to everyone who attended and an extra-special thank you to our volunteers!

Events like the HCA's Fall Festival would not be possible without the time and effort of dozens of volunteers. If you would like to be added to our volunteer database, please email [events@hawkwoodca.com](mailto:events@hawkwoodca.com).

## Looking for Rink Rat Volunteers

Now that it's November, it's getting closer to the time we can get our outdoor rink up and running! Our rink is maintained by a great team of community volunteers, and we are always looking for new recruits. If you are interested in helping with the rink for the 2023/2024 season, email us at [rink@hawkwoodca.com](mailto:rink@hawkwoodca.com). No experience required and training is provided!

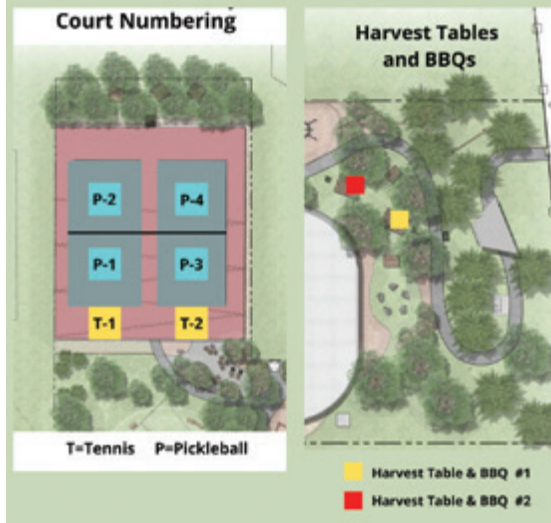

## HCA Membership Benefits

Purchasing an HCA membership allows you to book some of the Hawkwood Community Park elements. This year you can book:

- Tennis court
- Pickleball courts
- Pickleball net kit
- Harvest table and BBQ

More information and details can be found on our website at [www.hawkwoodca.com](http://www.hawkwoodca.com), or you can email [programs@hawkwoodca.com](mailto:programs@hawkwoodca.com).

## Google Images

We've all used Google Images, but do you know the reason it was created? On July 12, 2001, Google invented this search engine because so many people had searched for pictures of Jennifer Lopez' green Versace dress. Can you imagine that kind of impact?!
