### We Need Photos!

Do you have any great photos capturing the natural beauty or community spirit of our beautiful neighbourhood?

Please email your high-resolution pictures (minimum 200 x 200 dpi) to [hawkeye@hawkwoodca.com](mailto:hawkeye@hawkwoodca.com) so we can start featuring photos of Hawkwood on the front page of our newsletter each month!

## PRESIDENT'S MESSAGE

Hello Hawkwood!

As we welcome December, I hope everyone can find some time this month for peace and relaxation during what can be a busy time of the year. I also encourage everyone to keep an eye out for our neighbours, especially those who may find it challenging to get out in the winter months.

Thank you to all the HCA members and Hawkwood residents who came out to our Annual General Meeting at the Uplands Recreation Centre on November 25. The Board of Directors appreciated having the opportunity to provide a report on the HCA's key achievements over the past year. The full AGM report can be viewed on our website at [hawkwoodca.com](http://hawkwoodca.com). My sincere thank you to the 2025 Board of Directors for all your contributions this year. The board does not meet in December but will resume monthly meetings on Tuesday, January 27. The meetings are open to the public and HCA members are encouraged to attend.

Although no meeting is scheduled in December, many HCA volunteers are working tirelessly this month at our Hawkwood Community Park. Let's all be sure to thank the Winter Maintenance Team when we see them at the park for all their efforts to provide this great recreational amenity to Hawkwood residents. We also ask for your patience as the Winter Maintenance Team builds up the ice surfaces this month. This year, the team will be reducing the ices surfaces that are maintained from three to two: the main ice rink and a crokicurl rink in the firepit area. Last year, the team found it challenging to maintain three surfaces and had fewer volunteers, so they will try a new approach this year. Please respect our request to keep skates off the crokicurl rink. If you like the convenience of being able to skate in your own neighbourhood and want to be part of the dedicated team of volunteers who make this happen, please email [rink@hawkwoodca.com](mailto:rink@hawkwoodca.com). Training is provided!

I extend my best wishes to all Hawkwood residents for the holidays and wish you all a healthy, happy, and peaceful new year. Please send an email to [president@hawkwoodca.com](mailto:president@hawkwoodca.com) if you have any questions, comments, or want to learn more about the HCA.

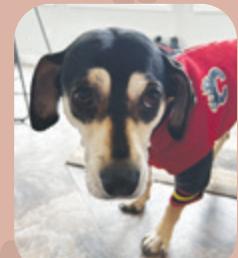

In gratitude and kindness,

*Michele del Val*

## HCA Membership – Buy Yours Now!

A Hawkwood Community Association family membership is a great way to support our community. A valid membership is your ticket to a variety of events taking place throughout the year and is required to vote at our Annual General Meetings and participate in the Hawkwood soccer program.

### Family Memberships:

- Apply to children and adults in your household
- Cost \$30 per year for residents of Hawkwood
- Cost \$50 per year for non-residents of Hawkwood
- Are valid for 12 months

### Benefits and Activities:

- Voting status at our Annual General Meetings
  - where community policy is decided
- Participation in HCA Sports programs like U8 Soccer
- Maintenance of the new Hawkwood Community Park
- Support for community activities like these and others:
  - Community Park amenity booking privileges
  - Ability to rent a community garden plot
  - Access to HCA's pickleball and crokicurl equipment
  - Discounts on other program registration costs
  - Fall Festival
  - Neighbour Day
  - Summer Mobile Skate Park from the City of Calgary
  - Park and Play, Stay and Play Programs with the City of Calgary
  - And more!

Buy your HCA Membership online at <https://hawkwoodca.getcommunal.com/memberships>.

## Upcoming Events in Hawkwood

Please visit our website for updates on current events this winter season!

Happy Holidays!

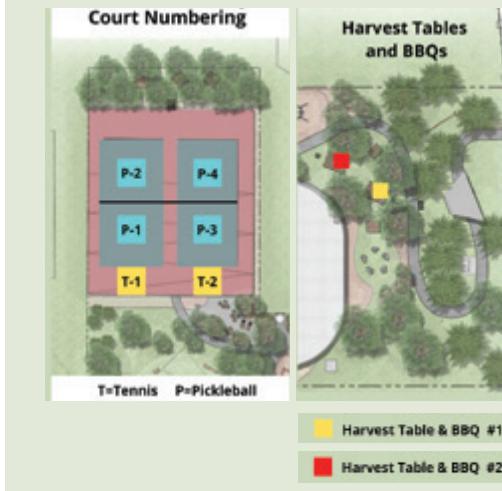

## HCA Membership Benefits

Purchasing an HCA membership allows you to book some of the Hawkwood Community Park elements. This year you can book:

- Tennis court
- Pickleball courts
- Pickleball net kit
- Harvest table and BBQ

More information and details can be found on our website at [www.hawkwoodca.com](http://www.hawkwoodca.com), or you can email [programs@hawkwoodca.com](mailto:programs@hawkwoodca.com).

These spaces are updated as soon as new information becomes available, so they are your best sources for the latest and greatest happenings in Hawkwood.

# LEAF Winter Update

Another successful Hawkwood LEAF season has come and gone. We were finally met with an abundance of early summer moisture that stretched our summer season longer and gentler than we have had in the past. Now winter's embrace is upon us with the promise of spring around the corner.

This year our LEAF Program's actions were more proactive rather than reactionary to what mother nature throws at us. We were able to get our spring cleanup done in good time, and we planted our flowers a bit earlier than normal. We didn't have the June warmth needed for fast growth of the flowers, but the lack of extreme temperatures helped offset this. A brief hailstorm in the east half of Hawkwood did some unplanned flower pruning but they bounced back nicely, and our parks were cleared of fallen branches within a week.

The rework of the flower beds at the two John Laurie Blvd entrances in 2024 proved successful. These beds are exposed to constant sun and wind in summer and winter with difficult growing conditions and are maintenance intensive. A leveled soil terrain with the retaining walls and the use of in-ground water distribution systems worked well. Our Northern Pocket Gophers have yet to give their reviews on our healthier plants, however...

This same rehabilitation technique will be prioritized for the community entrance flower beds on Hawkwood Road across from the Library on Nose Hill Drive.

The road reconstruction of the median at the Hawkstone Drive at Nose Hill Drive community entrance forced our hand to finally reconsider and reconstruct this challenging flower feature. It too is exposed to sun and wind but also ingests copious amounts of road salt. The vehicular traffic at this location also makes this a dangerous location for our crews to be working in, and we have had too many close calls. Our attempt at growing plants tolerant to the harsh growing conditions were not exactly what many of us were hoping to see. As such, a xeriscape rock feature was installed, and an additional flower planter was added here.

An additional planter was also placed in the park on Hawkwood Crescent. This SW corner of Hawkwood did

not have the same balance of LEAF features other areas of Hawkwood enjoy due to the difficulty of finding a suitable location.

Five additional spare planters will join us this spring as we continue to suffer planter losses due to undeclared motor vehicle incidents.

Behind the scenes, LEAF programs city-wide have begun a much-welcome rethink about how these programs are administered. It is exceedingly difficult for new communities to go through the process of inaugurating their own LEAF program. A pause in policy has been initiated until these programs are recreated to be fair and palatable for all communities and city administration. The process has been extremely collaborative and forward thinking – exciting times are ahead! Stay tuned for more.

For anyone new to Hawkwood, a warm welcome! The Hawkwood Community Association is a volunteer driven organization that successfully brought the vast majority of homeowners together in 2004 in a vote to create and implement our City of Calgary Enhanced Landscape Maintenance Program (officially ELM but affectionately known as LEAF in Hawkwood – Landscape Enhancement Appreciation Fund) after only 20 years of community deterioration. The HCA agrees to carry out all mowing and litter cleanup. In turn, the city "grants" the HCA the funds they would have spent in Hawkwood but are no longer needing to spend in our green spaces. Residents contribute to a Special Tax Levy annually, of which 100% is put back into Hawkwood, and in turn is combined with the granted money that enhances mowing and litter pick-up, provides all of the community flowers and winter greenery, and irrigation in eligible parks.

By now, our winter displays should be in place providing texture and warmth on our cold winter days. Material for these is sourced locally from trees destined to go to the landfill compost. Once we are finished with them in spring, they will join the compost there or be turned into mulch.

Next summer's displays are already being prepared in our suppliers' greenhouses. Please enjoy the winterscapes of our streets, parks, playgrounds, and our spectacular outdoor recreational facility, as frost and snow lay a pristine blanket on our Hawkwood community and our Hawkwood homes.

LEAF

THIS IS YOUR COMMUNITY. THIS IS OUR HAWKWOOD.

## Buy your Hawkwood Community Association Membership Today!

Support activities & events hosted by the HCA:

- Fall Festival
- Parade of Garage Sales
- Neighbour Day
- Community Garden

## JOKE OF THE MONTH

Why did the football coach go to the bank?

To get his quarter back.

## News from the Friends of Nose Hill

by Anne Burke

Sites of prehistoric interest relate to the precontact history of Native use and settlement. These valuable archaeological resources represent 10,000+ years of occupation by Native inhabitants of the Calgary region. In all, 45 archaeological sites on Nose Hill have been recorded. Stone feature sites include cairns (a human-made pile of stones as a landmark, marker, or memorial), alignments (arrangements in a straight line or correct relative positions), and stone circles. Archaeological studies of Nose Hill began in the early 1970s. Students from the University of Calgary carried out surveys of the entire Calgary region; five prehistoric sites were recorded in what is now the park. These include three tipi ring sites, a lithic (stone) scatter, and a prehistoric campsite.

When the City planned a municipal park for Nose Hill, a Historical Resources Inventory was required in 1978 within the proposed boundaries. The results were a cairn, ten campsites (two with tipi rings), a glacial erratic, four isolated finds, a kill site, 18 lithic scatters, a rock mound site of overgrown gravel, and six tipi ring sites. The Alberta Government in Edmonton held microfiche copies of permit and research reports, in which existing resources were described. In 1982 and 1983, a spring survey of stone circles along the southern margin of the uplands of Nose Hill recorded 60 new rings. This was followed by a series of field trips in the summer and fall of 1993. Conditions were poor, with high grass. The focus was on undisturbed sites but limited to revisiting all the original sites. Aerial photo mosaics of Nose Hill were prepared. Overlays combining trails and archaeological resources were used to relocate sites in the field. Best estimates of site locations were recorded using a GPS receiver.

## Batters Up! Holiday Baking and Life Skills with 4-H

Baking isn't just about cookies or muffins — especially during the holiday season, it's a hands-on way for kids aged 9 to 15 to learn practical skills while creating festive treats. The Batters Up Baking Club, part of 4-H Alberta's Intro Clubs, gives young bakers a chance to explore new recipes, practice teamwork, and discover the science behind their favourite holiday goodies.

Each week, participants try a new baking activity, from holiday cookies to pies, brownies, and cupcakes. Along the way, they also practice planning, measuring, following instructions, and record-keeping, all skills that are part of 4-H's life-long learning approach.

**Fun Baking Fact:** Did you know that baking powder creates tiny bubbles of carbon dioxide that make dough rise? This is why muffins and cakes become light and fluffy! Learning the "why" behind baking steps helps young bakers become confident and creative.

Even at home, kids can explore similar skills from measuring ingredients to blending flavours in simple projects like a quick orange creamsicle smoothie, made with 1 cup of orange juice, 1½ cups of vanilla

Greek yogurt, 2 peeled oranges, 2 frozen bananas, and 4 teaspoons of vanilla extract. Try this at home for a refreshing twist on holiday flavours.

Through the 4-H Intro Club, kids not only create delicious treats but also gain confidence, learn teamwork, and explore new ideas all while having fun in a supportive environment. Baking becomes more than just mixing ingredients; it becomes a way to explore science, math, and life skills in a hands-on, memorable way. Whether it's measuring sugar, stirring batter, or decorating cupcakes, every step teaches something new and what better way to celebrate the season than with treats made by your own hands?

Find out more about 4-H Intro Clubs at [4hab.com/member](http://4hab.com/member) or email [introclubs@4hab.com](mailto:introclubs@4hab.com).

## PRESIDENT'S MESSAGE

As another year comes to a close, I want to take a moment to reflect on what makes our community so special. Citadel isn't just a collection of houses and streets—it's a network of caring people who look out for one another. December reminds us of that more than any other month.

The holidays can be a joyful time, but they can also be challenging for some. Whether it's sharing a smile with a neighbour, shovelling a sidewalk, donating to the local food bank, or simply checking in on someone who might be alone this season—every small act of kindness makes a big difference.

On behalf of the Citadel Community Association, we wish you and your family peace, happiness, and good health this holiday season. Thank you for helping make Citadel a place where kindness and community truly shine.

Warm Regards,

*Stephanie Christensen*

# Citadel Newsletter

## Editor's Note

Dear Citadel Residents,

It has been my pleasure to be a member of the Board of Directors since March 2025, and I am so pleased to hear some of the feedback we have received regarding how the Citadel Community residents have resonated with what we do. After recently taking over the Communications Director role for the Citadel Community Association, I am excited to see how our community will evolve and grow in 2026.

As we go into 2026, I am excited to see the changes that are coming to the community and the improvements that we hope to see as we progress in partnership with Ward 2 as well as the city to bring improvements to the way the Citadel Community Association communicates with its community.

Something new we will be implementing early this year with the separation of the Citadel and Hawkwood newsletters is the 'Community Moment'. This is to highlight community members who have helped others with anything from unpacking their groceries to shovelling their driveways, etc. to show appreciation. The separation of the community newsletter into just Citadel allows us to provide you with more information as well as emphasize any important information that needs to be shared with the community.

Please feel free to contact me at [communications@citadelca.ab.ca](mailto:communications@citadelca.ab.ca) if you have any questions, comments, or concerns.

Sincerely,

*Kazuki Tomoda*

Communications Director
