Casey also stayed to share some Blackfoot storytelling and songs with Huntington Hills Out of School Care Programs. A special thank-you to our guests, as we continue to honour the historic lands of Moh'kinsstis and Turtle Island.

The Huntington Hills Curling Club has featured a flurry of awesome activities. On February 25, the club hosted #CurlingDayInCanada, busing in Calgary Centre for Newcomers Ukrainian refugees to come try the sport.

With juniors and little rocks also ending at the end of February, a huge thank-you to all of our volunteer coaches. We couldn't do it without you!

The Calgary High School Curling League also completed another successful season at the club, sending three teams to provincials. Read more about the winners and how the league is helping to grow the game.

## Community Cleanup

### April 23

The Huntington Hills Community Cleanup is back on Sunday, April 23 from 9:00 am to 2:00 pm!

A partnership between the City of Calgary Waste & Recycling Services and Community Standards, the community association brings together volunteers and a variety of organizations to help residents dispose of unwanted household items for free!

There will be many vendors available to collect items such as tires, electronics, furniture, household goods, metal recycling, and more. To ensure a safe and enjoyable event, it's important to know what to and what not to bring.

Before attending, please carefully review the full list of accepted and non-accepted items.

Ensure that there are no hazardous objects within your stuff. Ultimately, it's up to the event organizers as to what can and cannot be accepted. Event staff harassment or any illegal dumping onsite or within the surrounding area, before, during, or after the event will not be tolerated.

Once again, the Calgary Drop-in Centre will offer limited curbside pick-up of gently used high-need furniture items. Also, neighbours can sign up to host their own event day garage sale! Contact us to add your sale to our Community Garage Sale Map by April 20. All sales must be on April 23 and have open times between 9:00 am to 2:00 pm.

There will also be an onsite bottle drive and a clothing/textile fundraiser.

For full event information, please visit [www.huntingtonhillscapcity.ca/event/community-clean-up](http://www.huntingtonhillscapcity.ca/event/community-clean-up).

# High School Curling League Hits New Highs

On March 22, the High School Curling League, hosted City Championships, celebrated another successful season at the Huntington Hills Curling Club.

Thanks to the efforts of enthusiastic teachers, coaches, and players, Calgary once again sent one Ladies, Mens, and Mixed representative to compete in the Alberta Schools' Athletics Association's Provincial Curling Championships in St. Paul.

Having not had a provincial curling berth position for many years, the league started as a way to help advocate for more Calgary students to get in game and compete.

With over 20 teams from 12 different schools participating this season, league organizer and coach, Lance Humeniuk, says opportunities like these are important. They help to "motivate the kids" and that structured weekly games "help more players come together to grow into something bigger."

Each year continues to gain real momentum as a range of teams are encouraged to join. Humeniuk explains that the sport is naturally welcoming and provides a unique opportunity for both seasoned and interested students to try.

"The access to this sport is 100% there for all these Calgary kids. Some of these teams are made up of kids that hadn't tried it before...It's approachable. It's attainable. Even the other teams will help them out at this level."

"It's like any sport that has a learning curve. Once you get the basics, you just want to come back for more. It's competitive on the ice, off the ice; we're all having fun. There's a real comradery amongst the teams."

Brand new players, Thomas Rilett and his Henry Wise Wood High School team, decided to take a chance on curling this year. It paid off big-time with them taking home the Men's City Championship banner.

"The first few days [of learning the sport] were definitely a little up and down. It was almost kind of falling around out there, finding out what works, finding out what doesn't."

"Coming to the finals was all about being calm and collected and going out there and enjoying ourselves. Having fun became the key, and we just kept doing that

throughout the season. The playoffs came around, and it worked out really well!"

Congrats to this year's Calgary High School Curling League City Champions and all the teams that competed!
