No matter how much you sweat, we can get the stink out!

We offer cleaning services for sports equipment and personal protective equipment, including helmets, shoulder and elbow pads, knee and shin pads, footwear, skates, or gloves – almost any equipment used by athletes or workers can be cleaned, disinfected, & refreshed.

OUR OZONE PROCESS

Using ozone, our system breaks down and penetrates stains, mucus, blood, sweat, fungus, bacteria, and mould. Ozone effectively annihilates 99% of bacteria and viruses upon contact, encompassing both odor-causing bacteria and those responsible for various illnesses, such as staph infections.

De Winton Community Preschool Closure

The DCA Board regrets to announce that, after careful consideration, the De Winton Community Preschool (DCP) will be closing its doors following the completion of the current school year.

While the DCP has proudly offered a safe, nurturing, and supportive environment for developing children within the community, from a business and operational perspective our preschool, for several reasons, has struggled to remain sustainable.

Preschool has become a complex business due to increasing government licensing and regulatory and administrative procedures and processes. This has become unmanageable for a very small group of volunteers.

Over the next year, the DCA plans to devote significant resources to reviewing a variety of options.

Please direct any questions or concerns to dwca@platinum.ca.

*Happy Mother's Day!
Or Maybe Not...*

This year in Canada, Mother's Day will be celebrated on May 12. But this is not the same for moms in other countries. In Arab countries it's March 21, and in the UK, it's on the fourth Sunday of Lent. Whenever it is, let's just agree moms deserve all the love, pampering, and chocolates they can get!
