Membership Update

Membership

Stay connected in 2026! A new year means new opportunities to connect. With all current memberships expiring at the end of February, now is the perfect time to renew and keep supporting the programs you love.

How do you purchase a membership? It's simple; just pick one of these convenient ways to get a current membership:

1. Fill out this paper form and mail along with payment to: Box 78053, RPO Heritage, Calgary, AB T2H 2Y1.
2. Complete the whole process online at fairviewcommunity.ca/membership in less than a minute via PayPal. A physical membership card will be dropped off for you shortly after your purchase.
3. Email membership@fairviewcommunity.ca and one of our volunteers can drop off a membership and pick up your payment (contactless).
4. Phone 403-252-5424 and leave a message with your name and phone number, stating that you'd like to buy a membership. A board member will return your call and set up a time for a contactless drop off of your membership card and pick up of your payment.

VICE-PRESIDENT'S MESSAGE

Hello Fairview,

As the snow disappears and the days get longer, Fairview is shifting gears. We're moving from winter skates into what is always one of the busiest and most exciting times of the year for our neighbourhood!

First, we want to extend a massive thank you to our Rink Master, Jason, and the dedicated team of volunteers who kept the outdoor rink running this winter. Mother Nature was not very cooperative this season, with warm spells that made ice maintenance challenging. Despite that, Jason stuck with it and worked hard to make the rink the best it could be, helping create a space where neighbours could gather and enjoy the season.

Now, as the snow melts, we are preparing for several upcoming spring events including our Spring Community Cleanup/Spring Fling, Community Bottle Drive, and our Annual General Meeting (AGM). Planning is also beginning for summer and fall events like Movie in the Park.

With the change in seasons comes a significant increase in the association's workload. Currently, a very small group of volunteers is managing the bulk of the planning and execution for these events.

We could really use a hand. Even if you only have two or three hours to spare at a single event, it makes a world of difference. If you've ever thought about getting involved, there is no better time than right now to step in and support the community we all love.

Thank you for your continued support.

Wayne McNeely

1st Vice President, Fairview Community Association

vp1@fairviewcommunity.ca

From the Archives: A Walk Down Membership Lane

We're dipping into the community vault to reprint a favourite story shared by a Fairview neighbour a few years back. It's a timeless reminder of the deep roots our neighbourhood shares!

"We recently purchased a Fairview Community membership, and it reminded me that when we purchased our house years ago, one of the previous owners was also a community association member. I've scanned their card from 1964 and thought you might enjoy "walking down memory lane" as well. Cheers!"

Keep the Legacy Alive

Whether you've lived here since the '60s or just moved in this month, your membership keeps our traditions running. From the outdoor rink to the Spring Fling, your support really matters.

Get your 2026 membership by emailing membership@fairviewcommunity.ca.

Help Us Build the Fairview Archive

Do you have old photos of the neighbourhood, vintage newsletters, or artifacts like this 1964 card? We'd love to see them!

Help us preserve our history by sending a digital scan or photo to news@fairviewcommunity.ca. We might feature your "memory lane" moment in an upcoming issue!

Get Involved: Spring Volunteer Opportunities

Fairview is powered by people like you! Our Board, events, and projects only happen because of our awesome volunteers. Whether you have an hour or a specialized skill, we need your help to keep our community thriving.

"Nobody can do everything, but everyone can do something!"

Open Positions and Events

Board of Directors - We are recruiting for President, Secretary, and General Members. Join one meeting a month to build leadership skills and help steer our community.

Planning and Development

Have expertise in urban planning or land use? Help us guide the residential and industrial evolution of Fairview.

Membership Drive – April

Help sell memberships door-to-door on your street. It's a great way to get some steps in and meet your neighbours (one-to-three-hour commitment).

Spring Fling - Early May

Our biggest event! We need traffic directors, truck drivers for pickups, concession staff, and a cleanup crew.

Bottle Drive - May

Phase 1: Deliver bags and leaflets to mailboxes (fast and easy!).

Phase 2: Drive routes, load bottles, or man the BBQ for our volunteer lunch.

Ready to Help?

Email president@fairviewcommunity.ca to sign up or ask questions. For the Membership Drive specifically, contact membership@fairviewcommunity.ca.

Fairview 55+ Virtual Golf Wrap-Up

The Fairview Community Association 55+ Collective was pleased to offer two virtual golf events for our local Fairview community seniors. With the help of JJ Golf (7825 Flint Road SE), we hosted indoor virtual golf events on the mornings of January 21 and February 18. We had good turnout of about 14 people each session.

It seemed like everyone had a great time playing beautiful green courses from around the world while it was cold and snowy here in Calgary. I especially enjoyed beating up the beautiful flowers and shrubs in the rough of a Hawaiian golf course.

We will look to hold more similar events next year, maybe even setting up a weekly league if there is interest.

Thank you to Jamil and the team at JJ Golf and to those that participated! I hope you enjoyed it as much as I did!

Safe Parking Around Schools Helps Keep Kids Safe

by *The City of Calgary*

Safe parking plays an important role in keeping school areas safe.

Where drivers stop or park near schools affects visibility and safety for children and families who walk, bike, wheel, or travel through the area. Parking too close to corners, blocking driveways, or stopping where it's not allowed can make it harder to see children—especially during busy drop off and pick up times.

Parking Safety and Compliance Officers are regularly present in school zones across the city, helping remind drivers about parking rules and safe choices that protect students and the community.

Safe parking is about more than speed limits and crosswalks. It also means following signs, leaving space at corners, and choosing legal parking spots that keep sightlines clear for everyone.

You can help keep school areas safe. Slow down, follow parking signs, avoid stopping in no parking zones, and choose safe, legal parking—even if it means walking a little farther.

Small parking choices can make a big difference. Safe parking around schools helps protect kids and creates safer, calmer streets for everyone. calgaryparking.com/schoolpatrol.

The City of Calgary Invites Students to Champion Safer Streets Through 2026 Travel Safe Student Video Contest

by *The City of Calgary*

The City of Calgary is inviting students to help make local streets safer through the 2026 Travel Safe Student Video Contest. Now in its third year, the contest encourages Kindergarten to Grade 12 students in Calgary to use creativity and lived experience to promote safer travel behaviours.

Amid ongoing concerns about record high traffic related injuries and deaths, the contest empowers young people to share ideas that support safer use of Calgary's roads, sidewalks, and pathways. It complements the City's broader safety efforts, including improvements in engineering, police enforcement, and public education.

"Youth experience traffic in a very different way than adults," said Jacquelyn Oriold, Transportation Education Specialist at the City of Calgary. "Large vehicles can block their view, busy intersections can feel overwhelming, and kids often wonder whether drivers can even see them. Moments that feel routine for adults can be scary for younger travellers who are still learning how to navigate their surroundings. This is a chance for students to be part of the conversation."

Students are invited to submit original 30-second videos in any style that align with one of four safety themes: distracted travel, pedestrian safety, cycling and wheeling safety, or speed safety.

Prizes are valued at up to \$1,000, including sports equipment, technology, and family attraction passes. Class entries may also win a field trip experience worth up to \$1,000.

Finalist videos will be showcased at a public screening on April 27, 2026, at the Calgary Central Library, with winning submissions shared through City channels and future education initiatives. Submissions close April 15, 2026. Contest details are available at calgary.ca/travelsafevideo.

Heads Up! Weekly Green Cart Collection Resumes Starting the Week of April 21

by The City of Calgary

Blue carts will continue to be picked up every week, and black carts will continue to be picked up every other week.

Did you know that The City provides free reminders for your blue, black, and green cart pick-up days?

All you need to do is sign up! When it's time to put your carts out for collection, we'll send you a reminder. When you sign up, you will get:

- Instant access to your pick-up schedule,

Option 2: Download the Garbage Day App onto your phone.

- Available on the App Store or Google Play.
- Set notifications to remind you of your cart collection days.

Never miss another cart collection day again.

Green Line's Light Rail Vehicle Manufacturing is Underway!

by The City of Calgary

Manufacturing of the light rail vehicles (LRVs) for the Green Line LRT has begun. These will be the first low-floor LRVs used in Calgary and the first time the Urbos 100 model will be used in Canada.

The decision to use low-floor LRVs comes from the numerous benefits they offer, including improved accessibility, enhanced vehicle and pedestrian safety, and increased community integration.

The vehicles are manufactured by Construcciones y Auxiliar de Ferrocarriles (CAF), a Spanish company that was awarded the contract in 2019 to supply the Green Line vehicles. The initial fleet will consist of 28 vehicles, which will be stored, serviced, and maintained at the maintenance and storage facility near the future Shepard Station.

The shells of each module are currently being built, while the wheels, suspension set, motors, and passenger seats are already assembled. Thorough quality inspection and testing of these components are also taking place as installation continues.

Further testing of train functionality will occur once the trains are delivered to Calgary, including acceleration, braking, and the ability to pass through tunnels and pull up to station platforms. Additional cold weather testing will help to ensure trains perform optimally in snowy and icy conditions. This will be combined with general testing of their technological systems.

For more information on the Green Line's LRVs, please visit calgary.ca/green-line/trains.
