Our MCA Logo

The MCA logo symbolizes all the road roundabouts in our community of Mahogany, and the colours represent the diversity in our community. Designed by Liz Araujo.

Buy a Mahogany Community Association Yearly Membership Today!

A New Mini Forest is Planted!

Did you know that the City of Calgary, in partnership with the MCA, planted 96 trees in two sections of the wetlands in June? Adding mini forest areas to our wetlands helps grow our green forest canopy and

bring vibrancy to our beautiful community. Thank you to everyone who came out and helped with this wonderful event! It was amazing teamwork! And a special shout out to Ken, our MCA Director of Environmental Stewardship, for organizing this awesome event, our local Sobey's for providing all the water and snacks for our volunteers, and to Daniela for taking so many fabulous pictures for us!

Check out our website or our Facebook page for another major tree event, our Summer Sapling Shindig, on August 22! We will have food trucks, games, entertainment, and more as we plant 200 more trees in the wetlands!

Exploring a Walking School Bus Program in Mahogany

As our community continues to grow, many families have noticed the increasing traffic congestion around our local schools during drop-off and pick-up times. Finding ways to improve safety, reduce traffic, and encourage active lifestyles for our children is something we can work on together.

One idea worth exploring is a Walking School Bus program. A Walking School Bus is a group of children who walk to and from school together under the supervision of parent or caregiver volunteers. Similar to a traditional school bus, the group follows a planned route with designated "stops" where children can join along the way. These programs have been successful in many communities by promoting physical activity, building neighbourhood connections, and helping reduce vehicle traffic around schools.

Before moving forward, we would like to gauge community interest and form a small committee of parents and caregivers to explore options, identify challenges, and develop ideas that could support safer and more efficient school transportation in Mahogany.

If you are interested in joining a committee or learning more about a potential Walking School Bus program, please email our Director of Civic Engagement, Khushboo, at Khushboo.Shah-Shrivastava@mahoganycommunity.ca. Your input and involvement can help shape solutions that benefit families throughout our community.

The Green Perspective

Mahogany gardeners, summer is here and many of us are continually working on our yards and gardens. With the rising cost of food, and many wanting to reduce our carbon footprint, below is a list of a few trees and fruiting shrubs I have grown in the Calgary area. I recommend digging a hole a minimum of twice the size of the existing root ball and installing a good quality garden soil, as most of the existing soil is clay-heavy and of poor quality.

Smokey Saskatoon (*Amelanchier alnifolia* 'Smokey')

Considered a medium to large shrub, it may reach three meters tall and two meters wide. It produces white flowers in the spring followed by purplish blue berries in August. Saskatoons are best eaten fresh or used in pies and jams. Very hardy and easy to grow and requires minimal maintenance.

Raspberries

Anyone that has grown raspberries has a love-hate relationship with them. Raspberry plants not properly maintained can take over a small space very quickly. The old canes should be removed every two years, or you will be large with many dead

canes after a few years. If you have the space and enjoy fresh raspberries, plant a few this spring. They work well along fences in a sunny location.

Ken Jackson

MCA Director of Environmental Stewardship

What is the MCA?

Community Associations are volunteer-led, non-profit organizations that represent specific communities in the city of Calgary. At the Mahogany Community Association (MCA), we believe a strong community is built on inclusion, shared experiences, and the simple feeling that you belong here. Whether you are new to the neighbourhood or have been here for years, we are here to help you meet your neighbours, get involved, and feel at home. Our mission is to create a connected, inclusive, and vibrant Mahogany by bringing people together through meaningful events and programs, celebrating the diverse cultures that make our community unique, speaking up for residential interests, and improving quality of life through thoughtful partnerships and well-used public spaces. We imagine a Mahogany where every voice is heard, every contribution matters, and every resident feels proud to call this place home. We are committed to caring for our environment, supporting resident well-being, and working together so that Mahogany stays one of Calgary's more welcoming and lively communities. Our board consists of a president, vice-president, secretary, treasurer, and six directors who oversee volunteering, collaboration, member benefits, environmental stewardship, communication, and civic engagement. Our focus this year is on growth, engagement, and differentiation, with growing committees in various areas building on the momentum we have created. Through quality engagement, visibility, trust building and responsiveness. We are focused on making Mahogany one of the greatest communities in Calgary. (With member benefits to be proud of).

- Landmark

Whether you're looking to save on dining, fitness, services, or family fun, there's something for everyone. Supporting our local partners and trusted larger partners while enjoying member-only benefits is a win-win for our community!

Not a member yet? Join today and start saving!

MESSAGE FROM THE BOARD

Hello Mahogany,

It's summertime! In Calgary that means Stampede, pancakes, water activities, and barbeques! In Mahogany that means time outside biking the pathways, walking the wetlands, enjoying our parks and restaurant patios, and spending time in our yards with neighbours. This is also a time where kids are off school, construction is in full force, and driver diligence is even more important. Let's watch out for one another and make sure Mahogany is a safe and fun community for everyone. Even as Mahogany continues to grow, we can still be a friendly kind community with a joyful spirit. Let's do that together Mahogany! Have a wonderful summer!

Community Cleanup

Your 2026 Community Cleanup is coming!

Save the date: Sunday July 12, 2026, from 9:00 am until 2:00 pm sharp.

Do you have stuff in your basement (that's been there a while)? Do you have a garage filled to the rafters (that's time has come)? Are you moving or downsizing (with stuff the kids don't want)? Well, we have a date for you! The Annual City of Calgary and Mahogany Community Association Cleanup event is all set for July 12, 2026. We're at a new location this year! In the parking lot at Mahogany School, 165 Mahogany Blvd SE. Check out the city website for other dates and locations as everyone's event is open to all Calgarians at <https://www.calgary.ca/waste/drop-off/community-cleanups.html>.

Our event will have following:

- Cerebral Palsy Alberta: They are accepting any clothing, shoes, linens, small household items, kitchen wares, books, and games.
- Habitat Restore: They are accepting any tools, gently used furniture, appliances, usable building materials, cabinets, doors, and windows.
- Quantum Lifecycle Electronics Recycling: They are accepting anything with a cord or a battery, computers, printers, scanners, fax machines, TVs, telecom devices, and all types of batteries.
- Junk Kings: They will be accepting all bikes, mattresses, and tires.
- Island Steel Products: They will have bin on site for any metal recycling like old filing cabinets, metal siding, pipe, kitchen sinks, washers and dryers, mowers, and ballasts.

Again, note the new location at Mahogany School parking lot. Come early to avoid being shut out due to capacity issues. We'll have volunteers to help you unload those unwanted treasures. And if you would like to come volunteer (which would be amazing!), send a quick message to volunteer@mahoganycommunity.ca and we'll get connected.

The Bird Blurb

Ducks are incredibly social and highly adaptable birds with remarkable biology. Thanks to specialized feathers, super sensitive bills, and unique sleeping habits, these waterfowl are capable of everything from deep underwater diving to forming regional accents in busy cities.

Fun fact: Female ducks pick their favourite male ducks to mate with based on dancing ability.

Fun fact: Ducks are capable of abstract thinking, differentiating between objects based on colour and shape, and have deep emotional lives, showing affection for their siblings, mothers, and swim mates.

Meet One of Your MCA Board Members!

Meet your MCA Treasurer, Tommy Malster!

"I've called Mahogany home for the past three years, and my wife and I truly can't imagine a better place to raise our family. There's something special about a neighbourhood where people genuinely look

out for one another, and I want to help protect and strengthen that sense of community. As Treasurer, I bring over 15 years of experience in nonprofit finance, and I'm proud to put those skills to work in service of our community."

4-H INTRO CLUB

From Hesitant to Confident: A Growing Year for 4-H Intro Clubs

What happens when you give kids a welcoming place to try new things, make friends, and build confidence all in just six weeks?

This year, 4-H Alberta's Intro Clubs continued to grow across urban communities, with nine clubs hosted in Calgary and two in Edmonton. Two additional summer clubs, one in north Calgary and one in south Calgary, will wrap up the season at the end of July.

Although many people still associate 4-H with rural communities and livestock projects, today's 4H programs

offer a wide variety of opportunities for urban youth as well. From baking and science to leadership, communication, community service, and creative projects, 4-H helps young people build life skills through hands-on learning experiences.

Designed as a short-term introduction to 4-H, the Intro Clubs give youth the opportunity to experience friendship, leadership, responsibility, and community involvement in a welcoming environment for busy families.

For many participants, the experience became much more than just an after-school activity.

One parent shared that their son arrived nervous and unsure on the first day, but by the end of the program he was excited, enthusiastic, and sad to see it end. Another family described the program as "extraordinary" and praised both the hands-on learning and the welcoming atmosphere created by the leadership team.

A special part of this year's success was the involvement of 4-H Ambassador and member, Devyn, who worked

alongside club leaders to mentor younger members and help create a positive and encouraging environment.

Whether youth were presenting speeches, participating in community service, trying new activities, or simply making new friends, Intro Clubs helped families discover what 4-H is truly about: belonging, confidence, leadership, and learning by doing. Contact introclubs@4hab.com to find out more!
