PRESIDENT'S MESSAGE

Great news off the start!

We filled some vacant positions at the hall to keep the place in tip top shape. We have also transitioned some new positions on the board into their roles, including a new social media coordinator! I have been enjoying the content so far. Please make sure to like, comment, or share posts from @haysboroca.

As well, the facilities committee is up and working with our project manager to put the grant funds to use for hall upgrades – stay tuned. A reminder: we can definitely use input from the community-at-large on these projects. Feel free to get in touch with me to join up if you wish to know more.

I also just took a phone call from a local consulting firm on behalf of a developer for a project that will affect residents of Haysboro to a certain extent. I will share more of those details as they become available, but I wanted to provide a sneak peek hint at the opportunity for a consultation process.

I hope you and your families are enjoying spring in Calgary and the bud break and longer evenings, as I am! I also hope there's time for a little extra chocolate as a treat as well.

Happy spring, Haysboro!

Sincerely,

Stephanie Thomas

Physical and social disorders are excluded from this article because a very low proportion of disorder-based calls for service result in crime reports. Physical and social disorders are often highly visible, occurring in public spaces; examples include public intoxication, panhandling, youth gangs, prostitution, littering, loitering, and graffiti. Research indicates that disorders can have a negative impact on public perceptions of safety.

Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T’ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

Haysboro Seniors' Social Club

The Haysboro Seniors' Social Club meets on the fourth Thursday of the month from 1:30 to 3:30 pm at the Haysboro Community Hall. The next meeting is Thursday, April 27.

Everyone is welcome. There are no age or residency requirements. Since this publication is only delivered in the Haysboro area, please feel free to invite a friend or family member who lives in another community.

We have a program each month featuring a variety of topics. Recently, we had a presentation on downsizing and preparing for a move. Another time, we had a piano player entertain the group. Suggestions for future programs are always welcome for consideration.

There is always ample time for visiting and enjoying coffee, tea, and cookies. Since we are all very much aware of the high cost of groceries these days, we are asking for a small contribution to the coffee fund each meeting.

Members are notified by phone or email prior to each meeting with a friendly reminder and information about the program that month.

For further information, you can call Denise Palmer at 403-252-6453 or Doris Bessie at 403-457-2893. We look forward to seeing you on April 27.

EDITOR'S NOTE

We have a big ice jam in front of our house. Our friends, in previous years, came over to visit Hook Lake. We fear what damage that lake could do, but fortunately our house is at a higher elevation. Did you know that Haysboro was originally a swamp?

I think there is one drain per two streets and the path is not downhill. This year, the snow came before all the leaves were off the trees so if someone is not kind enough to clean the drain out, then the path and the drain will be full of mushy leaves.

Melting snow and making little rivers along the edge of the curb was a spring afternoon – hours whiled away crushing ice and building dams and changing the course of the water. But adulating is more about the five inches of ice and the lakes that will be created.

In the 10 years that we have been here, our basement has seen an excess of water three times and sewage one time. The first was from a downspout running right into a basement window, the second a crack in the foundation, the third a plugged humidifier on the furnace. Then the lovely back up of some wastewater from the kitchen.

So here is my advice as we move towards spring:

1. Make sure your downspouts are down and in the right position and not clogged.
2. Know where the drains are on your street, as that is where you hope the water will go!
3. Be a good neighbour and keep the path in front of your house clear of debris.
4. Take debris off of street drains. If you can't do it, call 311 and ask the City to clean it out.
5. The City has a program that can come and check out the line from the house to the street/back alley.
6. And lastly – make sure your insurance covers water damage!

Looking forward to the ice flow!
