Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T'ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

EDITOR'S NOTE

Another Egg Hunt has come and gone. I heard parents calling to their kids, Zelda, Veda, Colton, Robin, and turning around I saw a child growing up – not the two-year-old toddler – but the spry three year old – who knows the reward at the end of the hunt!

Children that once were the seekers are now the hiders – no longer holding a parents' hand as they shyly move about the playground but helping little kids themselves.

I noticed especially the grade four to six girls dressing in ways that were expressions of themselves, but also wondering if that was who they were or were trying to be? The young boys seemed to pay no interest to the girls but went about their business getting snacks and hiding eggs.

This must be a hard age to parent – cell phones give them access to friends and content from the internet – COVID made being online more necessary to stay in touch.

I am not a youth leader; I am terrible at talking to them (I think I ask too many questions as though I am talking to their grandparents who are full of stories to tell).

Before I left the hall, we had a summer of fun as I brought in people to offer their abilities and creativity to lead the group of children once a week.

I would be willing to do the legwork if there were a few parents (or nonparents) who would do the leading of the group. This is not to compete with other clubs or groups, but perhaps just a once a month get together to build community amongst this age group.

If you are interested in creating an opportunity for these 'twens' to get together once a month – let me know! Email me at Fionanz2000@yahoo.com.

Park Cart Smart

From the City of Calgary

When you set out your blue, green, and black carts properly, you're helping to ensure safe and efficient operation of The City's waste collection trucks. That includes how you park on the street outside your home, especially in cul-de-sacs. A few simple reminders will help make everyone's day go smoothly:

Parking in a Cul-De-Sac

All vehicles must be parallel parked with passenger side wheels to the curb, unless there are signs permitting angle parking. This helps collection trucks reach your carts and turn around in a cul-de-sac.

Place your carts on flat ground, one metre away from your vehicle if parked on the street.

Improperly parked vehicles block driveways for residents and restrict access for emergency and waste management vehicles.

Parking in an Alley

Do not block the end of a closed alley with parked vehicles. Collection trucks need space to turn around safely.

These simple but important steps help ensure safe and efficient cart collection. Learn more at calgary.ca/cartplacement.
