OUR MISSION STATEMENT: The HCA, as a volunteer run organization, thoughtfully and constructively shapes our neighbourhood. We are innovative. We provide social and recreational programming; encourage and develop unique projects; and foster open dialogue with residents and stakeholders.

OUR VISION STATEMENT:
A friendly, safe, and vibrant community of active and engaged residents.

HAYSBORO HALL HAPPENINGS

Our “Bumble Bee Lane and Haysboro Plant Exchange” at the beginning of June bloomed with success! Gardeners of all experience levels gathered to share everything from thriving perennials to rare cuttings. The weather held off just long enough for dozens of trades, plenty of plant and pollinators talk, and even a wildflower seed giveaway. Thanks to the dedicated volunteers and the enthusiastic plant lovers who showed up rain or shine. The event was a true celebration of growth, community, and a little bit of luck with the weather!

We served up fun at the Haysboro Courts Kick-off Party! The evening featured a friendly tournament, free BBQ, and even some cheering from the sidelines. Players of all ages hit the courts to celebrate the season opening. A huge thank you to everyone who came out to play, support, and enjoy the day—and an extra special thanks to all the volunteers who made it happen. You helped make this event a smashing success!

HCA Gardening Committee

Are you passionate about gardening, green spaces, and making a positive impact in our community? The HCA has started a Garden Committee and are looking for volunteers to help maintain and enhance our shared green spaces. Please email garden@haysboro.org to get involved.

Haysboro Outdoor Market

We will have our final summer dates on Wednesdays, July 9 and 23 from 3:00 to 6:00 pm! Join us at the Haysboro Hall green space for an afternoon of local vendors, fresh finds, and community vibes. July is your last chance to experience the market this summer, so don't miss out! Bring a picnic blanket, browse the booths, and stay awhile—it's the perfect way to spend a sunny afternoon.

All Candidates Civic Election Forum

We're excited to announce that the HCA will be hosting an All Candidates Civic Election Forum on Saturday, September 28 from 2:00 to 4:00 pm! This is your chance to hear directly from the candidates, ask questions, and get informed before you vote. It's an important event for our community. This is not a drop-in event, and you will need to pre-register and get a free ticket if you'd like to attend. The registration will open on our website this summer, so watch for updates. Let's come together, stay engaged, and make our voices count!

We're exploring the launch of three exciting new community groups at the HCA: a Haysboro Knitting Club, Seniors Lunch and Learn, and a Parenting Group—and we want to hear from you! Whether you're an avid knitter looking to stitch and chat with others, or you're a senior interested in fun, social, and enriching events close to home, paired with a lunch, these groups are for you. Email us at info@haysboro.org to let us know—and be the first to receive updates on upcoming gatherings, programs, and events!

Upcoming Important Dates

- August 21 and 22 - HCA Casino event at the Elbow River Casino
- September 13 - Haysboro Happenings Community Event
- September 28 - All Candidates Civic Election Forum

In July and August, we will move to summer hours at the hall, which are Tuesdays from 10:00 am to 2:00 pm. For faster responses, email info@haysboro.org or rentals@haysboro.org.

Hello Summer, Hello Haysboro!

The season has officially arrived! Summer is here, and it's already bringing all the good vibes. The sun is shining, the birds are singing, and the joyful sounds of children playing drift through the neighbourhood. There's an energy in the air that only summer can bring—longer days, lighter moods, and that urge to do something, whether big or small.

And maybe you've found yourself wondering...

"How can I get more involved in the community?"

"What can I do with the kids that's simple and local?"

"Is there something I can contribute—even if I don't join the HCA board?"

We're here to say: Absolutely, yes.

It Starts with Just One Thing

Getting involved in the Haysboro Community Association (HCA) doesn't require a big commitment or a fancy title. It just starts with one small step—asking a question, showing up to an event, or offering a hand where it's needed. Even something as simple as spreading the word or giving feedback makes a difference.

Maybe you can help set up for a market, greet people at an event, or share a post about a local program. Haysboro thrives because of the people who live here—and your one thing could be the spark that keeps the momentum going.

If you're looking for a sign, this is it.

Want to Get Involved? Here's How!

There are so many ways to plug into your community—on your own terms, at your own pace:

- Drop by the hall during our summer office hours – Tuesdays from 10:00 am to 2:00 pm
- Visit our Linktree – linktr.ee/haysboroca for a one-stop info hub
- Follow us on social media – Stay in the loop via Facebook and Instagram
- Send us an email at info@haysboro.org – we love hearing from you!
- Explore our website – visit haysboro.org for event listings, updates, and more
- Talk to your neighbours – community connection often starts with a simple hello
- Join us at events and workshops – meet new faces, learn something new, and have some fun!

So Much is Happening—Right Here

It's easy to overlook what's right in front of us—but take a closer look, and you'll see that Haysboro is bursting with activity, connection, and opportunity. From outdoor markets and summer camps to community events and creative new programs, this is a neighbourhood that grows stronger when we show up and participate. And yes, I know, Haysboro shows up!

So, this summer, take a walk, attend a market, or just stop in and say hello. Whatever you do—do it as part of your community.

Because in Haysboro, you matter. And we're so glad you're here.

Community Children's Puzzle Library

We want to give a heartfelt thank you to Chris Ward and Donna Mack, two wonderful community members who took the initiative to revitalize the Community Pantry in front of the Community Natural Playground. Their creativity transformed it into a Children's

Puzzle Library—a delightful little corner where kids can borrow and swap puzzles.

Take a puzzle, leave a puzzle. It's a simple idea that promotes sharing, learning, and good old-fashioned fun.

Just a note: this puzzle library is for children's puzzles only—please keep adult puzzles out, as they'll be removed. And if you're doing a clear-out, think of the puzzle library before donating elsewhere. It's a great way to give your unused puzzles a new life in a child's hands!

Participate in the Haysboro Time Capsule Project 'Visions for 2050'

The Haysboro Time Capsule started in 2000 for a Millenium Project by three residents that involved funding for signage, commemorative benches, and a time capsule.

Drawings, writings, and poems were provided by the Haysboro School students with a focus on what they thought 2025 would be like. The time capsule was buried at the Haysboro Community Association and now 25 years later, we will be opening it up at our Haysboro Happenings community event on September 13. More details to come.

The committee has partnered with Haysboro Elementary School for submissions for the new time capsule. For any kids in Haysboro not attending Haysboro Elementary that would like to participate, please write a short description (maximum 300 words) about what you think the world will look like in 2050. Ideas could include but are not limited to the following:

- My hopes and dreams for the world in 2050
- What will travel in 2050 look like?
- What will Haysboro look like in 2050?

Submission Deadline

Please drop off items to the HCA mailbox in front of the hall or inside during office hours. Label it 'Time Capsule' with your name and age by July 31, 2025.

SAFE AND SOUND

Heat Related Illness

by Alberta Health Services

EMS would like to remind everyone to stay safe in the heat and sun this season. While children and the elderly may be more susceptible to the effects of heat and sun, basic prevention measures should be taken by all to avoid a heat related illness during periods of hot and humid weather.

Heat Exhaustion

- Heat exhaustion can occur due to excessive fluid loss during periods of prolonged sweating in a hot and/or humid environment (indoors or outdoors).
- Patients may suffer headaches, weakness, fatigue, nausea/vomiting, thirst, chills, and profuse sweating.
- The patient is usually cold and damp to the touch and the skin may appear pale or dusky gray.

Heat Stroke

- Heat stroke is a medical emergency which, without prompt treatment, could be fatal.
- It occurs when the body can't cool itself naturally (e.g., perspiration). The body's temperature will continue to rise to dangerous levels.
- Due to severe dehydration and the inability to sweat, the patient may appear flushed, and skin may be hot and dry to the touch.

First Aid

- First aid for all heat related illness begins with removing or sheltering the patient from the hot environment.
- Remove excess, or tight-fitting clothing, and allow them to rest in a cool environment.
- If the patient is conscious and alert, provide suitable fluids such as water, juice, or a sports drink.
- If you are concerned, seek medical attention.

Prevention

- Stay well-hydrated by drinking plenty of water at all times.
- Be aware that excessive alcohol consumption will promote dehydration.
- Always wear a broad brimmed hat to keep the sun off your face and neck.
- Apply a broad spectrum, waterproof sunscreen with a minimum SPF of 30+, especially for children. The sun's UV rays peak between 11:00 am and 3:00 pm, even on cloudy days.

DISCREET & CONVENIENT TEETH STRAIGHTENING

*"Your Oral Health
Is Our Priority"*

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.
