PRESIDENT'S MESSAGE

My attempts to come up with a theme for this issue's column have failed me, so I'm going to deliver a potpourri of random musings, in no particular order of importance.

We had a very successful Community Cleanup on May 10. We were blessed with lovely weather and a great turnout of enthusiastic "pickers" of all ages. On behalf of the BRCA, I want to thank everyone who came out to help keep our neighbourhood tidy and the many volunteers who contributed time and effort to organizing and coordinating this event.

As we enter summer, I am mindful of our ever-changing weather. The crab apple trees in Murdoch Park were in full bloom on the May long weekend when, in the space of ten minutes, a hailstorm brought down enough ice to allow for tobogganing and to cover the paths with pink petals. All the more reason to enjoy the nice days when we can.

Traffic continues to be an issue in our community. The 4 Avenue flyover construction continues, and the Main Street and ENMAX resume on First Avenue. The City advises us that all these projects are expected to be completed by this fall. I have just noticed the installation of pedestrian crossing lights at 9 Street and First Avenue, and the City has provided notice that the stop signs at several intersections along Second Avenue will change. Please be patient and careful as motorists, cyclists, and pedestrians adjust to these changes. While this work has led to increased traffic and inconvenience (particularly for impacted businesses), I appreciate the efforts the City has made to keep the community informed of the progress of these projects and the changes they will bring.

With one election down, and one to go, it's safe to say we definitely live in interesting—and changing—times. We have a new Member of Parliament and will have a new Councillor in Ward 9 following October's civic election. I hope the high turnout for the federal election carries over to the municipal election as there are many important issues facing communities in Calgary.

Speaking of elections, I hope to see many of you at the BRCA Annual General Meeting on June 12, starting at 6:30 pm at the hall. The AGM is open to all members and memberships can be obtained at the door.

Alex MacWilliam

Volunteer Profile: Janet Pittis

Volunteer Janet Pittis, with her husband Gino and son Domenico

How long have you lived in Bridgeland-Riverside?

My husband Gino and I have been living in Bridgeland since 2023, when we built a new home here. We previously lived in Bridgeland 53 years ago from 1972 to 1976.

How did you get involved in volunteering in our community?

I became interested in volunteering on the BRCA Heritage committee because of the history of Gino's family in Bridgeland. Gino and his family settled in Bridgeland after immigrating to Canada from Italy in 1963. Gino and I built our current home on the land where he and his family lived from 1963 to 1973. My history in Bridgeland began in 1972 after Gino and I were married and moved into the community. Our first son, Domenico, was born here in 1974. My teaching career kept bringing me back to Bridgeland, and I ended up teaching at four schools here. They were Riverside School, Riverside Bungalow, Bridgeland School, and St. Angela.

What kind of volunteer activities have you done?

My first volunteer experience with the Bridgeland Community Association was to help with the ceremony for the official naming of Normie Kwong Park. This experience sparked my interest in telling the stories of sports heroes in Bridgeland.

What ideas do you have for volunteering in the future?

The focus for my volunteer work on the Heritage Committee will be to continue recording the histories of the schools in Bridgeland. I will also have another focus, and that will be to record the stories of Bridgeland Sports Heroes, athletes past and present who have achieved excellence in their chosen sport. I hope to profile them in future newsletters.

What do you like most about volunteering for the Bridgeland-Riverside?

Volunteering in Bridgeland has allowed me to meet so many wonderful and interesting people in our community. I enjoy hearing their stories of living in this special and unique community.

What is a hidden gem in Bridgeland-Riverside that you have discovered?

A hidden gem among many that I have discovered in Bridgeland is the CNIB Fragrant Garden. It is absolutely beautiful, and I love going there whenever I can.

I look forward to hearing more stories and learning more about athletes and schools in Bridgeland. If you have any information to share on these topics, please email me at heritagebrca@gmail.com.

Musical Stamps

In June 2007, Canada Post hit all the right notes by celebrating iconic musicians—Joni Mitchell, Anne Murray, Gordon Lightfoot, and Paul Anka—with their very own stamps! The “Canadian Recording Artists” series showcased striking portraits of each musician, turning mail into mini tributes to Canada’s musical royalty. Snail mail never sounded so good!

Artsy Bridgeland Riverside - A Jane's Walk

by Susan Mullholand, BRCA Beautification Committee member

Jane Jacobs (May 1916 to 25 April 2006) was a Canadian American who advocated for vibrant cities. She highlighted the importance of varied buildings, density, mixed land use, strong local economy, diversity, and cities as ecosystems. Although she had no formal training in urban planning, she had a strong influence in promoting community in both New York City and Toronto. One concept she's best known for is "eyes on the street" (the more people in the streets, the safer they become).

To celebrate Jane, as well as promote vibrant communities:

"Jane's Walk is an annual festival of free, community-led walking conversations inspired by urbanist and writer Jane Jacobs. On the first weekend of May every year, Jane's Walk festivals take place in hundreds of cities around the world. This event encourages people to share stories about their neighbourhoods, discover unseen aspects of their communities, and use walking as a way to connect with their neighbours." (Jane's Walk Calgary Communities, 2025)

This year, there were 73 Jane's Walks in Calgary, with over 2,400 registrants across three days, and I led my first one, Artsy Bridgeland Riverside, on Saturday, May 3 from 1:00 to 2:30 pm. It was a beautiful, sunny, 27°C day with a group of 24 of us who met at the BRCA community hall. Most of the people in the group were visiting from other neighbourhoods, and six were from Bridgeland-Riverside. We walked approximately 15 blocks with 13 art stops and ended at Sparrow Artspace with three artists in residence, Arran and Ashley Mae Johnston and Milo Dlouhy. Although we only walked about one kilometre, we fulfilled a deeper purpose, to connect and share information about the various public art pieces, and, in the spirit of Jane's Walk, to also meet some like-minded folks and build community.

During the walk, we visited public art pieces housed in Bridgeland Riverside: seven large-scale murals done by professional artists, the Wishing Well sculpture, and five community-created and implemented art projects. I shared some background about each creation, as

well as its purpose and impact on the community. For example, My Beautiful Backyard was a community project aimed at adding beauty as well as mitigating an area frequently graffitied. In August 2017, the BRCA Beautification Committee held an event, and a range of locals of all ages (including a dog) took up paint brushes to share what they see in their own beautiful backyards. They painted on ten canvases that are the backside of the St. Matthew Lutheran church parking lot number signs. As an example of impact and success, to date, these signs haven't been the victim of graffiti since they were painted.

I encourage you to learn more about Jane's Walk or consider leading one yourself. Find out more at janeswalk.org and janeswalk.calgarycommunities.com.

You can also join the weekly Bridgeland Walking Group that meets at the BRCA community hall on Tuesdays at 6:45 pm. Or, if you'd like to do some self-guided walks, check out brcacalgary.org/programs/bridgeland-walks/.

CGH Nursing Alumnae Celebrate their 88th Annual Homecoming Banquet

by Deb Lee, BRCA Heritage Committee and CGH Commemoration project

On May 2 of this year, 269 Calgary General Hospital (CGH, or “the General”) nurses gathered to celebrate their School of Nursing and affiliation with the Calgary General Hospital. This year marked the final time that the alumnae group will hold this Homecoming Banquet, but starting in 2026, those able to join will continue to gather at a spring luncheon each May.

Significantly, just under 3,000 nurses completed the three-year program at “the General”, with the first nurse, Marion Moodie, graduating 127 years ago. The School of Nursing closed 51 years ago with the graduation of the final Class of 1974. The bonds, pride in education, caregiving, and service developed during those meaningful years created a sisterhood that has drawn hundreds of Alumnae Members to meet, reminisce and celebrate every year.

The Alumnae was formed in 1936 and over the years contributed significantly to the hospital through fundraising, volunteering in the hospital, and contributing to the community, with and for other groups. Their initiative and dedication to the history of “the General” and the School of Nursing have resulted in an amazing Archival Collection, all initiated and managed by Alumnae volunteers. The Alumnae continues to offer annual bursaries to students in the Nursing Programs at Mount Royal University and the University of Calgary.

The Alumnae members are excited about the Bridgeland-Riverside Community Association’s plans to develop the Calgary General Hospital Commemoration Project in Murdoch Park. They have been strong supporters since we started our project planning and fundraising efforts. They “passed the hat” at this last banquet and raised over \$2,000 toward our project.

Thank you very much CGH Nursing Alumnae, for your service to health care, education, and community over the years and for your generous support to the CGH Commemoration Project.

Backyard Play Safety

by Alberta Health Services, EMS

Emergency Medical Services (EMS) would like to encourage parents and caregivers to ensure their backyard play area(s) is made safe for children. Although direct supervision is the best method to reduce the chance of injury, always ensure play equipment in your yard is in good repair and is suited to the age and skill of the children using it. Check the equipment often; replace or repair any worn or broken parts.

Water Hazards

- Drowning contributes to unintentional injury-related death among young children.
- Children can drown in just a few centimetres of water if it covers their mouth and nose.
- Ensure all backyard swimming pools are fenced. The fence must be at least 1.8 metres* high and have a self-latching, self-closing, lockable gate. (*Alberta Building Code)

Lawn and Garden Tools

- Keep young children away from outdoor power equipment.
- Serious burns may result from touching hot engine surfaces.
- Ensure that all sharp tools, fuel, chemicals, and other hazardous substances are stored in a secure, locked area. A simple latch may not be sufficient.

Insect Bites and Stings

- Minimize the risk of attracting insects by not wearing strong perfumes or scented lotions.
- Avoid wearing brightly coloured clothing outdoors.

- Consider destroying or relocating hives and nests situated near your home.
- To avoid injury through inadvertently stepping on a stinging insect, always wear footwear outdoors.
- If your child has received an 'EpiPen, Junior' prescription from your physician (for anaphylactic reactions only) ensure they understand when and how to use it.
- If your child experiences a severe reaction to an insect sting, or other environmental cause, seek medical attention, or call 9-1-1.

A central white oval containing the text 'HAPPY Father's DAY' and a blue mustache icon. Surrounding this oval are various Father's Day-themed cutouts: a black fedora, a black bow tie, a pair of black-rimmed glasses, a gold 'DAD' sign, a gold 'HAPPY DAY' sign, a black necktie, and a black mustache. Purple and blue streamers are scattered around the collage.

**HAPPY
Father's
DAY**
