YOUR CITY OF CALGARY

Calgary Needs More Homes. Citywide Rezoning Will Help

With the approval of 'Home is Here: The City of Calgary's Housing Strategy', Council directed The City of Calgary to implement actions that will address the housing crisis. One of the proposed actions is citywide rezoning.

We need more homes in all shapes and sizes and in all communities. This will help support Calgary's growth now and for future generations.

From January 29 to March 16, The City held 13 public information sessions and webinars, as well as attended Community Association Open Houses, where participants could learn more and ask questions about Rezoning for Housing. More than 1,200 people attended the City's 13 in person and online sessions.

Have your voice heard by sharing with City Council what you think though our engage portal, by submitting a written comment before noon on April 15 at Calgary.ca/PublicHearing or registering to speak at the Public Hearing of Council on April 22.

Visit Calgary.ca/RezoningForHousing to learn more.

HOUSTON, WE HAVE A PROBLEM

On April 11, 1970, Apollo 13 launched and ran into difficulties days later. But did you know the famous line uttered by Tom Hanks (who plays US astronaut James Lovell) in the 1995 film is wrong! The correct quote uttered by astronaut John Swigert first was "Okay, Houston, we've had a problem here".

Calgary

We're improving the 4th Avenue Flyover

Construction is anticipated to start in April 2024 and be completed late fall 2025. Project benefits include:

- Improving the condition of the flyover, including the addition of streetlights.
- Extending the service life of the flyover by roughly 35 years.
- Improving one critical link in the transportation network to help with Calgary's continued growth in the coming years.

YOUR CITY OF CALGARY

Make Every Drop Count: Collect and Reuse Water with a Rain Barrel

by The City of Calgary

Our region is in a drought, and that's why now, more than ever, every drop counts. With another dry summer expected this year, we all need to do our part to conserve water and use it wisely.

A rain barrel is a great way to capture and reuse any rainwater Mother Nature provides this season. You can use what you collect to water your trees, lawn, and garden – even when outdoor water restrictions are in place.
