## WHAT'S UP AT THE LAKE

Hi Arbour Lake Residents!

We have had an amazing summer at the lake this year; we hope you had the chance to drop by and enjoy all the amazing opportunities the lake has to offer. Everyone had a blast at our Annual Summer BBQ Fundraiser Party! We ate delicious food, danced to live music, got splashed at the dunk tank, and jumped around in the bouncy castles. Thank you to all our sponsors who helped make this event a success!

Daily activities have come to a successful end. We hope residents enjoyed all the different activities that staff worked hard to plan out for everyone. We hope to host them again next year. Be sure to keep an eye on our social media, visit our website, or check out the bulletin boards around the lake to stay in the loop with fall events as they unfold.

We will be starting off the autumn season with our Ken Jones Memorial Fly-Fishing Derby in honour of his dedication to our community and love for fishing. We will be having our annual Movie Night at the Beach on September 22, which is the perfect opportunity to spend time with friends and family and watch the sunset on the beach. Further in the fall, we will be hosting our Halloween Bingo Night and other Halloween festivities.

Since our Senior Craft and Chat program has been quite a success this summer to bring the local senior community together to chat, be creative and make new friends, we will be continuing the program in the fall too! Check out our upcoming events section in this newsletter or on our website for more information.

## Senior Coffee and Tea

Calling all seniors! Start your Tuesday mornings off right with good company at our weekly senior craft and chat from 10:00 am to 12:00 pm. Board games are provided as well for those who aren't big on crafting!

## ALRA VISION AND MISSION STATEMENT

### VISION

Arbour Lake will be the most desirable community that encompasses world class amenities, a sense of welcoming and engaging residents to live the exclusive lake lifestyle.

### MISSION STATEMENT

The Arbour Lake Residents Association is a limited company that was registered under the laws of Alberta on July 19, 1991. The purpose of this company is to care for, and improve upon, the Arbour Lake amenities, with the main focus being a pristine ten-acre lake in the heart of the community.

### ARBOUR LAKE RESIDENTS HALL RENTALS

### COMMUNICATION

We are in the digital age at Arbour Lake Residents Association. Please send an email to [info@arbourlake.com](mailto:info@arbourlake.com) to let us know what your email address is. All future AGM information and billing invoices will be sent to registered members via email, so please confirm your information with us.

## Hall Rentals Basics

### Can I Rent the Hall?

Any person over the age of 21 may rent the hall. The hall can be rented for independent group programs, presentations, and personal events such as birthday parties.

### When Can I Book Hall Rentals?

Hall rentals must be booked at the Lake office. You must come into the lake office to book your rental, as we must go through a rental contract and necessary information with you.

### What Do I Need to Rent the Hall?

You need your photo ID, payment for the hall rental, and a damage deposit cheque for \$400 at the minimum. If you will be having alcohol at your event, you must obtain a liquor license and Party Alcohol Liability Insurance. Proof of these must be given seven days prior to the event.

### Where is More Rental Information?

## Hall Programs

The Arbour Lake Residents Hall hosts various programs through the ALRA as well as through independent groups. Keep busy and connect with others through our various offered programs!

**Child Safe Canada Programs:** Child Safe Canada offers various safety programs at the Arbour Lake Residents Hall. The Programs are offered throughout the year and include "Strangers & Dangers," "Don't Touch! It's my Body," "Home Alone Safety," and "Red Cross Babysitter Program." For more information or to register, please visit [www.childsafecanada.com](http://www.childsafecanada.com).

*If you would like to host your program at the Residents Hall, please email us at [hallrentals@arbourlake.com](mailto:hallrentals@arbourlake.com).*

## UPCOMING EVENTS

### Ken Jones Memorial Fly-Fishing Derby September 2

In honour of Ken Jones who dedicated his time to serving our community as a member of the ALRA board since 2013. In his last five years, he served as president. When he wasn't serving our community, he spent his time out on the water. To appreciate everything he has done for the community, we dedicate this fishing derby to him.

## THE FIRST CANADIAN SATELLITE

On September 29, 1962, Canada became the third country (after the Soviet Union and U.S.) to launch a satellite into space. Named after a popular French song, Alouette-1 was sent to study the ionosphere. It exceeded its expected lifespan of one year, remaining operational for 10 years, and sent millions of groundbreaking data back to Earth.

## Cold Weather at the Lake!

As cooler weather approaches, it is important to remember that the lake is not always warm enough for swimming and boating as the water temperature decreases throughout the fall.

Flagpoles are located around the lake and at the front entrance to indicate if the lake is open for use. Boats and swimming will not be allowed once the water temperature drops below 10°C.

## Watch the Flags!

Red: Full closure – stay off and far away from the water.

Yellow: partial closure – contact the lake office or check the website for updates.

Green: the lake is open for all activities.

Check [www.arbourlake.com](http://www.arbourlake.com), Arbour Lake Residents Association on Facebook, or @arbourlakeresidents on Instagram for updates on lake conditions.

## Lake Hours

Check our website, social media, or call the lake office for updates on lake hours.

### Daily Activities

Everyone had a blast with our Daily Activities this year. Check out these pictures from the sandcastle competitions!

## Fishing is Catch and Release Only!

At this time, only catch and release fishing will be permitted at Arbour Lake, until further notice. There will be no keeping of any fish of any kind or size! This is a result of Alberta Environment and Parks shutting down all fish stocking within the bow river drainage area, of which Arbour Lake is included. Due to whirling disease found in the Bow River and commercial fish culture operations, no fish may be kept. Any fish that cannot be returned to the water, must be surrendered to a staff member.

More information regarding whirling disease can be found at <http://aep.alberta.ca/fish-wildlife/wildlife-disease/whirling-disease/default.aspx>.

### Fishing

- May only be done from the designated fishing docks.
- Hooks must be Barbless and egg hooks are not permitted. No triple hooks are to be used. This ensures the survival of released fish.
- No live bait, corn, bread, minnows, smelts, fish or nets may be used to catch fish.
- Only one rod per resident may be cast at any one time and fishing lines must be attended to at all times.
- Random tackle box, bag and hook checks will be performed to ensure all Rules & Regulations are being followed.

## Eutrophication

Here is some information on how important it is to be careful with how much fertilizer you use on your lawn. When you use too much fertilizer on your lawn, the excess nutrients are carried away by the rain and other forms of irrigation. The nutrients mix with water and find their way into our beautiful lake. These nutrients cause the algae and plants in the water to multiply rapidly, creating an algae bloom. This excessive amount of algae prevents sunlight from reaching the bottom of the lake. The plants lacking sunlight will die at the bottom of the lake where decomposers will use up the oxygen. When a bloom occurs, there is too much organic matter ready to decompose and all the remaining oxygen in the water is used by decomposers to decompose dead plants. This can cause all our fish to suffocate from the lack of oxygen. With your help in preventing the overuse of fertilizer, we can work together to keep the lake healthy and beautiful for all residents to enjoy.

### NOTICE

You CANNOT use live bait, corn, dough, bread, minnows, smelts, fish or nets to catch fish.

You CANNOT use barbed hooks, triple hooks or egg hooks!!!

**CATCH AND RELEASE ONLY**  
**THIS IS FOR ALL FISH OF ALL SIZES AND KINDS!**

Injured fish that cannot be returned to the water, MUST be handed over to a staff member for disposal.

Welcome back to school! If you're a parent like me, you know that September can be a busy but exciting time of year. This month, we're offering tips on preparing for school and launching new projects for your business.

**Catch up on Our Home and Small Business Webinar Series**

Are you looking to renovate your space, but don't know where to start? Maybe you want to start a home business, but all the regulations are making your head spin. Not to worry! We have a library of webinars to help you navigate the permits needed to get your project up and running. New webinar topics will be launching this month, so visit our video series and stay in the know by visiting [calgary.ca/webinar](http://calgary.ca/webinar).

**Tips for Preparing Children for Emergencies**

With kids returning to school, now is the perfect time to review your home emergency preparedness plan so that your family is ready for anything. As parents, there are lots of things that we can do to prepare our little ones and keep them safe. Here are four key steps that we can all take to help prepare for an emergency:

1. Talk to your kids about disaster risks in Calgary.
2. Include them in your household's emergency planning.
3. Look for opportunities to learn more about emergency preparedness.
4. As a family, walk through how to prepare your home for an emergency.

The Ready Squad e-course was designed to teach kids about Calgary's disaster and emergency risks, how they can prepare, and how to stay safe during an emergency. Children can also download the Junior Weather Forecaster's Challenge – a fun and creative way for everyone to learn more about the weather and its effects in Calgary.

Visit [calgary.ca/ReadySquad](http://calgary.ca/ReadySquad) to find out more.

Let's keep in touch! You can contact my office at [Ward2@calgary.ca](mailto:Ward2@calgary.ca).

The parliamentary session is on break until mid-September. I enjoy spending summertime in Calgary where I see many people at community events. Thanks to the local organizations for inviting me to participate, I had fun serving breakfast and engaging in conversations about issues that matter to you.

The current government continues to add fuel to the inflationary fire by increasing the carbon tax which raises the price of just about everything. On July 1, a second carbon tax called the Clean Fuel Regulations came into effect. These regulations will cause the cost of fuel to increase. There's no rebate for this new tax.

According to the Parliamentary Budget Officer, the tax will hit lower income families hardest, because people with lower incomes spend a higher proportion of income on necessities like home heating, transportation, and transported goods (such as food), making it a regressive measure.

There are better, more effective ways to reduce emissions than a tax plan, including Carbon Capture, Utilization and Storage (CCUS), hydrogen, nuclear, new emissions control technologies, and globally replacing coal with responsibly produced Canadian resources.

A Conservative government would repeal both carbon taxes and focus on better technology and displacing higher foreign emissions to meet Canada's global responsibilities.

Constituents are welcome to contact me with concerns related to federal policy. Feedback from constituents is critical and helps me know what constituents think about matters under federal jurisdiction.

If you are experiencing a delay in government services, and your application has passed the current processing time, my staff may be able to assist. The service standards vary over time, particularly for immigration-related applications, so please check processing times online.

It remains my honour to represent you at the House of Commons as your Member of Parliament.

*Pat Kelly*
