WHAT'S UP AT THE LAKE

Happy New Year, Arbour Lake Residents!

We had a phenomenal 2023 season, and we are incredibly excited about 2024. Our winter pots this year look spectacular, and we had a wonderful light display for the holiday season. We have our flowers all picked out for the summer and we have many more events that we are excited to hold! We are looking forward to a great year and can't wait to have you all join us at the lake. The ALRA wishes you a happy and safe winter season! Stay updated on what is going on at the lake by checking out our website and social media, @ArbourLakeResidentsAssociation on Instagram and Facebook.

Arbour Lake Light Display and Winter Pots

This season, we've had some beautiful winter pots on display made by our staff! We hope that you enjoy the fabulous light display that the lake staff worked so hard at putting up! The lights will be on until early January. On another note, please be on the lookout and report anyone vandalizing the lights.

VISION

Arbour Lake will be the most desirable community that encompasses world class amenities, a sense of welcoming and engaging residents to live the exclusive lake lifestyle.

MISSION STATEMENT

The Arbour Lake Residents Association is a limited company that was registered under the laws of Alberta on July 19, 1991. The purpose of this company is to care for, and improve upon, the Arbour Lake amenities, with the main focus being a pristine ten-acre lake in the heart of the community.

COMMUNICATION

We are in the digital age at Arbour Lake Residents Association. Please send an email to info@arbourlake.com to let us know what your email address is. All future AGM information and billing invoices will be sent to registered members via email, so please confirm your information with us.

Hall Rentals Basics

Can I Rent the Hall?

Any person over the age of 21 may rent the hall. The hall can be rented for independent group programs, presentations, and personal events such as birthday parties.

When Can I Book Hall Rentals?

Hall rentals must be booked at the Lake office. You must come into the lake office to book your rental, as we must go through a rental contract and necessary information with you.

What Do I Need to Rent the Hall?

You need your photo ID, payment for the hall rental, and a damage deposit cheque for \$400 at the minimum. If you will be having alcohol at your event, you must obtain a liquor license and Party Alcohol Liability Insurance. Proof of these must be given seven days prior to the event.

Where is More Rental Information?

Website: www.arbourlake.com

Email: hallrentals@arbourlake.com

Phone: 403-241-2628

Hall Programs

The Arbour Lake Residents Hall hosts various programs through the ALRA, as well as through independent groups. Keep busy and connect with others through our various offered programs!

Child Safe Canada Programs: Child Safe Canada offers various safety programs at the Arbour Lake Residents Hall. The programs are offered throughout the year and include "Strangers & Dangers," "Don't Touch! It's my Body," "Home Alone Safety," and the "Red Cross Babysitter Program." For more information or to register, please visit www.childsafecanada.com.

If you would like to host your program at the Residents Hall, please email us at hallrentals@arbourlake.com.

Lake Fees

2024 Fees are due and, as of January 1, have begun accumulating interest. These fees can be paid at the lake office by cash, cheque, debit, Visa, or Mastercard (there will not be additional charges if you pay by credit card). You can also pay through your online banking using the external reference number noted on your invoice. If you have not received your invoice or have any questions, contact the lake office. Please be advised that this fee is mandatory, and you cannot opt out of paying it. If your fees are left unpaid, interest will continue accumulating on the overdue balance at a rate of 18% per annum, compounded monthly, so be sure to get your payment in soon!

Lake Hours

The lake hours are dependent on weather and ice conditions. Check our website, social media, or contact the lake office for updates on lake hours.

Ice at the Lake

Hopefully, the January weather will cooperate so that we can get as much out of our winter season as possible. Remember that we are dealing with Mother Nature, and there may be times when we need to close the ice for maintenance or because of unsafe weather conditions. The lake will be open on natural ice when ice depths measure between 10" and 15" and the Olympia Zamboni will be used once all test locations reach a minimum depth of 15". Please do not throw rocks onto the ice surface. Not only can the rocks damage the Olympia, but they also can create holes in the ice when the sun is out, making the surface extremely unsafe. If the rinks are unsafe, that means no skating.

What Do the Flags Mean?

Flagpoles are located around the lake and at the front entrance, which indicate ice conditions as follows: Red Flag = Full closure. Stay far away from the ice. Yellow Flag = Partial closure. Contact the lake office or check the website for updates. Green flag = Open for all winter activities. Check www.arbourlake.com, Arbour Lake Residents Association on Facebook, or @arbourlakeresidents on Instagram for updates on lake conditions.

General Rules - "Helmets Rule at Arbour Lake"

- All skaters under the age of 18 must wear a helmet while on the ice at Arbour Lake.
- Anyone playing hockey must wear a helmet. No exceptions.
- Hockey sticks and pucks are only permitted on the designated hockey rinks.
- Ice fishing holes will be drilled by lake staff only. Personal augers are not permitted.

Winter Programs Begin!

Our instructors are looking forward to the start of winter programs! To everyone who registered for winter programs, you are reminded that helmets are mandatory for all participants, parents are to remain at the lake during their child's skating lesson, and no refunds will be issued for classes cancelled, as a makeup class will be scheduled by the instructor instead.

Happy New Year Residents of Calgary-Foothills!

I hope you enjoyed a safe and healthy holiday season! I am kicking off the new year in Calgary before heading to the provincial legislature in Edmonton. January/February is a great time to book a meeting with me to share your thoughts about our government or an issue you care about. I will be hosting “Coffees with Court” from January 12 to February 23 on Fridays from 9:00 to 11:00 am at Good Earth Coffee House (31 Crowfoot Terrace NW). Please drop by or email Calgary.foothills@assembly.ab.ca to sign up!

My priorities remain the same – to represent and serve you and your neighbours, amplify your voice, and highlight the issues that concern our community. Top of my list continues to be advocating for the construction of local schools and ensuring adequate funding for the schools we have. I am also concerned about upcoming healthcare changes, and the fact that the government has not provided enough investment into attracting more doctors, healthcare, and frontline workers to reduce our wait times and surgery backlog. I'm continuing to promote Calgary's tech ecosystem to grow our economy and am calling on the government to repeal the renewable energy ban that put \$33 billion of projects at risk. We must prioritize ways to attract investment while also protecting our environment.

Finally, I continue to hear from folks concerned about the removal of their CPP. Please join me on January 23 from 6:30 to 8:00 pm for a Pension Town Hall at Dalhousie Community Association (5432 Dalhart Road NW) to share your thoughts. RSVP at tinyurl.com/pensioentownhall.

A reminder that you can keep up with my work by following me on social media @CourtEllingson. Don't hesitate to contact Calgary.foothills@assembly.ab.ca to volunteer or to learn how your MLA can support you!

Explore Calgary Parks This Winter

Winter makes it possible to enjoy Calgary parks in a different way than any other season. Many winter activities are also free with minimal equipment needed. In winter you can skate on outdoor rinks, marvel at beautifully lit ice trails, play Crokicurl, and ride an ice bike in Calgary’s parks. You could also plan an afternoon at your local community park snowshoeing or cross-country skiing. For easier skiing, visit a park or golf course that has groomed cross-country trails.

Enjoy Calgary’s many pathways by taking a walk on a sunny winter day. Keep a list of all the birds and other wildlife you spot. You can also pre-book an outdoor firepit at a park and have a winter picnic with friends. For more ideas about how to stay active during cooler temperatures at city parks, visit www.calgary.ca/events/winter-city/activities.html.

Experience the Magic of Chinook Blast

Calgary’s ultimate winter festival returns February 2 to 19, 2024. This year’s event will warm up our city with a celebration of community, culture, and civic pride, where the best of Calgary’s art, music, theatre, sport, and recreation will be on display.

For the past three winters, Chinook Blast has captivated Calgarians and visitors by bringing downtown Calgary to life with an incredible lineup of activities and performances to help you beat the winter blues. This year will again feature a sizzling lineup of art installations, live music, thrilling winter sports, local markets, live shows, and so much more.

Get ready to experience the magic as we transform the city into a winter wonderland. Mark your calendars and follow Chinook Blast on social media or at chinookblast.ca for the latest updates. It’s going to be a winter extravaganza like no other!

I hope everyone had a Merry Christmas and a Happy New Year!

In November, I visited the Field of Crosses and attended the Youth Day Sunset Ceremony. I also spoke and laid a wreath at the Bowness Legion’s Remembrance Day ceremony where we honoured those who served, those who continue to serve, and the fallen.

The October 7 attack by the terrorist group Hamas on Israel shocked the world. Many constituents have contacted me with their views, including some who have said that they fear that they will be targeted for their faith here in Calgary. My full statement can be found at patkellymp.ca.

Many Calgarians are struggling with the high cost of living. The federal carbon tax has increased the cost of gas, groceries, and home heating. When the federal government announced that they will remove the carbon tax from home heating in Atlantic Canada, I repeatedly asked the government to apply the removal to all forms of home heating and all Canadians. I have and will continue to be a vocal opponent of the carbon tax, particularly as it applies to home heating and other necessities of life.

This winter, I have also repeatedly raised the issue of affordability and home ownership. I have asked the government to address rising interest rates and inflation. Many Calgarians are concerned that high interest rates will make their homes unaffordable when their mortgage comes up for renewal, while others cannot afford rent increases and believe they will never be able to own a home. I have called on the government to reduce the taxes and deficits that drive inflation which has triggered higher interest rates.

Constituents are welcome to contact me with concerns related to federal policy. Feedback from constituents is critical and helps me know what constituents think about matters under federal jurisdiction.

It remains my honour to represent you at the House of Commons as your Member of Parliament.

Fishing is Catch and Release Only!

At this time, only catch and release fishing will be permitted at Arbour Lake, until further notice. There will be no keeping of any fish of any kind or size! This is a result of Alberta Environment and Parks shutting down all fish stocking within the bow river drainage area, of which Arbour Lake is included. Due to whirling disease found in the Bow River and commercial fish culture operations, no fish may be kept. Any fish that cannot be returned to the water, must be surrendered to a staff member.

More information regarding whirling disease can be found at <http://aep.alberta.ca/fish-wildlife/wildlife-disease/whirling-disease/default.aspx>.

Fishing

- May only be done from the designated fishing docks.
- Hooks must be Barbless and egg hooks are not permitted. No triple hooks are to be used. This ensures the survival of released fish.
- No live bait, corn, bread, minnows, smelts, fish or nets may be used to catch fish.
- Only one rod per resident may be cast at any one time and fishing lines must be attended to at all times.
- Random tackle box, bag and hook checks will be performed to ensure all Rules & Regulations are being followed.

NOTICE

You CANNOT use live bait, corn, dough, bread, minnows, smelts, fish or nets to catch fish.

You CANNOT use barbed hooks, triple hooks or egg hooks!!!

CATCH AND RELEASE ONLY
THIS IS FOR ALL FISH OF ALL SIZES AND KINDS!

Injured fish that cannot be returned to the water, MUST be handed over to a staff member for disposal.

Eutrophication

Here is some information on how important it is to be careful with how much fertilizer you use on your lawn. When you use too much fertilizer on your lawn, the excess nutrients are carried away by the rain and other forms or irrigation. The nutrients mix with water and find their way into our beautiful lake. These nutrients cause the algae and plants in the water to multiply rapidly, creating an algae bloom. This excessive amount of algae prevents sunlight from reaching the bottom of the lake. The plants lacking sunlight will die at the bottom of the lake where decomposers will use up the oxygen. When a bloom occurs, there is too much organic matter ready to decompose and all the remaining oxygen in the water is used by decomposers to decompose dead plants. This can cause all our fish to suffocate from the lack of oxygen. With your help in preventing the overuse of fertilizer, we can work together to keep the lake healthy and beautiful for all residents to enjoy.
