2025 LEGO CHALLENGE

Theme: My future city

Nov 15th 1-4pm, CHCA Community Hall

CONTEST DETAILS ONLINE
WWW.CAMBRIANHEIGHTSCOMMUNITY.COM

CAMBRIAN HEIGHTS' PRESIDENT'S MESSAGE

Cambrian Heights once again provided free pumpkins to residents and those in surrounding communities on October 25. Another family event is planned for November with our Annual Lego Contest scheduled for November 25. Details are provided on a poster in this issue. Our annual wreath-making event is also tentatively scheduled for December 5. Details for all these events will be published on our website (cambrianheightscommunity.com) and through our social media platforms.

This summer's Cambrian Heights Farmers Market concluded on October 7 and was a wonderful addition to the community and surrounding areas. We are currently looking into having a Winter Market starting on Saturdays in late January if we can contract sufficient vendors. Watch for an announcement with details later this year. The Community Association looks forward to planning social events during 2026 including our annual Polar Party. We welcome new ideas and always encourage residents to volunteer some of their time to make these events possible. For information on volunteering, please contact us at social@cambrianheightscommunity.com.

We wish to give a special thank you to Karen Knapik and Geoff Burrows for their summer volunteer work, especially their efforts tending to the flower beds and general area of the park boarding Northmount and Cambrian Drives that serves as a signature entrance way into our community.

Speaking of volunteering, Cambrian Heights continues to support two outdoor ice surfaces behind the Community Hall through the winter months. The rink coordinator Brent Else, works hard with his team to

ensure the highest quality of the ice surfaces. That work is made easier with a team of volunteers. If you can spare some time this winter to help out, please contact Brent at belse@ucalgary.ca.

With the Municipal elections completed we have a new set of Ward councillors and a mayor with a defined agenda from the well contested election. Whether your Ward candidate won or lost we encourage everyone to build an awareness of where your councillor stands on issues impacting our community, and ultimately the City direction with key issues of housing, services, and tax rates.

Your community association remains in search of a resident volunteer to assume the job of Treasurer. It is a very important but well-defined position thanks to the organization and systems that has been established over the last ten years. It further provides an opportunity to give back to your fellow Cambrian Heights residents and a chance to meet new people and shape the direction and activities of the community. If you would like more information, please contact us at cambrianheights@gmail.com.

A new website is in the design and development phase that will enhance its use as a community informational asset. We continue to encourage residents to register their email addresses on the website to receive bulletins dealing with the community.

What do "The Persistence of Memory" and the Chupa Chups logo have in common? Well, they were both created by surrealist Salvador Dalí! Asked by founder Enric Bernat to improve the candy wrapper, Dalí sketched the now-iconic daisy-shaped logo in a café on a piece of newspaper.

This is also the time that you have the ability to vote on the Rosemont Executive Board (President, VP, Treasurer, Secretary) so please come and voice your support of the direction for Rosemont CA this upcoming year. The AGM is in-person this year and we need you to RSVP at RosemontYYC.com/AGM. Happy November, Calgary-Klein!

While the last month has seen cooler temperatures, connecting with all of you in community is what warms my heart. I have thoroughly enjoyed visiting seniors, schools, attending community AGMs, and chatting with many of you on the doorsteps! Over Thanksgiving I reflected on what I am grateful for as a second generation Canadian, and public education stands out!

Calgary-Klein is home to 37 schools and I'm lucky to have attended Collingwood and Colonel Irvine schools back in the 1900s! The eighties to be exact. Our teachers then and now are committed when it comes to educating, welcoming, and building up our kids.

At the time of writing, our teachers are on strike. Over 700,000 students are affected and not attending classes. Over the last few weeks, I have had heart-to-heart chats with teachers, principals, parents, and students (one in the fourth grade)! I have also received thousands of emails – we know education is top of mind for everyone and that there is widespread support for teachers to get a fair deal.

Sadly, Alberta has the lowest per-student funding for public education in the country. I have heard stories of overcrowded classrooms, buildings in disrepair, inadequate resources, and insufficient supports for both students and staff. Investing in public education is how we build a successful province; I hope that by the time you read this our teachers have a deal that respects their contributions and provides better learning conditions for our students.

As always, I want to hear from you! Our office is here to serve, and we will do our best to answer your questions and provide resources where possible. You can follow me on social media platforms @lizettendp. We'll see you out there!

Please email us at Calgary.klein@assembly.ab.ca or call 403-216-5430.
