Natural parkland is green space with a (relatively) low level of maintenance and natural or naturalizing vegetation. Natural areas are accessible (by trail networks) or have limited/little public access. A master plan deals with current and future needs by population for park/greenspace. The Municipal Protected Areas Program demonstrates how biodiversity will be protected, conservation lands connected, and how Canadians will gain an appreciation for local nature. A Municipal Eco Toolkit by the Miistakis Institute for Alberta municipalities will help maintain their natural infrastructure systems (municipal30x30.ca).

Nature Canada is building a web of partners to help Canada achieve its biodiversity conservation goals to protect 30% of land, water, and marine areas by 2030. As of 2022, Canada has only protected 13.7% of land. The Canadian City Parks Report surveyed 35 Canadian municipalities, 2,500+ residents of Canadian cities, as well as park staff and other professionals across the country. One-third of cities said addressing federal biodiversity and land protection goals are a high priority. When 81% of Canadians are living in urban areas, protecting land in urban areas is vital. Cities are in dire need of new space for parks. Park budgets are not keeping pace. Partnerships are critical when cities need policies and structures. Park issues are increasing and require more training and collaborations. Departmental structures can promote collaboration or disconnection. Some residents feel disempowered but still want to engage. Mental and physical health benefits are key although there is a lack of programs. There are nine case studies in the 2024 Report which includes analysis of key data from surveys of both municipal staff and residents of Canadian cities, for new and ongoing issues facing parks, and how to help city staff make better decisions about programs, policies, and funding. Read more at parkpeople.ca.

4-H ALBERTA

December was very calm as Christmas was coming up. But to end 2024, we went on a trip to the Ferrari dealership. We learned the history of Ferraris and got to see the many different models and colours they had in the dealership.

That was the end of 4-H 2024. Happy Holidays everyone!

Leap Year

There are two boxes that must be checked off for a year to be a Leap Year. First, it must be divisible by four; second, it will not be divisible by 100 unless it's also divisible by 400. 2025 does not check off these boxes, but you can still look forward to it because the next Leap Year will be February 29, 2028!

PRESIDENT'S MESSAGE

Did you know that there are many benefits of connectedness?

Research shows us that loneliness is on the rise, and that a lack of human connection can be more harmful to your health than obesity, smoking, and high blood pressure.

Staying connected to others creates feelings of belonging and being loved, cared for, and valued. Social connections are important to our mental and physical health. Being connected to others helps protect against serious illness and disease.

The Citadel Community Association is here to help you feel connected. We bring you programs and events where you can socialize with others and help you feel connected to your community. We host children's events such as our Easter, Halloween, and Christmas Kids' carnivals. We host Senior's events, and our biggest event of the year will be our Stampede Breakfast in July. All these events are posted on our website at www.citadelca.ab.ca/CCA/ so please keep an eye on this site to learn about our upcoming events.

February is all about celebrating community and embracing the best of Calgary’s winter season. From lending a hand as a Snow Angel to enjoying the vibrant festivities of Chinook Blast, there’s no shortage of ways to connect, support, and enjoy what makes our city so special. Read on for all the details and get involved!

Become a Snow Angel

Being a Snow Angel is simple—just adopt a sidewalk and keep it clear of snow! Keep an eye out for neighbours who may need a hand, like older adults, those with limited mobility, or anyone temporarily unable to shovel. By lending a helping hand, you’re making your community safer and more connected.

The City recognizes these everyday heroes with printed certificates during the annual Snow Angels campaign, which runs from December to mid-April. If you know someone who deserves to be celebrated for their kindness, don’t forget to nominate them! Visit calgary.ca/volunteer/snow-angels to learn more.

Chinook Blast, January 31 to February 17

February is here, and with it comes Chinook Blast, Calgary’s iconic winter celebration! From now until February 17, this vibrant festival will light up the city with world-class entertainment, cultural experiences, and free outdoor programming for all ages. This year, while Olympic Plaza undergoes construction, the festival’s core activities will take place at Stephen Avenue and The Confluence, with additional events happening throughout Calgary. Whether you’re exploring stunning light installations, enjoying live music, or taking in the city’s unique cultural offerings, Chinook Blast is a chance to embrace the magic of winter and celebrate the best of Calgary. For schedules and updates, visit the Chinook Blast website at www.chinookblast.ca.

As always, my office is open if you have any questions or concerns. You can reach us at Ward2@calgary.ca. I look forward to hearing from you soon.
