Across North America vast herds of bison destroyed woody plants in the area by horning, rubbing, and feeding on bark. Males made their mark during "rutting" (mating season). Trees are not naturally part of our vegetation in a tallgrass prairie landscape, due to risks from severe weather events, drought, insects, diseases, and climate change. Calgary has trees on both public and private lands, in parks, natural areas, and green spaces. However, 77% of the urban canopy is on private land. A Guide for Plant Appraisal estimates our urban forest on public land is valued at \$1.3 billion. The urban forest is aging, and other trees are lost to development. Planting 3,500 trees per year will maintain the status quo. The plan is to plant another 4,000 trees per year by 2060.

The City owns and offers Calgary Open Data, Enter your address to view City trees and zoom in to the neighbourhood level. A mobile device near a tree will pan to your location. Rank trees by The Alberta Tree Species Rating Guide. Reporting a City tree? You can now use the 3-1-1 Mobile App. Ask about a young tree that needs help, a mature tree, or a Heritage Tree. On your property, you may need a permit to remove a tree. Where a tree once was may be a good spot to plant a new one. Enjoy YYC Trees Guided Walks. In-person workshops and online programs are Pruning Q and A, Keep Your Tree Happy and Healthy, and Pest and Disease Treatment. Information sessions are 1.5 hours long. Urban Forestry Technicians offer advice. Space is limited. Register for one session only, since the content at each will be the same. For locations and dates check out http://www.calgary.ca/ parks/trees/education-workshops.html.

### PRESIDENT'S MESSAGE

Hello Hawkwood!

I always enjoy the increasing daylight hours in March and look forward to that feeling of waking up from hibernation as the temperature rises. Although we will welcome the first day of spring on March 20, the rinks at the Hawkwood Community Park will be open if cooler temperatures prevail, so be sure to enjoy them while you can!

I recently came across an article about the epidemic of loneliness that developed over the past five years, beginning with the pandemic. Even several years after the lockdowns, it seems many people are reluctant to leave their homes, and this has had the unfortunate side effect of increasing levels of depression and social anxiety. Dr. Kate Mulligan, an assistant professor of public health at the University of Toronto, has founded the Canadian Institute for Social Prescribing to address loneliness and isolation. A key element to her work is to prescribe patients with social activities (visiting parks or museums, doing an activity with a friend) as her research has found that community interactions lead to better health outcomes.

As a board member with the HCA, this research resonated with me and happens to align with our Association's goal to build a stronger community by creating connections through recreational, social, and cultural programs and events. The HCA is always working on building new programs and offering more opportunities, and I invite our members and Hawkwood residents to keep up to date on what we offer over the year.

As the warm weather returns, I would like to acknowledge and thank the Rink Maintenance team for their tireless efforts to make ice for the community this past winter. Please be sure to thank the team if you see them out on the rinks!

Please send me an email at president@hawkwoodca. com if you have any questions, comments, or want to learn more about the HCA.

In gratitude and kindness,

Michele del Valle

### PRESIDENT'S MESSAGE

It's hard to believe that the hall in Citadel is five years old! There was a lot of blood, sweat, and tears that went into the planning and construction of the hall, and we are especially thankful to David Cox, Ilzett Thomson, Heather Mackay, Graham Farquhart, James Simpson, and Francois Beauregard. Construction of the hall was completed in 2020; however, we were unable to host a grand opening event due to the COVID restrictions.

We've come a long way since then and we want to celebrate the five-year anniversary of our hall on March 29 from 1:00 to 3:00 pm. We will serve coffee and cake. You can come out to talk to our board members. We'll also have a table where you can sign up to volunteer at some of the events we're hosting throughout the year.

Speaking of volunteers, if you can't make it out on March 29, and would still like to volunteer with the CCA, please reach out to volunteer@citadelca.ab.ca.
