## PRESIDENT'S MESSAGE

Hello Hawkwood!

As the weather warms up, it is always great to see the community come alive as we get outside and enjoy our walks around Hawkwood. Many of us also enjoy exploring the neighbourhood with our furry family and spring is a good time of year to review how being a responsible pet owner contributes to our great community.

To find out more about The City of Calgary's pet regulations, you can search the Responsible Pet Ownership Bylaw. From a community perspective, however, here are some things to keep in mind:

We are servants to our pets: It's true! Humans who welcome a furry family member into their home sign-up for cleaning up after their pets on daily walks. If you have the urge to walk on without picking up what your dog has deposited, please stop and look into your puppy's eyes – I know I couldn't live with myself, knowing I disappointed them!

Leashes are like seatbelts for pets: Daily walks are so unpredictable...so many smells, kids on bikes, loud cars driving by, other dogs on the same path with their humans who think they're all that! Be a good human and protect your pet by keeping them on a leash. Oh, by the way, school grounds, parks, and sports fields are very unpredictable places for dogs and must be avoided on daily walks at all costs.

Dogs have lifetime memberships to their own exclusive clubs: There are places in Hawkwood and all over the city where dogs can let loose, run as free as the wind, and maybe make eyes at that cute pup along the path. Check out all the off-leash areas to explore and enjoy at <https://maps.calgary.ca/OffLeashAreas/>.

Help your wayward pet find their way home: Sometimes pets just need a break from their humans and sneak out of the house or yard. Please make sure your pets are licensed so they can be returned home quickly if lost. To report a lost pet, call 3-1-1. If you find a lost pet, contact the City of Calgary Animal Services Centre or, if after hours, the closest veterinary clinic.

Now, I'll admit I have no future as a comedian, but I hope my attempt at presenting what can be a frustrating subject in a lighthearted way will encourage all of us to work together in building a great community for all

human and furry members. Personally, my household is ruled by a cat, so I definitely know my place!

Please send me an email at [president@hawkwoodca.com](mailto:president@hawkwoodca.com) if you have any questions, comments, or want to learn more about the HCA.

In gratitude and kindness,

*Michele del Valle*

## Upcoming Events in Hawkwood

### Neighbour Day – June 21, 2025

Come celebrate Neighbour Day with us! We will be hosting our incredible family-friendly event in the Hawkwood Park again this year, and we can't wait to see everyone there!

We need volunteers! Please sign up on Communal - scan the volunteer QR code!

### Pickleball

The pickleball season is here, and our Pickleball Club is up and running again this year! We have changed a few aspects, such as registering for each drop-in session through Communal, leveled play, and streamlined times, to make it more fun for everyone involved! \$30 gets you five drop-in open play sessions a week, with dedicated court time. Open to all levels of play, from beginner to advanced! Check it out on Communal - scan the programs QR code!

### Playgroup

Kids, bring your favourite tall person and come explore the natural world at our Hawkwood Community Park this spring!

Nature playgroup encourages kids' love of the outdoors in all weather while offering parents and caregivers a way to connect! Aimed at ages one to six, but all are welcome. Dress for the weather, we will meet in in most weather (excluding heavy rain, snow, or cold) as long as the temperature is above -10C with windchill.

The playgroup requires an HCA membership and costs \$5 per week per family. Scan the programs QR code for more information.

### What to expect:

A low-structure, low demand program - perfect for kids who want to learn and explore in their own way. The host will offer some invitations to play that kids can participate in at their leisure such as large play equipment, digging tools, etc. Otherwise, they are free to explore the park with parents, caregivers, and new friends!

### Later Events

Our annual Parade of Garage Sales and Community Cleanup events are coming up on July 5 and July 12, respectively. Stay tuned for more information or visit our Get Communal site at hawkwoodca.getcommunal.com.

## News from the Friends of Nose Hill

by Anne Burke

We were contacted about restoration work at Nose Hill. Alberta Native Plant Rescue has some native grasses they've rescued from development sites around Calgary and can plant them out. Past stewardship projects were in Fish Creek Park and Cochrane area. Native species are popular but are at increasing risk from invasive species (weeds) and land development. This Volunteer Group gathers a variety of native grasses and rare plants, then safely relocates them. Some are rough fescue grass, the Prairie sage, blanket flower, blazing star, yarrow, and more. When the native grassland restoration project involves sharing seedlings with the public, participants should bring clean tools and be dressed appropriately.

This year's World Migratory Bird Day theme, Shared Spaces: Creating Bird-friendly Cities and Communities, highlights the urgent need for urban planning and protecting birds. It's time to rally our community and Calgary is certified as bird friendly. Saturday, May 10 marks peak spring migration in Canada. Every action counts to help save bird lives. <https://www.birdday.ca/>.

Nature Alberta is the coordinator of Important Bird and Biodiversity Areas (IBAs) for Habitat Stewardship, enlisting community and government support. National partners include Birds Canada and Nature Canada. The program was initiated in the 1980s by BirdLife International. Nature Alberta is responsible for recruiting volunteer caretakers who collect bird data; they conduct at least one bird count per year (preferably during migration) and submit the results to eBird Canada. Some other duties are conducting site assessments, restoring habitat, raising awareness, and advocacy efforts. There are currently over 600 IBAs across Canada, including 48 in Alberta all viewable on a Google map. An online directory tracks locations, birds, habitats, threats, and conservation issues. You can access the database, interactive maps, desktop tools, and downloadable PDF maps at <https://naturealberta.ca/habitat-stewardship/>.

## PRESIDENT’S MESSAGE

As we step into May, it’s the perfect time to reflect on our health and well-being. One of the simplest and most effective ways to improve both our physical and mental health is by moving more. Whether you’re an avid exerciser or just starting out, every step counts.

Regular physical activity boosts mood, reduces stress, and improves sleep — leading to better overall health. Just 150 minutes of moderate exercise each week, including stretching and weightlifting, can make a significant difference.

Simple changes like parking further away or taking the stairs can add up. Did you know that walking an extra hour each day can increase your life expectancy by six hours? While higher-intensity exercise brings even more benefits, the greatest improvements come from simply moving more.

Let’s challenge ourselves to move more this May, whether it’s a walk, a hike, or just stretching during the day. Your body — and mind — will thank you.

**Citadel Community Association Upcoming Events for May and June:**

- May 31: Citadel Spring Fling Market
- June 14: Seniors Lunch
- June 21 and 22: Citadel Parade of Garage Sales

Warm Regards,

*Stephanie Christensen*
