We're improving the 4th Avenue Flyover

Construction is anticipated to start in April 2024 and be completed late fall 2025. Project benefits include:

- Improving the condition of the flyover, including the addition of streetlights.
- Extending the service life of the flyover by roughly 35 years.
- Improving one critical link in the transportation network to help with Calgary's continued growth in the coming years.

MEMBERSHIP DIRECTOR'S REPORT

Are you a Crescent Heights resident and not a member of the CHCA?

Can you help us better understand memberships?

If you feel inclined, please answer the two questions below.

The CHCA's mandate is to provide services and programs to the residents of Crescent Heights, as well as to act as the unofficial community representative to the City of Calgary. The CHCA is regulated by the Societies Act of Alberta, is accountable to the City of Calgary, and is required to have members approve its actions and activities. To grow and maintain the pool of members, we need to know why residents become or do not become members of the CHCA. Memberships can be purchased on the CHCA website.

Our questions are: 1. Why have you not become a member of the CHCA? and 2. What would encourage you to become a member? Please reply to memberships@crescentheightsyyc.ca.

Thank you to those CHCA members who have already responded to our email survey on why you chose to become a member of the CHCA. Your responses are very helpful in understanding membership.

Thank you.

PRESIDENT'S MESSAGE

Happy spring!

Spring is here, and it's time to get out and about to enjoy some of the warmer weather and all that our community has to offer.

If you haven't already done so, be sure to take a stroll through Rotary Park this month to take in the Mini Galleries exhibition, 'Animating Imagination: A Stop Motion Puppetry Showcase', which will run until April 30.

We also have our casino this month on April 14 and 15 and we still have a few spots to fill. To volunteer, email us at casino2024@crescentheightsyyc.ca.

Be sure to mark May 4 on your calendar – it's going to be an activity-filled day! The McHugh Bluff Cleanup will be taking place starting at 9:30 am that morning. It's an opportunity to get out to enjoy some fresh air and the company of neighbours you haven't seen during the cold winter months.

Also on that day, the next Mini Galleries exhibit will have its opening and artist walk starting at 1:00 pm. Be sure to stop by Rotary Park for the festivities.

If that's not enough, the CHCA is hosting a Heritage Celebration event on May 4 as well. You can join Jane's Walk in the morning to take a guided walk through the community learning about our heritage homes and landmarks, and in the afternoon, you can stroll over to the community centre for the main event. An art exhibit from local artist, Jackie Ramsay will be on display – it's her *100 Storeys* exhibit featuring paintings of one hundred character and heritage homes from Crescent Heights. Jackie, who has been a long-time resident of our community, conveys her passion for our community and its heritage through this unique exhibit. Be sure to join us – maybe your house is one of them!

See you out and about!

CHCA Citywide Rezoning Questionnaire Results

What is your opinion of the City of Calgary Citywide Rezoning proposal?

The CHCA Planning Committee reached out to our residents with a questionnaire that ran from February 15 to March 4 to gauge our resident response to the City's proposed Citywide Rezoning. Thank you to the 82 residents who took the time to respond and share their opinions. We continue to encourage our residents to share their thoughts with the City through attending the April 22 Public Hearing or by submitting comments through the public submissions form at <https://forms.calgary.ca/content/forms/af/public/public/public-submission-to-city-clerks.html>.

The questionnaire provided us with the following results:

- 82% of respondents had received the postcard informing them of this proposed initiative.
- 45% found the City's Engage portal provided them with the necessary information for them to formulate an opinion on the initiative while 31.3% said it did not.
- 48.1% oppose the citywide rezoning while 33.3% support it. (See Figure 1).
- 45.7% felt the matter should be dealt with as a plebiscite vs. 40.7% as a Public Hearing (with 13.6% having no opinion).

Respondents were split on how our committee could be most effective, with the top recommendation (62.3%) being to provide information through The View, and the bottom (51.9%) to provide information through social media.

Let's keep Crescent Heights walkable!

Let's all be good neighbours and help keep our sidewalks safe for all as we get deep into our winter season! This is especially helpful to elderly people, those with limited mobility and anyone else needing a little help.

Here are a few tips to keep in mind:

- Clear the snow as quickly as possible after a snowfall so that it doesn't get packed down
- If you're adjacent to a lane, clear the snow across the lane
- Salt is hard on puppy paws and the environment, so use sparingly
- Help clear your neighbour's sidewalk when they're not able, or just because

BOOK REVIEW BY JUDITH UMBACH

The Shadow King by Maaza Mengiste

History is usually written by the victors. In 1935, Italy under Mussolini invaded Ethiopia in an aggressive war intent on colonization. Over two years of combat and betrayal, atrocities escalated. Ethiopia defeated colonization at a terrible prize.

The Shadow King is a historical novel by Maaza Mengiste, written not just from the Ethiopian perspective but also from a woman's perspective, and a low-caste servant's view at that. As the story begins, Hirut is orphaned by the sudden deaths of her beloved parents, and she is forced into a servitude that certainly resembles slavery. The reader feels her pain through her interior monologue, because otherwise she defends herself through silence. Not always effective.

Kidane is Hirut's master and an increasingly important commander in the Ethiopian army. As part of the country's defensive strategy, he is assigned the area near his home and tasked with the goal of repelling the invasion there. His wife, Aster, who despises Kidane for his many infidelities, in war creates a new strong, active persona for herself and many other local women. At first, they train to support the soldiers, and then they train to be soldiers. Not that Kidane accepts them.

Italian soldiers are given a voice in the novel. They mostly regard the Ethiopians as incompetent barbarians, and thus have no interior questions of morality or humanity. The Emperor, Haile Selassie, is also given a voice – his own interior voice. His voice resides in Bath, England, where he languishes in exile.

Despite training, passion, and local knowledge, Hirut and Aster are captured in their first big battle. Their defeat was inevitable because the odd collection of guns with Kidane's forces are pitiful in the face of Italian ground and air armaments. The women are thrown into an infamous prison built by the Italian area commander. Its one room is remarkably small. No one stays long.

Maaza Mengiste's poetic prose sings of the yearning for freedom by the men, and doubly by the women.

Two Cleanups in May, There Is Definitely an Echo in Here

The 57th Annual Pathway and River Cleanup will happen on Sunday, May 5.

We can always use extra hands at these events, so if you can lend a hand for either or both of them, please contact us at treasurer@crescentheightsyc.ca or johnmcdermid@shaw.ca.

2024 Pathway and River Cleanup

This year's Pathway and River Cleanup is scheduled over a three-day window from May 3 to 5. We have settled upon Sunday May 5 from 10:00 am to 1:00 pm. This year's event falls on one of the most jam-packed weekends of events in recent Crescent Heights memory. We had planned to go out as usual on Saturday, but that coincides with a series of Jane's Walks and other community events, so we'll hope for continued good weather and meet by the river on Sunday the 5th.

Our river reach is from 4 Street NE to Centre Street, River Left, or the near (north) bank of the Bow. We hope to see some of our regulars out on the pathway. Crescent Heights has been tackling this river reach for more than 20 years! Let us know if you can join us so we can get a sense of our numbers for securing supplies. We'll meet down by the river at the Reconciliation Bridge and work our way Westward to Centre Street.

2024 Crescent Heights Community Cleanup

Our very popular Crescent Heights Community Cleanup is in the works. We have submitted our registration and site plan and are awaiting word on our assigned date. If you can volunteer for the cleanup, we can certainly use your help, and being on site gives you the first pick of the Free Store's treasures (see below). The City recommends having 15 to 20 volunteers on site, as community cleanup events are increasingly popular and draw people from across the city. The more people we have to direct traffic and activity on site, the better our traffic flow and cycle time will be.

We are poised to begin contacting third-party vendors to determine the scope of materials we can accept, but we hope to be able to take metals and electronics as we have in past years, plus gently used household items for the Women in Need Society (WINS). Watch this space and check the CHCA website as the Spring Cleanup season approaches.

What's Likely the Same for 2024?

Same place. CHCA community hall, enter from 2 Street NW at 11 Avenue. Packer trucks will be positioned to accept household waste, the stuff that may not fit in your black cart or green cart. Volunteers will be on hand to direct the traffic flow and maintain distance. Remember to stream recyclables to your blue cart or to a neighbourhood depot so we're not sending recyclable materials to a landfill. Similarly, hazardous waste products (paints, chemicals, etc.) should be disposed of at a designated firehall or landfill equipped for those materials. No concrete rubble can be accepted because it damages the equipment. No glass, please! Make sure your load is properly secured and tarped en route to the hall. Please don't bring materials and drop them before or after the event, we'll be watching!

The Free Store will be in operation once again to help gently used items with life left in them find new homes. Goods that are not claimed will be loaded into the trucks in the last half-hour of the event. If you can help with this effort, please come to the site around 1:30 pm to help us clean up and close up.

Please be prepared to unload your own materials. Volunteers will be on hand but only to manage the traffic flow on site. Our trusted City staff are there to operate the equipment; remember that they are volunteering their time too! Unload as quickly as you can to keep things moving.

Can't wait for our date? The city-wide community cleanup program kicks off in April and events are scheduled at different communities across the city. Visit the website below for dates, times, and locations (as the View goes to press there are no events yet scheduled for spring 2024, but check back and find our date and others, expected to be assigned by March 15). <https://www.calgary.ca/csps/abs/partnership-programs/community-cleanups.html>.
