DJ KELLY FOR WARD 4

Calgary's Future Announces Official Endorsement for Ward 4: DJ Kelly

DJ Kelly is a Proven Community Builder

Calgary City Council candidate DJ Kelly is a dedicated community leader who lives and works in Ward 4, where he's raising his family. He's the former Community Association President in Winston Heights-Mountview. DJ is a former City staffer who authored Calgary's Digital Strategy and also led strategy on the Corporate Cultural Transformation Project. He initiated Calgary's Open Data Portal, making City data available to the public, and the Calgary's Poet Laureate program.

As Director of Community Partnerships at the University of Calgary, DJ has built impactful partnerships with many different community groups to improve the lives of Calgarians, such as TELUS Spark, Calgary Economic Development, Calgary Pride, Calgary Stampede and United Way of Calgary and Area. DJ has also been recognized with local, national and international awards for his volunteer work.

Here's why DJ Kelly is the right choice

Here at Calgary's Future, we're looking for council candidates who will give their community a real voice at City Hall. DJ's already led key municipal projects and championed transparency. He's helped build Calgary's reputation into a creative hub for arts and culture.

He knows how the City works better than most people, and he's demonstrated time and again that his main priority is to make Calgary, and Ward 4 a better place to live. We're confident he'll show up for his ward to do more than just vote no. Ward 4 deserves a councillor who knows the city, lives the issues, and gets things done. That's DJ Kelly.

Here's why we're endorsing DJ Kelly:

- **Knows Ward 4:** Longtime resident, active in local schools and community groups.
- **City Hall experience:** Former City staffer who already knows how to get things done.
- **Proven leader:** Builds partnerships that make Calgary better.

"I first ran in 2021 because neighbours asked me to step up when Ward 4 needed strong representation. Today, I'm running again because Calgary is at a turning point. We need councillors who listen, collaborate, and take action to build a city that works for everyone."

— DJ Kelly, Calgary City Council Candidate for Ward 4

If you want to hear more about where DJ Kelly stands on the critical issues facing Calgarians, check out his answers to our Candidate Questionnaire.

President's Message

Do you live on Edgebrook Drive NW? Have you noticed an increase in bad behaviour from drivers who are using that street as a throughfare to the Hamptons? I have received complaints from residents who have reported speeding and passing on the right side of the street, both of which are causing concerns regarding the safety of not only other drivers, but also pedestrians. I would encourage you to report this if you have direct knowledge of such behaviour. Here's what to do.

- Visit www.calgarypolice.ca.
- Select "Compliments and Concerns" > "Report a Traffic Concern."
- Submit your traffic service request.

The more residents who report it, the more likely we are to see some action. Provide as much information as you can including the time of day when these infractions are most prevalent. If your concern is more urgent, call 3-1-1 and ask the operator to put you through to the Traffic Unit. You will be connected directly.

With school back, I am getting complaints about drivers' behaviour adjacent to the schools. In particular, traffic and parking continue to be a problem in and around Edgebend Place and the areas adjacent. If you are one of those drivers who is dropping off students, be careful of your speed as you approach the area and observe the parking restrictions. Due to the way the sidewalks and

the roadways were constructed, pedestrians tend to walk down the middle of the street and drivers seem to travel well above the speed limit. In addition, residents are complaining the cars are parked blocking driveways and underneath traffic signs. Please be respectful and be safe!

October activities include the free drop-in board game night at the ECA on October 24 starting at 6:30 to 9:00 pm. Join us for a fun filled night and bring your favourite snacks and games. 14+ are welcome.

Our Annual Winter Market is on November 29. Come shop and enjoy the products of over 80 talented vendors, live carolling, photos with Santa, and so much more! Time: 10:00 am to 3:00 pm.

We are also starting to collect items for our Annual Holiday Hamper Program between October 1 to December 15. We are in need of cash and gift cards, new gifts, new winter items, new clothing, and food etc. Donations can be dropped off at the office between October 1 to December 15. Monetary donations can also be made by e-transfer at ecapay@edgemont.ca with the password "Calgary".

Finally, be safe on our street on Halloween night (October 31). Children are excited to be in their costumes and collecting treats. In past years, I have been so impressed with the politeness and general good manners displayed by the kids in our community. Have fun and keep saying those "thank yous" to the homeowners who fill up those treat bags.

Pamela Wilson

News from the Friends of Nose Hill

by Anne Burke

The first recorded land occupancy of Nose Hill was an 88,000-acre lease in 1882. Large range leases were bought by well-financed ranchers, such as Senator Patrick Burns, who purchased most of two sections of Nose Hill. Cattle grazing occurred until Nose Hill was established as a park. Crops, such as wheat, oats, and rapeseed, were first grown on the plateau in 1907. Privately held farmland was horse pasture until 1912. The negative impact of horse and cattle grazing was widespread on slopes and ravines. However, it helped to control taller nuisance weeds, such as thistle and common nettle.

By 1910, Calgary's boundaries extended north to 48 Avenue. Residential development between 1945 and 1959 pushed as far north as Capri Avenue and east of 14 Street as far north as 56 Avenue. Aerial photographs reveal traffic to and from fields on the Hill to sites in the ravines and gullies along the escarpment. There were many old vehicle trails. Pickups and 4x4 trucks on the Hill used the sloping benches south of 56 Avenue and east of 24 Street. Trail development and use by walkers increased with the Winter Club.

Gravel mining began in 1961. Many Owl's Valley was part of the route for commercial trucks on the main road and along the ridge on the south slope of the valley. Severe damage was caused to slope crests and the top of hummocky areas. Construction of John Laurie Boulevard in 1968-69 caused overuse in areas without fencing. More people trespassed on private lands north of the Boulevard or drove to riding club stables south of the gravel pit. There were many horse trails and dirt bikes, walkers, and joggers from 1975 to 1980. Agriculture on the Hill was suspended in 1979.

In the last newsletter we mentioned that our next weed pulling session at the Naturalization Pilot Project near the Edgemont Community Centre would take place on October 15; however, the City informed us that they had to change this date to October 16 at 10:00 am. We will also be putting in a seed mix at this time. The City will provide materials and staff to help volunteers with the weed pulling process. If you have not already registered to help out and have a few hours to contribute on October 16, please contact our volunteer coordinator at volunteers@edgemont.ab.ca.

It was an outstanding year again for the flowers in our Edgemont parks and planters. One of my neighbours commented that this year, the planters are the best ever! Foothills Landscaping has once again done an excellent job with our flowers, and it has been wonderful to see the different selection of flowers in planters in different areas of the community. And we had green grass to boot all summer!

flowers. For safety reasons, only take flowers from pots and areas that you can easily access from the sidewalks. Under no circumstances should you go onto the medians.

Like last year, the plan is to keep flowers in the planters until imminent frost forces us to remove them! The plan is to make the flowers available to residents at that time. Our only way to communicate a date to Edgemont residents is by asking you to call the Community Centre (403-239-1211) to find out when you can start picking

flowers. For safety reasons, only take flowers from pots and areas that you can easily access from the sidewalks. Under no circumstances should you go onto the medians.

Lastly, at the time of publication of our last newsletter, we were still planning to hold a Reaffirmation Vote in the fall. However, the City has asked us to hold off until they complete a full review of the Special Tax Levy (STL) program. It is likely that under the revised STL program, a reaffirmation vote may no longer be necessary to continue the ELM program.

Any concerns or comments about ELM, please contact us using the following email address: askElm@edgemont.ab.ca.

A Message from Your Volunteer Coordinator

As we move into the winter months, we want to take a moment to thank our wonderful volunteers who supported the Food Truck events over the past few months. The last one wrapped up on September 20, and we hope you all enjoyed the delicious food and the lively community spirit!

Now, as the snow begins to fall, we are looking for Snow Angels—kind neighbours willing to lend a hand to those who may need help this winter. If you would like to be part of this heartwarming initiative, please email us.

Your kindness, time, and care make our community stronger, warmer, and full of love. Together, let's make this winter a season of giving and connection.

Be Part of Our Volunteer Team

Volunteering is a wonderful way to support the community and make new friends! We offer year-round opportunities through ECA programs and events. Interested in getting involved? Email us at volunteers@edgemont.ab.ca to be added to our volunteer mailing list!
