Volunteer Coordinator's Message

April Volunteer Spotlight – Youth and Community Coming Together

This spring, we're excited to share a special collaboration for our upcoming Mother's Day event. A group of student volunteers from Sir Winston Churchill High School will be working alongside our ECA volunteer team to help plan and bring this event to life.

This project was created to give students the opportunity to experience the full process of event planning — from brainstorming ideas and organizing roles to executing and managing the event on the day itself. It's a meaningful chance for youth to develop leadership, teamwork, and communication skills while expressing their creativity in ways that directly benefit our community.

Most importantly, this project is about connection — creating space for youth to contribute, learn, and feel welcomed as active members of Edgemont.

Student Volunteer Perspective

"As high school students at Sir Winston Churchill, volunteering in our community is something we truly value. While academics are important, experiences like this allow us to grow in leadership, teamwork, and communication skills beyond the classroom.

We're excited and grateful for the opportunity from ECA to help plan this year's Mother's Day event. Our team of six enthusiastic and dedicated volunteers — Ava Jiang, Nujhat Baki, Daniel Olubergimro, Sophie Ng, Mehwish Syed, and Anya Chauhan — is ready to challenge ourselves, collaborate creatively, and put

together a meaningful and memorable event for the Edgemont community." — *Ava Jiang, Grade 11*

Head of Volunteer Churchill

We are grateful for the enthusiasm and fresh energy these students bring, and we hope this collaboration continues to inspire more opportunities for residents of all ages to get involved. When generations work together, our community grows stronger.

Stay tuned for more details about our Mother's Day Gathering — and be sure to get your Mother's Day event tickets soon to enjoy a fun and heartwarming morning together!

Be Part of Our Volunteer Team

Volunteering is a wonderful way to support the community and make new friends! We offer year-round opportunities through ECA programs and events. Interested in getting involved? Email us at volunteers@edgemont.ab.ca to be added to our volunteer mailing list!

President's Message

Does April really herald the end of winter and the beginning of spring? I sure hope so. Although we know that we are bound to see a few more snowflakes we can also hope for robins, crocuses, and the other signs that spring is on its way.

I'd like to start this message with some thanks to the associations, businesses, and individuals who support ECA programs. Thanks to the following:

- The Al Azhar Shriners (Tin Lizzie Corp) Society for their generous support of the Breakfast Club. Their donation means that we can move closer toward food security for all Edgemont residents and children going to school to learn with full tummies.
- Volunteers supporting learning opportunities at Edgeburn Lane have launched a Reading Club. If a youngster in your family could use reading practice and some mentorship, contact the ECA Office for information on how to enrol and have an elementary student matched with a reading mentor.
- Thanks to the organizers of our recent *Lego Mania*. The event was a wonderful time bringing families together in our community and shone a light on the many talents of the participants. Thanks to all the volunteers and our sponsors: Matthew Halladay and Craig Lamb Realtors, and Shomna Verma, Financial Advisor, who helped make this day a success.
- Thanks to the students from Winston Churchill High School for helping with Frost Fest. We were fortunate with the weather that enabled families to get out to enjoy some outdoor fun as well as Timbits and hot chocolate. Once again, Matthew Halladay and Craig Lamb Realtors stepped up as sponsors.

March saw the launch of our Pageantry Flag Contest. This is a first for Edgemont. This year's theme is "For the Love of Edgemont." Edgemont residents of all ages can enter. The submission deadline for ECA to receive your designs is May 15. Winning designs will be awarded prizes, and the designs will be printed on flags to be displayed on light posts around our community. Full contest details can be found at https://edgemont.getcommunal.com/parent_programs or email contests@edgemont.ab.ca.

Thanks to Tracy Grills for facilitating the seed starting and indoor growing seminar on March 15. I trust participants gleaned important information on starting seeds, how to ensure the proper lighting to encourage good growth and other handy tips for a healthy garden.

Are you mad about jazz? ECA will be hosting its first jazz night on April 17. Doors open at 7:00 pm and music starts at 7:30 pm. This is a live 20+ piece band with vocalists. There will be a dance floor for those who want more than just toe tapping. Tickets are \$25 and include snacks and drinks (non-alcoholic). Ticket holders are welcome to bring their own alcohol. Registration is a must! Get your tickets here: https://edgemont.getcommunal.com/parent_programs/2909.

Save Saturday, May 9 for our Mother's Day Magic Event. This is a new way for us to celebrate moms. The event will start at 10:00 am and run until 1:30 pm. We will be featuring Christopher Cool, a well-known Calgary magician, who will dazzle with a 40-minute magic show. Can you figure out how he does it? That's a challenge. There will also be fun activities for kids and families with refreshments and snacks courtesy of ECA. Once again, ECA thanks Matthew Halladay and Craig Lamb Realtors, Shomna Verma (Financial Advisor), and the City of Calgary. Tickets are adults \$5 and children \$2. Registration opened March 1. Check social media and our website for more details and to register. Just a reminder that this event is on Saturday, not Mother's Day Sunday.

Watch for details on Farm Stands at the ECA parking lot which usually get going in May and for information on the Nordic Rodeo and Stampede Breakfast which ECA typically hosts at the end of June to kick off Stampede. Details are currently being finalized and will be posted on the website and included in the next newsletter.

Parents looking for summer camp programs would be wise to check out the list of what's available. You will find the list in this newsletter. There are some returning tried and true programs as well as many new ones. These camps are always sold out so watch the website for registration links and don't wait!

For some reason, ECA has received a larger than usual number of development permits for home-based businesses and rentals in Edgemont. We have the

opportunity to comment, which we do. If someone is wanting to extend an existing lease or get permission for a new one, they are required to post a sign on their front lawn, so their neighbours are aware. The information on that sign gives residents a link to where they can make their comments and concerns known to the City. Please use that opportunity. If you have concerns, you can send them to ECA care of Barb Elms, and she will include them in our comments as well. Barb can be reached at barb@edgemont.ab.ca. Parking always seems to be at the top of the list.

Lastly, Calgarians are facing water main issues again this year. I have been asked by the City to give our residents a heads up about what they can expect. The City of Calgary announced plans for the first phase of pipe reinforcement work for the Bearspaw Feeder Main. The complete update can be found here: <https://newsroom.calgary.ca/city-of-calgary-proceeding-with-planned-reinforcements-to-the-bearspaw-south-feeder-main/>. We are once again being asked to conserve water by taking the following actions:

- Keep showers short, three minutes or less.
- Flush toilets only when necessary.
- Only run dishwashers and washing machines when there is a full load.

In addition, we can expect a fall shutdown for more reinforcement work. Regular updates will be available here: <https://www.calgary.ca/planning/water/bearspaw-feeder-main/reinforcements-project.html>.

Edgemont's ELM Program Ready for 2026

We are on the cusp of another spring and summer in Edgemont and your ELM Program is ready to adorn our community once again with flowers and manicured green spaces. Edgemont is filled with so many natural gems! Little gazebos and quiet parks within grand forested valleys, and open vast escarpments exposed to the mountains make for adventures and relaxation all within our home community!

Our flowers are getting ready for their grand entrance at the end of May or beginning of June, depending on the risk of frost.

Street sweeping will be on our radar soon. The schedule will be posted on the City of Calgary website, and signage will be placed a few days prior to sweeping. Please ensure your vehicles are not on the street on the day your street is scheduled for cleaning. It is not possible for sweepers to return as they operate on a tight schedule. Not only is it a common courtesy for your neighbours, but residual gravel is a hazard for children and adults on bikes, the material is washed downstream from the missed areas and spreads the hazard to a larger area, and the capacity for street storm drains to handle summer downpours is reduced as the material accumulates in these drains and blocks them.

In coordination with the street cleaning, the ELM Program ensures our medians are also looking their best with the removal of accumulated gravel from winter traction efforts.

It is expected that irrigation will be a challenge again this year with work and risks associated with Bears paw South Feeder Main. It is expected and planned that this will only affect irrigation in green spaces and not water trucked in for our flowers. If required, we have secured an alternate water source outside of the Calgary water system to ensure our flowers will be given the best chance to compete with whatever Mother Nature has in store for us this year.

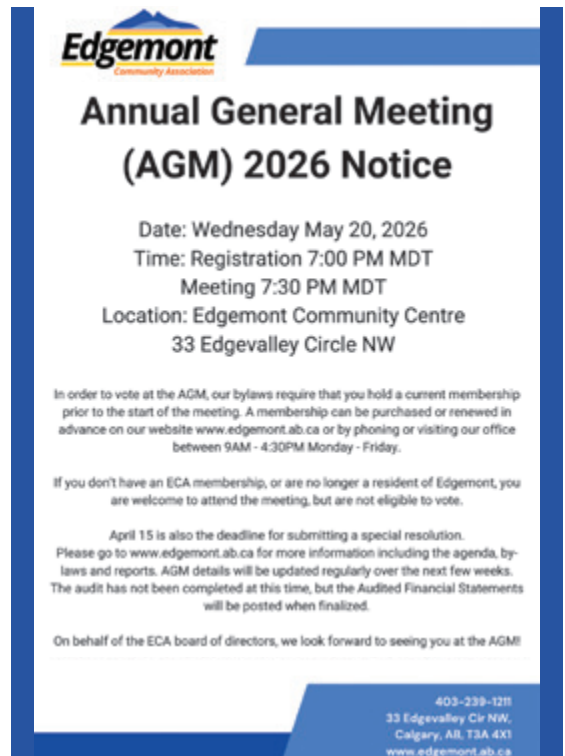

Some initiatives on the horizon for Edgemont include levelling of planters that have settled over time and suffered the effects of natural frost heaving. Our eligible green spaces will receive a fresh dose of fertilizer in late spring. Also new for this year will be the removal of weeds that poke up through concrete medians which will give the community a cleaner appearance.

We continue to work successfully with the City of Calgary and our ELM partners throughout the city to improve implementation strategies that align with the requirements of a Special Tax Levy. Such topics include the five-year re-affirmation vote process, initiatives that can be included in an Enhanced Landscape Maintenance Program, and the process for communities starting their own new ELM program, to name a few. It is abundantly clear that this program is very desirable, and it is important that communities are given an equitable opportunity to start and retain their programs. This is exciting work and I look forward to sharing more details as they are formalized.

If you see anything that needs tending to, please send me a note to askElm@edgement.ab.ca.

We hope you will continue to enjoy the changing season and longer days ahead as we look forward to another spring in beautiful Edgemont!
