# A Message from Your Volunteer Coordinator

## Happy New Year, Edgemont Volunteers!—Welcome 2026

As we step into 2026, we want to take a moment to celebrate what an incredible year 2025 has been. It has truly been inspiring to meet and work alongside so many wonderful volunteers from across the Edgemont community. Your spirit, kindness, and willingness to jump in wherever help is needed have made every program and event brighter.

A special shoutout goes to our amazing youth volunteers from Tom Baines School, who supported us with Winter Market setup, ice rink maintenance, and the big stockroom clean-up alongside our Ice Rink Keeper, Rick Wierzbicki. Rick shared that “the kids were fun... and his back was sore!”—hopefully you all enjoyed the day as much as Rick did!

We are also incredibly grateful to the dedicated students from Sir Winston Churchill High School, who were with us throughout Winter Market Day—from the early cold morning helping vendors settle in, to guiding visitors around the event, to the late-afternoon dismantling. Your energy and commitment truly helped make the event a success.

A huge thank you as well to everyone who supported our Christmas Hamper program—from drivers, sorters, packers, gift-wrappers, to those who helped deliver the hampers. We simply could not have made this happen without you. We were especially touched to receive so many emails from volunteers eager to

help even before our schedule was finalized. Your enthusiasm, generosity, and warm hearts mean the world to us.

And finally, a heartfelt thank-you to all of our Snow Angels, who continue to support neighbours during the coldest months. Your care and kindness bring real warmth to our community.

Thank you again—each and every one of you—for giving your time, heart, and love to Edgemont. We are excited for all the meaningful moments, teamwork, and community connections that 2026 will bring together.

### Be Part of Our Volunteer Team

Volunteering is a wonderful way to support the community and make new friends! We offer year-round opportunities through ECA programs and events. Interested in getting involved? Email us at [volunteers@edgemont.ab.ca](mailto:volunteers@edgemont.ab.ca) to be added to our volunteer mailing list!

*Jymi Chun*

Volunteer Coordinator

### Joke of the Month

What kind of cow wears a crown?  
A dairy queen

### Soccer in the Community

Partnered with *Edgemont*  
Community Association

Winter: Jan - Feb

[nortsidesoccer.ca](http://nortsidesoccer.ca)

Two logos. On the left is the Edgemont Community Association logo, which is a shield with a mountain, a river, and the word "EDGEMONT" above "COMMUNITY ASSOCIATION". On the right is the Northside Soccer logo, which is a shield with a soccer ball, the word "NORTHSIDE" above "Soccer", and a star.

## President's Message

January is here and it's typically a month of resolutions, fresh starts, and the hopeful anticipation of a year filled with growth, joy, and good news. Before I get to the "good news" there are some people I need to thank for the great year 2025 turned out to be. There are so many volunteers who turn up to help with activities. Thank you to all of them! There have been business sponsors who stepped up with funding. I try to recognize them close to the event they sponsored. Our latest sponsor is Lamb Halladay Real Estate who helped us with the Winter Market. Residents, I would encourage you to support our sponsors when you have the chance to do so. They are investing in Edgemont.

Movie Night was a smashing success! We will be repeating it in 2026. The office received a number of thank you notes from attendees. It's always nice to hear that folks enjoyed the evening. I'll share more information as it becomes finalized and as always, check out the ECA website.

Shari Pitka has been a very valuable resource to the ELM committee. She will be focussing on other priorities in 2026 and has had to withdraw from ELM. We will truly miss her guidance and thank her for sharing her knowledge and leadership. The good news is that we have found a replacement. Mark Koelbl will be stepping into Shari's shoes. Mark has experience in working with ELM committees in other subdivisions and comes highly recommended. We welcome Mark to the team.

Our MLA, Julia Hayter, continues to be a big supporter of ECA. Julia was at our Winter Market to talk to residents and get a feel for what is on the minds of Edgemont residents. Provincial politics has been a wild ride lately, so conversations at the grassroots are important. In January, Julia will be hosting an event to help residents who rely on AISH or other social assistance programs to understand how to navigate that system. Watch for more information. As the final details will miss our publication deadline, I encourage you to check our website or follow Julia directly. For those on our email list, we will push a message to you once we have all the information.

The first Coffee and Conversations event of the year is on January 11, 2026, and based on the registration already in, this seems to be a topic that interests a number of people. The focus will be Wealth Management and Financial Planning skills needed to plan estates and create wills in Alberta and Canada that reflect your wishes. The session will be facilitated by Hash Assad and Rehana Begum from Assad Wealth Management. Free snacks and refreshments are provided. Check the website for registration details.

We are hosting a sip and paint on January 23, 2026, from 5:30 to 8:30 pm and the entry fee is \$35 per person. Registration is open and includes a glass of wine and snacks. It's meant to be a fun, relaxing event.

For kids, we also have an exciting "Paint the Rocky Mountains" art class being taught by a local Edgemont artist for ages 5 to 10 years old. The date is January 25 from 3:15 to 4:45 pm and the cost is \$10—supplies included. Spaces are limited and registration is open. Check our website for details. We expect this to fill up quickly.

Our Lego Mania Competition is back! Mark your calendar for February 7, 2026. There are 80 spots available with three categories: Things that Go, Scenes and Buildings, and Animals and Figures. Registration for the Lego Mania is open. Check our website for details. Both participant builders and spectators are welcome. The creations are surprising! The imagination and the building skills of participants never ceases to amaze. How do they get those little blocks to fit together in such unique ways?

We are looking forward to Frost Fest on February 16. The event is at the ice rink, weather permitting. You don't have to wait until Frost Fest to go down to the skating rink. As soon as the ice is skate worthy, the rink is ready for your enjoyment. Thanks to the volunteers who make the ice, maintain the ice, shovel the snow, and take care of all the many tasks that keep the rink an enjoyable outdoor feature in Edgemont. We have done some maintenance at the rink site. You may notice new lights for example and during the holiday season, we added festive lights to create the holiday ambiance.

Finally, looking forward to March, you can expect to hear about a flag contest that ECA will be running. Our goal is to have residents design flags that we can display on seven light standards in our area. There will be categories for competitors based on age and there will be a prize for the winning flag designer in each category. We are finalizing the theme and the timeline for the competition. I expect to be able to share more information in February.

Until the next edition of *Inside Edgemont*, stay warm!

*Pamela Wilson*

President

## GAMES & PUZZLES

### Guess the Cartoon!

1. Mojo Jojo is always trying to cause havoc in this female-led cartoon.
2. Joe Barbera first considered calling this classic cartoon *The Gladstones*.
3. This group of mystery solvers was brought to life in 1969 and led to multiple shows and movies.
4. One of the main characters of this cartoon is named Finn and though he is an adventurer, he is afraid of the ocean.
5. Stephen Hillenburg, creator of \_\_\_\_\_, was actually a marine biologist!
6. This cartoon follows a family who lives life in Orbit City with their dog Astro.

The summer 2026 flowers have been approved!

Even though it's snowy and white outside, we're already hard at work planning next season's selections for the ELM program.

Edenscapes have once again been in the community this season, filling our pots with beautiful winter greenery and decorations. We kindly ask for your help—if you see anyone removing items from the winter displays, please notify us right away at [askElm@edgemont.ab.ca](mailto:askElm@edgemont.ab.ca) or by calling 403-239-1211.

We are also very pleased to share that Foothills will continue to look after our landscaping and ELM projects in 2026. In addition, the ELM program and the community of Edgemont would like to welcome Mark Koelbl, who will be taking over for Shari and caring for our community going forward. Mark has been involved in the ELM program for many years and will be kicking off the 2026 season in Edgemont.

We would also like to acknowledge that Shari Pitka will be stepping away from the management of the ELM program. Shari's community in Northern Saskatchewan, East Trout Lake, was lost to wildfire this year. She will be focusing her efforts on returning north to assist with rebuilding. We are grateful for her dedication to the community of Edgemont and the ELM program.

As you begin planning any yard renovations for next year, please remember that ELM greatly appreciates donations of perennials in the spring for distribution throughout the community prior to planting the annuals. If you have a donation, simply dig up your perennials in the spring and contact Mark at [askElm@edgemont.ab.ca](mailto:askElm@edgemont.ab.ca) to arrange pickup.

Wishing you a Happy New Year and happy gardening in 2026!

*Kathleen Stewart, Rick Wierzbicki, Mark Koelbl*

## News from the Friends of Nose Hill

by Anne Burke

On the Park's northern boundary, Alberta Government Telephone, in 1982, and Canadian Western Natural Gas, in 1990, had access rights. Carma Developments put waste in the MacEwan Glen ravine. Construction sites attracted four-by-fours and dirt bikes. Nose Hill Trail condition and use were studied between July 20 and September 20, 1993. Volunteers working in pairs came from the Nose Hill Park Users Group, Nose Hill Communities Board, and Calgary Field Naturalists Society. Their goal was to measure trail type and surface, width, and depth. An aerial photo mosaic marked the survey areas. Data was collected for the glacial moraine (the Hill plateau and side slopes), ravines (Many Owls and Porcupine Valley), and disturbed land. The time of day was morning (7:00 am to noon), afternoon (noon to 6:00 pm), and evening (6:00 pm to dark). During both the week and weekend, Hill use was greatest in the afternoon and evenings. On the weekend, people spent time in the ravines. However, during the week more were recorded on the plateau and side slopes. Pathway routes were widened by braiding but less rutted than trails. The greatest use was in disturbed sites, rather than on the moraine. All pathways and trails were used by cyclists, who preferred gravel pathways to grass trails. Walkers without dogs used pathways, unlike dog walkers in the ravines. A review revealed that areas damaged by vehicles, horse and cattle grazing, and gravel extraction were slowly regenerating, including severely damaged areas. Although some trails were rutted (and may remain so for a time) others had high grass growing in them without horse and vehicle traffic. Ravine trails were overgrown by tall grasses, thistles and nettles, so many people no longer used them.

## 4-H INTRO CLUB

### Grow Something New This Winter With 4-H Intro Clubs

Have you heard of 4-H? Many know 4-H for its long history in rural and agricultural communities, but today 4-H is thriving in cities, including right here in Northwest Calgary. Alongside our traditional, year-long 4-H clubs, we also offer a short-term program designed for families who want to explore 4-H before making a longer commitment.

4-H Intro Clubs are a six-week program for youth ages 9 to 15 that provides a hands-on introduction to the 4-H experience. These are not traditional clubs. During intro clubs, youth attend once a week for two hours, learn all about running meetings and try a different hands-on activity each session, giving them a fun and friendly way to explore what 4-H has to offer.

One popular winter activity is the Potato Pet Hair Garden, where youth learn about seeds, plant growth, and patience in a silly and hands-on way. Using a potato, paper towel, water, and chia or alfalfa seeds, participants create a "potato pet" with sprouting hair, then track growth over the week. Along the way, they practice observation skills, explore plant life cycles, and get a taste of science in action, all indoors during the cold winter months.

#### Try It at Home: Create your own Potato Pet Hair Garden:

- Wrap a potato in a damp paper towel or cotton strip.
- Draw a face and add googly eyes.
- Place it on a jar of water so the bottom touches the water.
- Spread chia or alfalfa seeds on top, like hair.
- Mist daily and watch the sprouts grow in four to seven days!

Learn more about intro clubs starting in January by visiting [4hab.com/member](http://4hab.com/member).

Send us your potato head photos or ask us a question at [introclubs@4hab.com](mailto:introclubs@4hab.com).

# BUSINESS CLASSIFIEDS

For business classified ad rates contact Great News Media at 403-720-0762 or sales@greatnewsmedia.ca

**NEPTUNE PLUMBING & HEATING LTD:** Qualified journeymen plumbers/gasfitters, very experienced in Edgemont. Upfront pricing. Reliable, conscientious, fully guaranteed. Mon - Fri 8:00 am - 5:00 pm. 24-hour emergency service, call 403-255-7938. "Showering you with great service."
