President's Message

Did you know that July is National Ice Cream Month? This is something I can get behind even though I suspect the internet might not be the best source of information, surely this must be true. Let's get started on July 1 and see if we can eat our way through all the flavours in the ice cream freezer at our local grocery store. On a similar note, July 17 is National Hot Dog Day and July 30 is National Cheesecake Day. Who knew?

The Edgemont Community Centre (ECC) is a hive of activity during the summer. When the school releases its students for vacation, we get busy hosting camps and other activities to keep those young people entertained and their minds active. If you are looking for something to do, visit the Edgemont website. Many of the programs have had their registration process opened for weeks but you might get lucky and find a spot.

On June 5, the Board hosted a Volunteer Appreciation Reception to thank those individuals who helped with the programming this year. We particularly wanted to highlight our Snow Angels and our volunteers from Sir Winston Churchill High School. Snow Angels commit to shovelling snow all winter for their neighbours who need the help. The young people from Sir Winston have stepped up on a number of occasions to support programming at the community centre. We simply couldn't operate without them.

At this event, we recognized a Community Builder, Barbara Elms. Barb has been a volunteer with ECA for more years than we can count! She has taken on a number of roles, most recently First Vice President, HR Director, and Chair of the Program Committee. Barb's name will be added to the wall scroll at the centre and some new enhancements will be made to the mural. In addition, she has a pet project in upgrading the security at the ECC. Barb arranged to have the Calgary Police Service do a security assessment of our facility which resulted in a comprehensive list of recommendations. This has been a multi-year effort. The next step is to secure funding so we can start ticking items off that list.

At our Annual General Meeting, we elected a new Board of Directors. I am pleased to announce that Julie Wong and Jessica Yau have joined the Board. In addition, some

Directors have their second year of the two-year term to complete, and some stood for re-election. A complete list of Board members can be found in this publication. At any time, if you have any questions or concerns, please approach one of our Board to fill them in on the details.

At our AGM we were able to announce the winners of our flag contest. Under Jeff's stewardship, we launched this program with the goal of encouraging residents to take pride in our community by designing a flag that will be printed and displayed on a few light standards in Edgemont. Keep your eyes peeled. Once the Stampede flags come down, it won't be long until you see the Edgemont flags. The likely timing of the display is late August. We're starting with just a few and hope to increase our inventory over the next few years. Congratulations to this year's winners for first place: Junior Category: Abby Wong, Junior High: Haochen Wang, and Adult: Dylan Chong (subject to eligibility verification). Thanks to all who participated!

July 4 is a special day so please make a note that Country Hills Superstore is hosting a BBQ from 11:00 am to 3:00 pm to help raise funds for our Christmas Hamper Program. We hope you can make it out to enjoy a hot dog or other items to enjoy!

Our Farm Stands will continue in our parking throughout the summer on Thursdays from 3:30 to 7:00 pm. Drop-in Pickleball has a summertime change to 3:00 to 6:00 pm on Sundays with session one being 3:00 to 4:30 pm and session two 4:30 to 6:00 pm. They now have three courts allowing for more people to join and play! Our centre is participating in our second All Sport Day for kids to come out and try different sports for free on August 15 — stay tuned for more details on social media and on our website. Our flowers and shrubs have been planted so come out for a walk to enjoy the beauty around the centre this summer!

Keep cool and enjoy the summer.

Summer is here in Edgemont!

Despite the cold spring we are ready for a great, colourful summer, with mowing and trimming well underway. Planting of flowers was a carefully orchestrated endeavor to ensure frost-free nights in our higher elevations and to maximize time in our planters.

Street sweeping and median cleaning has been completed. Thank you to everyone who ensured their parked vehicles were off the streets. It makes a big difference! Some of our streets are receiving a well-deserved fresh layer of pavement and sidewalk repairs. Sometimes this can cause temporary landscaping disturbances but will be remediated by the crews.

New this year will be the trimming of weeds on our concrete medians. This will keep a tidy look adjacent to our manicured grass and flowers. ELM also completed a serious round of planter levelling this spring prior to the flower installation.

We are fortunate to implement irrigation in all eligible parks again this year. Water restrictions could occur at any time and could be in place between writing this and your reading of this! During a Stage 2 restriction, irrigation continues but at a reduced delivery automatically.

Our mowed fields received a round of much needed fertilizer that will help give our turf a fighting chance against weeds. As a reminder, dandelions are no longer eligible for weed pesticide control. Our weekly mowing is another tool we are using to keep these in check.

The large gopher infestation on the hillside of Edgemont Boulevard near John Laurie Boulevard, which has been on City radar for a while, received extensive pest management control and is seeing some good results. A couple of other localized areas within our community received some control measures as well.

We had to deal with some graffiti on a planter and a friendly reminder not to place garage sale or other signs into our planters. They cut the delicate roots, and vigorous growth could be easily stifled.

As we make our way through summer, probably too quickly, please enjoy the sights, sounds, smells, and feelings your ELM program provides in Edgemont!

ELM

Weekly Farm Stands
Support local calgary.ca/localfood

Edgemont Community Association
Thursdays 3:30pm-7pm
33 Edgevalley Cir NW
Starts May 21st!

In partnership with The City of Calgary and the Edgemont Community Association, **FreshPal Farms** is running a farm stand in our community! Stop by and grab some fresh Alberta veggies to spice up your dinner plans!

ECA's Annual Winter Market Nov 28, 2026: Registration opens July 3rd at: https://edgemont.getcommunal.com/member/parent_programs/4037

Volunteer Update

Happy July everyone!

In early June, we were so happy to host the ECA Volunteer Recognition Event to celebrate and appreciate all the amazing volunteers who have shown care, kindness, and support to our community programs throughout the years.

It was a wonderful evening filled with appreciation, connection, and community spirit. We were especially grateful to celebrate the contributions from our ECA volunteers, as well as the dedicated student volunteers from Sir Winston Churchill High School and Tom Baines School, who have continued to show up strongly to support many of our programs and events.

During the evening, we were honoured to present Barb Elms with the Community Builder Acknowledgement Award in recognition of her meaningful contribution and dedication to the Edgemont community.

We also gave special recognition to our Snow Angels for their incredible commitment throughout the winter season. Their care and consistency made a real difference for seniors and families in our community. In addition, we recognized the strong presence and support from the Sir Winston Churchill student volunteers, whose energy, creativity and teamwork brought so much positivity to our programs this year.

As we continue to grow our volunteer network, I also found that some volunteer email addresses may no longer be valid. If you previously signed up as an ECA volunteer but have not received any emails from us over the last few weeks, please email us at volunteers@edgemont.ab.ca to update your contact information so we can stay connected.

We also recently hosted our annual Nordic Rodeo and Stampede Breakfast in late June. Thank you to all the volunteers who helped support the event and made everything run smoothly. Your time and teamwork helped create another fun and welcoming community gathering for residents and families.

Thank you again to everyone who continues to support ECA and our community programs. Your kindness, care, and contribution truly help make Edgemont a stronger and more connected community.

Jymi Chun
