News From Your Board

As I write this on a beautiful evening in late September, November still feels quite far away. But soon, the golden colours of fall will fade into cooler weather, and it will be time to pull out the toques, scarves, and warm boots.

We have two key days of remembrance in November:

- **Indigenous Veterans Day** (November 8): Honoring the military service and sacrifices of First Nations, Inuit, and Métis members.
- **Remembrance Day** (November 11): A national statutory day to honor all veterans and those who served.

We also have sports history happening right in our backyard! The 113th Grey Cup will take place on November 15 at McMahon Stadium. This marks the 6th time Calgary has hosted the CFL championship game.

November is a great month to finish off your winter checklist:

- Shut off exterior water/hoses, clear gutters, extend downspouts, and seal drafty doors/windows.
- Check that your furnace, dryer, and hot water tank exhaust vents are clear of leaves and debris.

Don't forget inside, with the windows closed against cold weather and the furnace working overtime, it's time to make sure your smoke and carbon monoxide detectors are in full working order. Visit the City Of Calgary Home and Property Maintenance and Home and Safety webpages for more information.

This November will be the first time in over 50 years that Alberta doesn't "fall back." According to Alberta.ca the new time is called Alberta Time (ABT). As a result, commutes will be darker in the morning, so drivers and pedestrians should exercise extra caution.

A little note from the summer, are you as amazed as I am at these numbers? The Edgemont Community Centre

hosted 19 camps and over 45 events with roughly 10,450 participants between July 1 and August 31!

The fun continues with the Youth Community Art Class (November 14, 1:00 to 4:00 pm): Open to ages 5 to 17 and presented by Colour on Fire. To register visit our website under Edgemont Community Association Programs and Events.

On November 28 10:00 am to 3:00 pm we have our famous Winter Market. This popular holiday tradition features local artisans, food vendors, and free hot chocolate courtesy of MLA Julia Hayter. It's a great opportunity to shop local, get a photo with Santa, and support the Holiday Hamper Program.

Speaking of the Hamper Program, we appreciate the continued support of Edgemont residents and business owners. If you would like to spread a little cheer this season please consider making a donation of clothing, toys, or food items. Cash donations can be made online at <https://edgemont.getcommunal.com/donate>.

November History and Trivia:

Did you know the word November comes from the Latin *novem*, meaning nine? In the original ten-month Roman calendar, the year began in March, making November the ninth month. Even after January and February were added centuries later—shifting November to the eleventh month, the ancient name stuck!

As we embrace the shorter days and crisp November air here in Edgemont, this shift in the calendar reminds us of the seasonal cycles that bring us together. Whether you are supporting the Holiday Hamper program, attending an art class or coffee chat, or shopping at the Winter Market, November remains a vital time to connect with neighbours and celebrate our vibrant community.

November in Edgemont

This month greets us with highly unpredictable weather and scenery in our community. While our plants go dormant, preparing themselves for the vast variety of frigid temperatures and chinook blasts in the coming months, your ELM program is ever active.

This month sees the return of the texture, colour, warmth, and comfort of our winter displays in the most impactful locations. Many of the material is reused from previous seasons and the fresh greenery is recycled at the end of each season making this initiative an environmentally friendly element. Many thanks to Edenscapes for your continued support of our program!

Flowers for 2027 have been selected and are now being prepared by our local greenhouse partners. Keep this in mind whenever we are braving any snowstorms; our flowers are not that far away!

The Edgemont Community Association is pleased to have Foothills Landscaping to continue providing us with their care and expertise mowing our parks and medians, and providing beautiful flower arrangements in all of our planters and flower beds next year and beyond. Edgemont is fortunate to have some of the most extensive greenspaces in any Calgary community, but this presents us with some unique challenges that Foothills has overcome.

This year has seen an increase in Northern Pocket gophers also enjoying our community greenspaces. They are different that the more common Richardson's Ground Squirrel as they are extremely solitary and fiercely territorial. Telltale signs are the fresh mounds of dirt found in the mornings from their nocturnal tunnelling activities which cover the entrance. Each tunnel system will normally have only one inhabitant but there may be multiple systems in close proximity, such as in John Laurie Park at the Disc Golf course, making management complex. Although the City Parks carry out the management of Pocket gophers, ELM programs contribute by expediting requests and supplementing the funding of this. Pocket gophers cannot be eradicated but their destructive effects can be minimized with timely intervention.

By this time, the City of Calgary hopes to have the tie-

in of the Bears paw Feeder main work near complete, ending October's planned Stage 4 water restrictions. The planned stability this mega-project's completion will provide the City is paramount and aids in a more stable water supply for our flower program too. Thank you to all residents for their reduced water use during this time.

November will dazzle us with the first of two consecutive super moons. We hope you have an opportunity to walk through our moonlit parks and streets under its presence, and enjoy our many cafés and restaurants, supporting our local businesses, creating memories with friends and loved ones, or just taking a well-deserved moment to yourself in one of the best communities in one of the safest and stable cities and countries in the world. Please remember to give your two minutes of silence on November 11; Remembrance Day, to honour those who gave their lives, service, and so much more we don't really understand, in order for us to have our freedoms every day.

—ELM

VOLUNTEER REPORT

Dear Edgemont Residents,

November is here, and as we head into the winter season, we want to take a moment to recognize the wonderful volunteers who continue to show up and support our community.

Thank You, Edgemont Snow Angels!

A big thank you to all of our Snow Angels who have signed up to support neighbours in our community this winter. Being a Snow Angel is a special commitment. When the snow arrives, our volunteers are there to help seniors and residents who may have difficulty clearing their sidewalks and driveways on their own. Your time and care provide more than a cleared pathway — they bring safety, peace of mind, and the reassurance that someone in the community is looking out for them. We are very grateful to have such caring neighbours stepping forward again this winter. Thank you, Snow Angels!

Casino Fundraiser – November 3 and 4

We're also excited that our ECA Casino Fundraiser is coming up on November 3 and 4! We put out the call for volunteers, and once again, our community responded. We are happy to share that all volunteer roles and shifts have been filled! A huge thank you to everyone who signed up and committed their time to these two important days. The Casino Fundraiser is an important source of funding for ECA and helps us continue supporting community programs, events, facilities, and activities for Edgemont residents. We couldn't make it happen without our volunteers.

If you would like to get involved, meet new people, and make a positive contribution to the community, we would love to have you join the ECA Volunteer Team! Email to volunteers@edgemont.ab.ca and sign up to be included in our volunteer mailing list and stay updated on upcoming opportunities throughout the summer.

We wish everyone a warm and wonderful start to the winter season!

📞 403.286.2222

Patient-focused family and esthetic dentistry in the heart of Varsity, Calgary — caring for every smile under one roof.

No two smiles are the same — and neither are the people behind them. Our Varsity dentists offer the full range of preventive, restorative, cosmetic, and orthodontic care, so your whole family can be looked after in one familiar place.

We take the time to build a plan around your needs, your comfort, and your goals.

MEET OUR DOCTORS

The dentists behind your smile

Experienced, compassionate, and genuinely invested in your comfort — meet the team caring for Varsity families every day.

Dr. Jason Pan

Dr. Pan has been proudly caring for Calgary smiles since 2014. Born and raised in Alberta, he earned his Bachelor of Science in Biology with Honors and Distinction from the University of Lethbridge before completing his dental education at Boston University, graduating Magna Cum Laude.

In the clinic, Dr. Pan finds genuine satisfaction in the details — a well-crafted filling, a subtle esthetic improvement that gives a patient a fresh sense of confidence. His approach is calm, thorough, and rooted in a real desire to make dentistry feel approachable.

Outside the office, he's equally at home on a challenging hiking trail, camera in hand, as he is curled up with a book or experimenting in the kitchen. After work, you might catch him out for an evening walk with his dog, stopping to chat with the neighbours along the way.
