Thank You

We had an incredible turn out for our stampede event on Saturday. Based on previous years we expected 350 people but were very surprised to have double that in attendance! The increase was unpredictable and we quickly learned that our preparation for 500 servings was far too conservative. This jump in numbers will absolutely be taken into consideration in years to come, we appreciate your patience as we adjust and begin planning for next year.

A very special thanks to:

Accidental Poisoning

by Alberta Health Services

Emergency Medical Services (EMS) would like to remind parents and caregivers of precautions to prevent accidental childhood poisonings around the home. Ingesting prescription or over the counter (OTC) medications is a significant cause of accidental childhood poisonings. Other causes of poisoning include ingesting or coming into contact with household items such as dishwasher tablets, mouthwash, or chemicals such as paints, solvents and cleaning products.

Medication Storage

- Place all medications in locked containers and store in an area inaccessible to children
- For easy identification, store all medications in their original packaging; do not mix multiple medications in a single bottle
- Install child locks on all cabinets, or drawers where medications are stored

Safety Tips

- Child-resistant medication bottles are not child proof. They can still be opened by a child
- Take extra precaution with medicines designed to appeal to children such as chewable vitamins or flavored cough and cold syrups
- Promptly dispose of any medications or toxic household products no longer in use

Prevention

- Store household products, cleaning supplies, and cosmetics in locked cabinets or drawers
- Install child latches on cabinets children might also access by climbing on counters or chairs
- Label all plants in and around your home and garden
- Antifreeze, windshield washer fluid, and pesticides are extremely poisonous. Even small amounts of these can cause serious illness if ingested

Poisoning information can be obtained by calling the Poison and Drug Information Service (PADIS) at: 1-800-332-1414.

In case of a poisoning emergency, call 9-1-1. Provide the name of the product ingested and, if it is safe to do so, a sample of the substance for EMS to inspect on their arrival.

News from the Friends of Nose Hill

by Anne Burke

The Open Space Plan says that our city's greatest asset is the natural environment and wildlife, so we should foster stewardship with nature education programs. Calgary parks are linked by pathways and green belts. We must protect and conserve the river valley system, unique prairie, urban forest, and foothill ecosystems.

The Plan conforms with provincial land use policies and the Municipal Government Act. There are some general principles. We will preserve natural environment parks and environmentally significant areas, enhanced by restoration to prevent loss. Site-specific plans recommend that we record biophysical inventories and historical resources for cultural landscapes such as Nose Hill.

The Open Space Plan is under review. One of the aims is learning how to improve natural environment parks through decision-making that puts the environment first. Natural habitats offer places for wildlife to find food, water, cover, and to raise their young. We can reconnect, rest, and mentally recharge. Nose Hill offers sacred indigenous spaces of culture—past, present, and future.

Connect: Calgary's Parks Plan, Phase 1 engagement ran from April 17 to May 19. A *What We Heard Report* will be published online this summer. Phase 2 starts in October 2023.

GREEN SAND BEACH

Carved into a cinder cone volcano on Hawaii's Big Island, Papakōlea Beach is one of four green sand beaches in the world! Its green shores are made of granulated olivine, an olive-coloured mineral known as peridot when it is of high quality. Olivine is present in lava on the Big Island and continues to be washed out of the cinder cone and onto the beach!

Parks Wayfinder: Discover Calgary Parks

Summer is in full force and it's the perfect time to enjoy the outdoors and visit Calgary's many parks. The Parks Wayfinder Map is a tool that helps you search for the nearest washroom, drinking fountain, waste/recycling disposal, firepit, picnic table, off-leash area, sports field, park vendor, and other amenities available in City parks.

Visit <https://maps.calgary.ca/ParksWayfinder/> to learn more.

When it Roars, Stay Indoors

Summer is a beautiful time of year to spend outside under the warm sun, but it's also Calgary's most active storm season. While storms can be mesmerizing and exciting, they can also be dangerous.

Summer storms often bring hail which can damage property and cause injuries. Plan ahead by parking under shelter, securing items that might blow away, removing weak branches from trees, and clearing debris from your yard.

During a storm, it's best to stay in an enclosed building or hard-topped vehicle. Stay away from high ground, trees, telephone poles, picnic shelters, and open spaces, to avoid being hit by lightning.

Sign up for emergency alerts and learn more about how you can prepare by visiting calgary.ca/getready.

Four-Legged Friends Seeking Homes

The City has reinstated its adoption program to help more animals find homes. For a limited time, adopt your furever companion at Animal Services at a reduced rate!

Now only \$100, the adoption fee covers:

- Spay or neutering surgery
- Microchip implant for identification
- A twelve-month City of Calgary license
- First set of vaccinations (excluding rabies)
- De-worming
- A bag of pet food

By adopting from a local shelter, you can make a direct impact by saving a life and contributing to the overall welfare of animals in your area.

Interested in adopting a pet? Check out the adoptable animals on calgary.ca/pets.

After a cancer diagnosis and leg amputation in 1977, 18-year-old Terry Fox began a cross-Canada run to raise funds for cancer research. He ran from 4:30 am to 7:00 pm for 143 days!

Thanks to Terry and his incredible legacy, a total of \$850M has been raised! In honour of this indomitable Canadian, August 7 is National Terry Fox Day.
