Sulphur Mountain Sasquatch

by Garth Paul Ukrainetz

Where hot springs flow from long ago
Where mountain trees did younger grow
A Sasquatch soaked in water hot
And all his problems there forgot

But then one day his world would change
His dear ol' Rocky Mountain range
Banff National Park, the first to be
Now tourists flocked for all to see

Up Sulphur Mountain Sasquatch climbed
His favourite hot pool left behind
He at the top made cave of snow
And cried alone in moonlight's glow

From high above he got to scheming
He'll go back down while Banff was dreaming
So, down below he'd go at night
And back up top by morning light

Where hot springs flow from long ago
Where mountain trees now older grow
A Sasquatch soaks in water hot
With one eye open, lest he be caught

How You Can Support an Emotionally Avoidant Partner

by Nancy Bergeron, R. Psych. | info@nancybergeron.ca

Supporting a partner who struggles with emotional vulnerability can be challenging—especially if your own emotional needs aren't being met. You can offer support, but you are not responsible for doing their emotional work for them. Here are some ways you can create a safer environment for emotional connection:

1. Model Emotional Safety

- Be open with your own emotions in a grounded, non-blaming way.
- Use “I feel” statements instead of “You never” accusations.
- Normalize vulnerability by showing that emotions are human, not shameful.

2. Respect Their Pace—but Hold Boundaries

- Understand that emotional change takes time.
- Avoid forcing deep conversations when they're emotionally shut down.
- At the same time, be clear about your own needs. It's okay to say, “I need emotional openness in this relationship to feel connected.”

3. Affirm Effort, Not Just Outcomes

When your partner makes even a small attempt to open up, acknowledge it gently. “Thank you for sharing that.

It means a lot.” “I know that wasn't easy for you to say.” Positive reinforcement helps override the fear that emotional vulnerability will lead to shame or rejection.

4. Don't Take Avoidance Personally

Their emotional withdrawal is usually about self-protection, not about you. Try not to interpret their distance as lack of care—it's more often fear, confusion, or discomfort.

5. Encourage—but Don't Rescue

- Invite them into deeper connection but avoid doing all the emotional work.
- Encourage therapy or men's support groups where they can build emotional awareness in a safe space.

6. Stay Connected to Your Own Emotional Needs

Supporting someone else emotionally doesn't mean abandoning your own needs. Therapy, journaling, or support groups can help you stay grounded and clear about what you need in the relationship.

Emotional avoidance doesn't mean a man is incapable of love—it means he may be stuck in old protective patterns. With patience, boundaries, and the right kind of support, many emotionally avoidant men can learn to build deeper, more connected relationships.

Salmon and Broccoli Rice Bowl

by Jennifer Puri

Raw or cooked, broccoli is a nutrient-rich vegetable packed with vitamins, minerals, and fibre.

Steaming or roasting tends to preserve the most nutrients and flavour, but raw broccoli is also a great option when paired with dips or in salads.

Cooking broccoli can soften the tough fibres making it easier to chew and digest. Nutrient-rich and low in fat, broccoli can be a healthy, low-calorie snack.

When purchasing broccoli, choose bright green broccoli with crisp, dark green leaves and tightly closed buds. Store in the refrigerator and wash only when you plan to use it.

Create your own stir-fry sauce or use a store-bought one as shown in this simple and easy to prepare salmon and broccoli rice bowl recipe below.

Prep Time: 15 minutes

Cook Time: 20 minutes

Servings: 2

Ingredients:

- 2 fillets of Salmon (4 oz. each)
- ¼ tsp. pepper
- ½ tsp. salt
- 1 tbsp. olive oil
- 2 tsp. black sesame seeds
- 1 crown of broccoli sliced
- ½ cup store-bought stir-fry sauce
- ½ tsp. crushed garlic
- ½ tsp. crushed ginger
- 1 tbsp. sesame seed oil
- 2 cups cooked white, brown, or black rice
- ½ avocado sliced

Directions:

1. Preheat oven to 400 degrees Fahrenheit.
2. Place salmon fillets on a foil lined baking sheet. Drizzle the olive oil on the fillets, sprinkle the salt and pepper, and then bake on the middle rack of the oven for 18 minutes or until salmon is cooked through. Remove salmon from oven, sprinkle with black sesame seeds,

and cut into small chunks.

3. Heat 1 tbsp. of sesame seed oil in a skillet, add the broccoli florets, and sauté on medium heat for 3 to 4 minutes.
4. Next add the garlic, ginger, and stir-fry sauce and continue to sauté until broccoli is tender.
5. To serve, divide the rice into two bowls and top with salmon pieces, broccoli, sliced avocado, and lemon wedges. Spoon additional stir-fry sauce on the broccoli if desired.

Bon Appétit!

The 2025 General Election Is Here

by The City of Calgary

Eligible voters can cast their ballots for the 2025 General Election starting October 6, 2025.

During Advance Vote, from October 6 to 11, voters can vote at any of the Advance Vote stations, regardless of the ward in which they reside.

On Election Day, October 20, voters must vote at their designated voting station.

Voters can use the "Where Do I Vote?" tool on the Elections Calgary website to find their nearest Advance Vote location, as well as their designated voting station on Election Day.

Special (mail-in) ballots are available for request for voters who cannot vote during the Advance Vote or on Election Day for any reason. The last day to request a mail-in ballot to be mailed to you is October 3. The last day for in-person pick-up is October 20 at 10:00 am. All mail-in ballots must be received by the Elections Calgary office by 12:00 pm (noon) on October 20. Mail-in packages can be requested online or by calling 403-476-4100.

More information on where, when and how to vote, voter identification requirements and other important information about the 2025 General Election can be found at electionscalgary.ca/vote or by calling 403-476-4100.

News from the Friends of Nose Hill

by Anne Burke

The first recorded land occupancy of Nose Hill was an 88,000-acre lease in 1882. Large range leases were bought by well-financed ranchers, such as Senator Patrick Burns, who purchased most of two sections of Nose Hill. Cattle grazing occurred until Nose Hill was established as a park. Crops, such as wheat, oats, and rapeseed, were first grown on the plateau in 1907. Privately held farmland was horse pasture until 1912. The negative impact of horse and cattle grazing was widespread on slopes and ravines. However, it helped to control taller nuisance weeds, such as thistle and common nettle.

By 1910, Calgary's boundaries extended north to 48 Avenue. Residential development between 1945 and 1959 pushed as far north as Capri Avenue and east of 14 Street as far north as 56 Avenue. Aerial photographs reveal traffic to and from fields on the Hill to sites in the ravines and gullies along the escarpment. There were many old vehicle trails. Pickups and 4x4 trucks on the Hill used the sloping benches south of 56 Avenue and east of 24 Street. Trail development and use by walkers increased with the Winter Club.

Gravel mining began in 1961. Many Owls Valley was part of the route for commercial trucks on the main road and along the ridge on the south slope of the valley. Severe damage was caused to slope crests and the top of hummocky areas. Construction of John Laurie Boulevard in 1968-69 caused overuse in areas without fencing. More people trespassed on private lands north of the Boulevard or drove to riding club stables south of the gravel pit. There were many horse trails and dirt bikes, walkers, and joggers from 1975 to 1980. Agriculture on the Hill was suspended in 1979.
