The original Star Wars trilogy could have ended very differently if George Lucas had gone with his first idea. Luke Skywalker almost took a dark detour following in his father, Darth Vader's footsteps. Ultimately, the team decided against this and good prevailed over the dark side.

## Beauty and the Chimera

In the classic fairytale *Beauty and the Beast*, “Beauty” is a human but what exactly is the “beast”? This character is a chimera! A chimera is a single organism with more than one genotype...essentially, he is a mix of different animals! Chimeras can have different blood types and can come from more than one zygote. How cool!

## Shrimp And Rice Noodle Stir Fry

by Jennifer Puri

Seafood has a variety of nutrients that contribute to our well-being and is also low in calories.

A great source of lean protein, seafood is good for our eyes, heart, brain, muscles, skin, and bones.

Generally, fatty fish such as salmon and mackerel are better as they contain fat soluble nutrients our bodies can absorb.

Raw shrimp should be firm, and their shells should always be translucent, greyish green, light pink, or a pinkish tan in colour.

Seafood is delicious, healthy, cost-effective, and easy to prepare as shown in the recipe below.

**Prep Time:** 15 minutes

**Cook Time:** 15 minutes

**Servings:** 3 to 4

### Ingredients:

- 225 g rice noodles
- 16 jumbo size shrimp
- ½ red pepper thinly sliced
- 16 snow peas
- 12 baby carrots, sliced
- 8 broccoli florets
- 4 green onions thinly sliced

- 4 tbsp vegetable oil
- 4 to 5 tbsp dark soy sauce
- 4 tbsp green curry paste
- 1 tbsp red chilli flakes

### Directions:

1. Prepare rice noodles in accordance with package instructions, drain and set aside.
2. Heat 3 tbsp of oil in a wok or skillet, add green onions and sauté until they turn a light brown.
3. Add the sliced carrots, red pepper, broccoli, and snow peas. Stir fry for about five minutes or until tender, then add the green curry paste and soy sauce and sauté for another two to three minutes. Remove from heat while you cook the shrimp.
4. In a frying pan or wok, heat the remaining oil, add the shrimp, and sauté for three to four minutes or until the shrimp turn pink and are no longer translucent.
5. Add cooked shrimp and noodles to the veggies and return skillet to the stove allowing it to heat through before serving.
6. Garnish individual bowls with sliced green onion and some chilli peppers if desired.

Bon Appétit!

## 4-H Alberta Six-Week Intro Clubs Popular Among Calgary Families

by Lori Nielsen, Senior Program Coordinator for 4-H Intro Clubs

Ever since the launch of the initiative in September, 4-H Alberta's Intro Clubs have achieved success in various communities throughout Calgary. This pilot program has now hosted four introductory clubs dedicated to introducing the youth to the world of 4-H with two more currently running in April. Among these clubs are the renowned Explore 4-H program, a baking club, and four daytime homeschool clubs, each tailored to cater to the diverse interests of the young individuals in the region.

Youth programs like 4-H help develop positive well-being in young people. The 4-H Intro Club initiative is a great way for young people to develop important life skills and make new friends without a huge time commitment. This innovative program offers a refreshing alternative to year-long commitments, making it highly accessible for families with busy schedules.

4-H Intro Clubs will continue to be offered in various locations throughout the city until July. There will be two new clubs offered this spring including a six-week program starting on May 1 at the Kingsland Community Hall from 6:00 to 8:00 pm, and a "touring" club in June. The program is open to youth ages 9 to 18 and is limited to 15 members per club. Email [introclubs@4hab.com](mailto:introclubs@4hab.com) or visit [www.4hab.com/member-programs](http://www.4hab.com/member-programs) for more information.

Dear Ward 4 Residents,

Emergency Preparedness Week is May 5 to 11, 2024! Emergencies can occur unexpectedly, and being prepared beforehand is essential for your safety, your family's, and your community's well-being.

Throughout this crucial week and beyond, it's crucial for Calgarians to prepare for emergencies by understanding local hazards, staying informed with alerts, and creating an emergency action plan. Download our plan at [calgary.ca/getready](http://calgary.ca/getready).

Building a strong community network is equally important. Establish connections with neighbours, coworkers, and friends to enhance safety measures during crisis.

For comprehensive guidance on emergency preparedness and details regarding community events during Emergency Preparedness Week, visit [calgary.ca/getready](http://calgary.ca/getready).

Celebrate Neighbour Day 2024 on Saturday, June 15, and join in fostering stronger community bonds! This year, we invite you to take part by organizing a block party with your neighbours. The good news is, obtaining permits for block parties and greenspaces is absolutely free for Neighbour Day. Make sure to apply for your permits by May 31, 2024, through [calgary.ca/NeighbourDay](http://calgary.ca/NeighbourDay). As an added bonus, consider inviting esteemed guests like the Mayor, your local councillor, or even arranging for a visit from a police officer or a fire truck to drop by your event. Plus, there's an opportunity to win fantastic prizes, including the chance to enjoy 30 minutes of live musical entertainment at your block party.

Neighbour Day fosters community connections, enhancing neighbourhoods where neighbours support each other. Share your Neighbour Day experiences on social media with #YYCNeighbourDay and explore [calgary.ca/NeighbourDay](http://calgary.ca/NeighbourDay) for details.

Thank you all for your attention.

Best,

Councillor Sean Chu

One year ago, on May 29, I was elected to represent my home riding of Calgary-Beddington. Much like the old adage, "the days are long, but the years are short", this first year has flown by! The focus in this first year has been on setting up the constituency office to best address community needs, learning the ropes in the Legislature, and spending time in the community to hear your concerns.

It has been wonderful meeting so many Calgary-Beddington constituents over this last year. Sometimes you come to me, and we love having you drop into our office or pop by one of our 'Meet Your MLA' events at the Judith Umbach Library. Sometimes we meet in the middle, at community events like Huntington Hills' pancake breakfast, Sounds and Spirits in Hidden Valley, or the Winter Carnival at the Beddington Theatre Arts Centre. Sometimes I come right to your doorstep, because the best engagement happens where people are (and often people are) at home.

However we may have met, I want to thank you for giving me your time and attention. Thank you for bringing me your concerns about leaving the CPP, about long wait times for hip and knee surgeries, about coal mining in our mountains, and about education funding that has dropped to the point that we now have the lowest funded students in the country.

I will continue to raise your issues in the Legislature and hold this government to account. I look forward to meeting you one day soon whether it be in my office, at a community event, or on your doorstep.
