DJ KELLY FOR WARD 4

Calgary's Future Announces Official Endorsement for Ward 4: DJ Kelly

DJ Kelly is a Proven Community Builder

Calgary City Council candidate DJ Kelly is a dedicated community leader who lives and works in Ward 4, where he's raising his family. He's the former Community Association President in Winston Heights-Mountview. DJ is a former City staffer who authored Calgary's Digital Strategy and also led strategy on the Corporate Cultural Transformation Project. He initiated Calgary's Open Data Portal, making City data available to the public, and the Calgary's Poet Laureate program.

As Director of Community Partnerships at the University of Calgary, DJ has built impactful partnerships with many different community groups to improve the lives of Calgarians, such as TELUS Spark, Calgary Economic Development, Calgary Pride, Calgary Stampede and United Way of Calgary and Area. DJ has also been recognized with local, national and international awards for his volunteer work.

Here's why DJ Kelly is the right choice

Here at Calgary's Future, we're looking for council candidates who will give their community a real voice at City Hall. DJ's already led key municipal projects and championed transparency. He's helped build Calgary's reputation into a creative hub for arts and culture.

He knows how the City works better than most people, and he's demonstrated time and again that his main priority is to make Calgary, and Ward 4 a better place to live. We're confident he'll show up for his ward to do more than just vote no. Ward 4 deserves a councillor who knows the city, lives the issues, and gets things done. That's DJ Kelly.

Here's why we're endorsing DJ Kelly:

- **Knows Ward 4:** Longtime resident, active in local schools and community groups.
- **City Hall experience:** Former City staffer who already knows how to get things done.
- **Proven leader:** Builds partnerships that make Calgary better.

"I first ran in 2021 because neighbours asked me to step up when Ward 4 needed strong representation. Today, I'm running again because Calgary is at a turning point. We need councillors who listen, collaborate, and take action to build a city that works for everyone."

— DJ Kelly, Calgary City Council Candidate for Ward 4

If you want to hear more about where DJ Kelly stands on the critical issues facing Calgarians, check out his answers to our Candidate Questionnaire.
