## *Dads fix everything*

Your dad is the one person who has always been there for you, whether you needed a shoulder to cry on or someone to help you celebrate your successes. He's always been your biggest supporter and he's always believed in you.

So, it's time to let him know how much you appreciate what a great dad he is. Thank him for being such an amazing man and how he has been such a positive influence on you. It can be as simple as a genuine compliment, spending time with him, watching one of his favourite sports team with him or joining him in one of the hobbies he loves.

*Cambrian Pharmacy wishes all DADS a very Happy Father's Day!

# Triwood Writers

What stories have you lived?

You can become a part of Triwood Writers, already five strong! Join us in the community centre board room from 1:20 to 4:00 pm on the first Tuesday of each month – even in July and August!

This group is designed for individuals who are interested in sharing their personal experiences and memories through the art of writing. Members provide friendly, helpful suggestions to make you become a better writer - take them or leave them! We all learn together. Whether you're a seasoned writer or a novice, our group provides a welcoming environment for all.

Bring your stories told in 500 to 1,500 words. You'll circulate your story by email to our small group a week before each get-together. Then we'll meet to discuss every submission. You'll also get feedback on your writing emailed from each member after each meeting.

It's not a writing course! It's an exploration. It's fun!

Each month through our story sharing, our group dives into collaborative feedback, creating community connections, and personal growth.

Interested? Contact Colleen Tobman at [tobman@tobman.ca](mailto:tobman@tobman.ca) and try something new!

## Safely Dispose of Pressurized Tanks and Canisters

by the City of Calgary Waste and Recycling Services

Going camping, hiking, or hosting a barbecue this summer?

Make sure you safely dispose of pressurized tanks, canisters, and aerosols (empty or full), including:

- Bear spray canisters
- Small camping propane tanks
- Butane canisters
- Standard barbecue tanks
- Helium tanks

Take these items to a household hazardous waste drop-off at designated fire stations or City landfills for safe disposal. Do not put these items in your blue, black, or green carts.

When put in a cart these items become a safety hazard for your collector and the staff at waste management facilities. Items can also damage collection trucks and sorting equipment.

Visit [calgary.ca/hhw](http://calgary.ca/hhw) to check the list of drop-off locations.

## Ribbit

Frogs are amazing creatures! Though they have lungs that allow them to breathe just like humans, they are also able to absorb water and respire through their skin! It is quite permeable, so as long as oxygen levels in the water don't get too low, frogs can breathe on land and underwater!
