## What is Cart Contamination?

*by the City of Calgary, Waste and Recycling Services*

We talk a lot about putting the right items into your blue, black, and green carts to avoid contamination. But what exactly is contamination?

Contamination is when the wrong items are put in the wrong bins. Sorting your waste into the right carts ensures materials end up at the right facility to be turned into new products or to be disposed of properly.

Most people do a good job with their carts. But the consequences of contamination create real challenges that impact the waste facilities, the health and safety of workers, and increase program costs for Calgarians.

Working together, we can keep our facilities and staff safe while ensuring our waste programs run properly.

Learn more at [calgary.ca/contamination](http://calgary.ca/contamination).

## Do You Remember?

Do you remember the 21st night of September? Neither does Earth, Wind & Fire! The legendary band chose that date for their hit "September" simply because it flowed perfectly with the music. Even without a profound backstory, this funky disco anthem has endured, keeping dance floors alive and kicking!

## Work Opportunities

Unemployment in Calgary continues to rise, but many do not know where to start the job search, especially if they are looking to change careers. Our local economy benefits when those looking to fill jobs get connected with the right people.

Whether you are in need of a job, or simply looking to shift direction into a new career, the federal government's Job Bank is a great place to start. Simply visit [www.jobbank.gc.ca](http://www.jobbank.gc.ca). You can also download the app for use on your phone and use the alert system to highlight new opportunities as they happen.

The Job Bank allows you to search for jobs under many different criteria. Currently, there are more than 10,000 jobs listed in Calgary alone. More than half of them pay over \$40,000 per year and about 15% of them pay over \$60,000 per year. It should be noted that about 90% of these jobs are permanent positions and have been verified.

You can search for jobs by location, pay rate, job type, language, contract length, or by employer. You can also search for employment opportunities that are targeted to certain employment groups like veterans, persons with disabilities, youth, mature workers, and Indigenous people.

In addition, the website has a number of career planning tools and lots of labour market information. This allows you to see the skills/education/certification needed and the types of wages being offered for particular jobs here and across Canada. This also allows you to know if the wage you are being offered is competitive or not.

Finally, it is worth mentioning that employers can list on the Job Bank for free. By posting your employment opportunities here, you will ensure a wide audience on a reputable website which will help you recruit the best talent available for your business.

Give it a try!

The BiodiverCity Advisory Committee advises the City about urban biological diversity in the natural world in all its forms. The aim is to advance a Plan based on The Durban Commitment: Local Governments for Biodiversity. The City must work toward better protection of natural area biodiversity and has introduced targeted grazing, naturalization, and the elimination and prevention of invasive plant species. While the City has developed certain policies and procedures, the Advisory Committee continues reviewing City initiatives impacting biodiversity and measures their progress against the City's strategic plan.

The Advisory Committee reports to the Community Development Committee and to City Council when it provides an annual progress report. The Committee has 15 members appointed by Council, ten from the public with specialized knowledge and relevant experience, including one youth (18 to 30) and five staff from specific departments who meet regularly in person (or join online). Meetings are open to the public. However, despite many accomplishments, the mandate to engage Council as citizen scientists who make recommendations has proven to be difficult.

The Committee struggled in past years to gain their attention and staff time is limited. Now even the status of the Committee is in doubt. With the end of the Calgary ten-year Biodiversity Strategic Plan (2015-2025), City Council voted to dissolve the Committee next year on what will be its 10th anniversary. ("2024 Annual Update from Boards, Commissions, and Committees") An option to collaborate with the Anti-racism Committee, regarding access to natural areas, was put on hold to explore the merger of the BiodiverCity Advisory Committee with the Climate Advisory Committee. Nevertheless, the members are preparing a full and final report for 2025. Past reports are available at [www.calgary.ca/committees/biodiversity-advisory.html](http://www.calgary.ca/committees/biodiversity-advisory.html).

## Korean Beef Bowl

by Jennifer Puri

Ceramic rice bowls are believed to have originated in Japan and then migrated to Korea, China, and other parts of Asia. Distinguished by their nature influenced designs, motifs, durability, and water absorbency, Japanese earthenware is perhaps the oldest ceramic tradition in the world.

Incredibly versatile, rice bowls combine fresh vegetables, grains, and protein making them a colourful and healthy dinner choice.

You can create different versions of rice bowls by layering the bowls with a combination of cooked white, brown, or yellow rice, raw or roasted vegetables, chicken or beef. Toppings could include pickled ginger, basil leaves, toasted peanuts or sesame seeds and a drizzle of gochujang or sriracha sauce.

This quick and easy to prepare Korean Beef Bowl is a combination of fresh flavours and just the right amount of spice.

**Prep Time:** 12 minutes

**Cook Time:** 15 minutes

**Servings:** 4

### Ingredients:

- 1 lb lean ground beef

- ½ tsp coarsely ground black pepper
- 1 tbsp soya sauce
- 1 tsp sesame oil
- 1 tbsp honey
- 1 tbsp gochujang sauce
- 2 cups of thinly sliced cucumber
- 2 cups of thinly sliced carrots
- 2 cups of thinly sliced radish
- 3 green onions thinly sliced
