Changes to TPCA Classes and Programs

We have been working hard to balance our operational budget, and with the balancing of our budget we have had to make a change to the programs we have been offering. Our community-run programs will be changing from free classes to paid classes beginning in July 2026. The programs affected will be: TPCA Senior's Fitness with Pat, TPCA Hatha Yoga with Jennifer, and TPCA Walk15 Fitness with Nancy.

We are proud that we have run these classes for many years free of charge, unfortunately we cannot sustain the cost going forward. We are working with our amazing instructors to reformat the classes to be paid programming. More info to come.

Please watch our website and speak with your instructors on how to sign up for future classes.

If you have any questions, please contact gm@tuxedoparkcommunity.ca.

PRESIDENT'S MESSAGE

Happy summertime, Tuxedo Park!

I hope you are enjoying the season and all the beauty it brings.

A belated thank you to everyone who attended the TPCA's Annual General Meeting in May. It was great to see so many engaged neighbours! At the meeting, we heard about the City of Calgary's preliminary plans to convert the old Tuxedo School site into a library, along with housing and other amenities. We also heard from our Ward 7 Councillor, Myke Atkinson, and our MLA Lizette Tejada. Our new Art Programmer, Jana Norris, also gave us an introduction to the City's brand-new pilot program centered on the arts in Tuxedo Park this year.

That pilot program is based on the wildly successful program your TPCA Board of Directors ran, at our own expense, in 2024/25. We are thrilled to see the City take that concept and make it their own—with the possibility of rolling it out to other communities in the future.

The recurring theme that we heard through the night was the importance of reporting. Is that burnt out streetlight annoying you? Call 3-1-1. Do you wish there was a sidewalk on your side of the street? Call 3-1-1. Was your car prowled? Report it to CPS. Were you the victim of a break in? Call 9-1-1. The more the City and CPS hear from us, the more we will see conditions in our community improve.

And, of course, we rounded out the evening by electing your 2025/26 TPCA Board of Directors. I'm so honoured to work with such dedicated volunteers! Thank you to Marina, Shelby, Sofi, Amy, Peter, Kelly, Vishveshwar, and Nicole for serving our great community. And thank you, Tuxedo Park, for putting your trust in us.

Interested in volunteering with the TPCA? Please contact me to discuss all the great opportunities we have available.

Anne Johnson

Meet Your Arts Programmer

Hello Tuxedo Park Community!

My name is Jana Norris, and I'm excited to introduce myself as your new Arts Programmer. I am a practicing artist and have been a City of Calgary art instructor for over 20 years.

Throughout my career, I've been passionate about fostering creativity, building connections, and making the arts accessible to everyone.

In this new role, I'm here to help grow and support arts programming within our community. Right now, we are in the assessment phase - listening, learning, and exploring what kinds of creative opportunities would best serve Tuxedo residents. There is lots of exciting news and programming on the horizon, and I look forward to sharing more soon.

Your voice is an important part of shaping what comes next. Please feel free to share your ideas, interests, and feedback with me at jana.norris@calgary.ca.

TOUR DE FRANCE

The Tour de France is one of the most famous cycling races of the past century. Did you know the route measures over 3,000 km and has riders on the road for 23 days!

RECIPE OF THE MONTH

July 30 is National Cheesecake Day!

Try baking one of your own to celebrate!

Ingredients

- 2 cups of graham crumbs
- 1/2 cup of butter or margarine, melted
- 1/4 cup of white granulated sugar
- 2 tsp of nutmeg (optional, make it whatever flavour you would like)
- 2 blocks of cream cheese (6oz)
- 1/2 cup sour cream
- 3/4 cups of white granulated sugar
- 2 eggs
- 1 tbsp vanilla extract, or vanilla bean paste

Instructions

1. Preheat oven to 325° F. The lower temperature will help the centre cook without burning the exterior.
2. In your 9' spring pan or baking dish, pour in your graham crumb, 1/4 cup of sugar and melted butter. Using your hands gently combine everything until it becomes equally incorporated. It should feel like wet sand. If mix seems too dry you can add a little more butter to help it stick.
3. Spread the mixture evenly across the base of the pan and firmly press down into an even layer. Feel free to use a heavy glass or another pan to help pack it down.
4. Set aside while preparing the filling.
5. In a large bowl add your cream cheese blocks, sour cream, nutmeg, and sugar.
6. Beat the two ingredients together either with a hand mixer on speed 2, or by hand if you prefer. We are looking for the mixture to be smooth and fluffy.
7. Add the eggs and vanilla and continue mixing. At the end you should have a smooth, thick batter that coats the blades of your mixer.
8. You've made it! This is the easy part. Simply pour your batter overtop of the prepared base, smooth out the top to make it as even as possible, and place it in the oven. Let it bake for 45 minutes to an hour. If you're feeling fancy, you can spray some water into the oven around the halfway point. This steams the oven and can give the cheesecake a more even tone. You know it is done when you gently shake the pan and there is little to no movement in the centre
9. Remove from the oven, rest at room temperature until completely cooled, and enjoy your delicious cheesecake.

Summer Gardening Made Easy

by The City of Calgary

The City of Calgary's YardSmart program offers tips to keep your yard thriving, rain or shine.

- Make the most out of rainy days. Plants prefer rainwater over water from the hose. Collect water with a rain barrel and use it to water your yard. Point downspouts towards your lawn or garden, so they soak up every drop.
- Mow less often. Keep your grass two to three inches high to shade the soil and leave clippings on your lawn.
- Add mulch to garden beds. Mulch helps prevent water evaporation and reduces weeds. Use two to four inches of mulch on top of garden beds, leaving an inch around the base of plants.
- Water plants at the roots—low and slow, allowing the soil to fully absorb the water. Hand watering with a watering can, using drip irrigation, or using soaker hoses are all effective ways to water plants at the roots. If you're watering with a sprinkler or irrigation system, remember to water on your scheduled days. Visit calgary.ca/whentowater for more information on Calgary's lawn and landscape watering schedule.

Now that your yard is summer-ready, it's ready for its close-up.

Share your YardSmart yard with us for a chance to be featured on calgary.ca. A YardSmart yard can include:

- Drought tolerant, water-wise plants
- Lawn alternatives
- Rain barrels or other rain harvesting set-ups
- Efficient irrigation systems
- Native plants
- Rain gardens

Simply snap a photo of your Yard Smart yard and complete the 'Show us your yard' form at calgary.ca/yardsmart.

Green Bins Are for Food Scraps and Yard Waste

by The City of Calgary, Waste and Recycling Services

Food scraps belong in the green cart, but packaging does not. Plastic does not compost and can break into small pieces during processing, which can contaminate the finished compost. All food scraps must be separated from packaging before composting, even if the packaging says it is biodegradable or compostable.

A few simple habits can make a big difference:

- Remove all plastic before putting food scraps in the green bin.
- Empty and clean plastic, glass, and metal containers go in the blue cart.
- Plastic wraps, foam, and other non-compostable packaging belong in the black cart.

Putting food scraps in the green cart and packaging in the right bin helps keep compost clean. If you are not sure where an item goes, visit <https://www.calgary.ca/waste/what-goes-where/default.html>.

Heat-Related Illness

by Alberta Health Services

ALTA Paramedic Health would like to remind everyone to stay safe in the heat and sun this season. While children, older adults, and individuals with underlying health conditions may be more susceptible to the effects of heat and sun, everyone should take basic preventive measures to avoid heat-related illness during periods of hot, humid weather. Text HEAT to 88111 to receive tips on heat safety.

Heat Exhaustion

- Heat exhaustion can occur due to excessive fluid loss during prolonged sweating in a hot and/or humid environment (indoors or outdoors).
- Symptoms may include headache, weakness, fatigue, nausea/vomiting, thirst, chills, and profuse sweating.
- The person is often cool and damp to the touch, and the skin may appear pale or dusky grey.

Heat Stroke

- Heat stroke is a medical emergency and, without prompt treatment, can be fatal.
- It occurs when the body is unable to regulate its temperature (e.g., through sweating), causing body

temperature to rise to dangerous levels.

- Due to severe dehydration and failure of the cooling system, the skin may appear hot, dry, and flushed.

First Aid

- First aid for all heat-related illness begins with removing or sheltering the person from the hot environment.
- Remove excess or tight-fitting clothing and allow the person to rest in a cool environment.
- If the person is conscious and alert, provide suitable fluids such as water, juice, or a sports drink.
- If you are concerned, seek medical attention.

Prevention

- Stay well hydrated by drinking water regularly.
- Be aware that excessive alcohol and caffeine consumption may contribute to dehydration.
- Wear a broad-brimmed hat to protect your face and neck from the sun.
- Apply (and reapply) water-resistant sunscreen with a minimum SPF of 30+, especially for children.
- The sun's UV rays peak between 11:00 am and 3:00 pm, even on cloudy days.

July's Reflection

by Michelle Macdonald, Letter Writing and Mail Club Enthusiast.

If you were given a travel pass, but could only visit fictional places (think myths, fairytales, movies, or books), where would you go, and how would you pass the time?

Dear reader,

When I considered this delightful question, one place instantly captured my imagination: Hobbiton from *Lord of the Rings*. The thought of stepping into that beautiful, safe, cozy world evokes a powerful sense of nostalgia and longing for a pastoral life. Since watching that movie decades ago, I have thought about how idyllic life would be in Hobbiton. The soft, rolling hills, lush green grass, and livestock in the paddocks create such a romantic setting.

Hobbiton represents an escape from the chaos and harsh realities of the world. Life in Hobbiton is quiet and simple, offering a refreshing break from our busy modern life.

In this charming world, I would spend my days in the paddocks, tending to my flock of sheep. Every seed I plant would thrive and grow enormous, plump, and absolutely delicious fruit and vegetables. I would also enjoy gathering wildflowers and decorating my home with them, brightening up the enclosed hobbit home with colour and life. In this fantasy, they wouldn't make me sneeze, and I wouldn't be allergic to them!

A life in Hobbiton would force me to be present and grateful for the beauty of everyday life, which is something I could use more of. However, knowing my restless nature, I may eventually grow bored with the monotony and seek out some excitement. Good thing wizards come to visit, and Middle Earth is close by.

Happy writing,

Michelle

Happy Canada Day, Calgary-Klein! Whether your family has called Calgary home for generations or you arrived just a few months ago, you are part of what makes our community and our country so special.

I was born in Edmonton, and my parents came to Canada from El Salvador in the 1970s. I am deeply grateful that Canada welcomed my family, and I am incredibly proud to call this country home.

As many of you may have heard, there is a referendum this October that may relate to Alberta's place within Canada. I want to be clear: Alberta belongs in a united Canada. While there are certainly challenges and areas where we may disagree with decisions made in Ottawa, I firmly believe in the strength of our unity and the importance of working together.

We are proud Albertans and proud Canadians. I will always stand up for Alberta's economic future while also advocating for a strong and united Canada. I know this perspective is shared by many in our community.

This Canada Day, I encourage you to connect with your neighbours, friends, and family and reflect on what being Canadian means to you. Let's celebrate our shared values, our diversity, and our commitment to making this a place where everyone can thrive.

Together, we can continue building a strong, united, and prosperous future for all.

Lizette
