GENERAL MANAGER'S MESSAGE

Dear WHCA Community,

The HVAC project as well, as the road repair on 19 Street NW are completed. All that is left for us to do is to move the dirt. Once the snow is gone this will be done. Thank you for your patience. Believe me it tested ours.

We are needing volunteers for some events coming up:

- Our 75th Anniversary Celebration
- Work on the Zen Memorial Garden (in memory of David Quaintance) - May 6 and 7
- Casino Fundraiser June 26 and 27

July and August we will be pulling out the ice to do some work on the compressors in the plant room.

September will be the re-opening of the upstairs member lounge restaurant. We are all excited for this to happen.

WHCA would like to thank all those community members who have purchased the yearly community membership and are enjoying the benefits offered by companies in our community as well as the programs, classes, and community events. Please talk to your friends and neighbours about getting the membership and helping to support the community and building.

Thank you,

Bryan Polak

My own injury rehab and athletics journey uncovered the changes that are often needed in the building blocks of movement, to improve people's health and performance. I share this with others by screening movement and lifestyle for injury risk factors and limitations that are hindering their improvement. Then, whether for individual or group, personalize programs designed to remove limitations so that a strong foundation can be built for reaching your goals. I have a decade of experiences with teens to octogenarians in positions with community gyms to elite sport. I offer in-person, online, 1 on 1, and small group training. Happy spring everyone!

After spring break, we were all ready to get back to Preschool and see our friends! March was a busy month as we continued to work on our construction theme. We all had so much fun looking at famous structures around the world including 'The Great Wall of China' and the 'Ancient Pyramids'. When learning about bridges, we used stories like *The Three Billy Goats Gruff* for inspiration to build bridges that the goats could walk across safely. We looked at skyscrapers in different cities and then focused on Calgary, looking at what the skyline looks like in the evening. The children produced some beautiful pieces of artwork.

This month we also held our parent/teacher meetings to give parents updates on how their children were doing in class. The partnership between teacher and parents in their child's development is so important, so these meetings are always an important event in the year. We also had parents 'stay and play' session in March. It's the first time since COVID that parents have been back in the classroom, so it was lovely to see the children excited and able to show their parents the classroom and their work.

For more information, please visit our website at www.westhillhurstpreschool.com, and check out our Facebook page 'West Hillhurst Community Preschool' and Instagram page [whcapreschool](https://www.instagram.com/whcapreschool/) to see all the exciting and fun things we get up to!
