Welcome to new Green Committee members Kate U. and Tracey R.

### Summer:

- Ten trees were planted in the greenspace behind WHCA.
- The Green Committee helped the Planning Committee advocate for enforcement of Calgary's Land Use Bylaw five section 346.1 which requires new homes to have a tree planted within one year of completion and maintained for a minimum of two years. Roughly 40% of recent new home developments in West Hillhurst were not in compliance. A letter was sent from the WHCA to councillor Terry Wong on June 19.
- Green Committee chair Julie Impey hosted a Pollinator Garden Party in June.
- A tree sale was held in honour of the WHCA 75th Anniversary and community members picked up 23 trees sourced from Foothills Nursery.

### This Fall:

- Investigating opportunities for energy efficiency/ minimizing carbon footprint of the WHCA building.
- Looking into another clothing swap.
- Supporting WHCA Transportation Committee advocacy to have Dairy Laneway (3 Ave between 19 St and 18 St NW) designation changed from road to pathway.
- Developing plan for Earth Day events, education, grants, tree planting, pollinator plantings, etc.

### Get Involved:

- Virtual meetings the third Monday of the month at 7:45 pm.
- Contact Julie Impey at [greencommittee@westhillhurst.com](mailto:greencommittee@westhillhurst.com).

## News from the Friends of Nose Hill

by Anne Burke

In 1993 a land use inventory was conducted of Nose Hill Park. This study reported on archaeological resources on Nose Hill from Alberta's original inhabitants and their land. For the Blackfoot, their culture and homeland have existed for as long as 6,500 years or more. This was their place for more than 350 generations. There are clues about their way of life from remains of the prehistoric past, such as tools, 10 campsites, a kill site, and a "cairn" or stone pile. Pre-contact cairns were used as small game traps, navigation markers, flagging for drive lanes, and burials.

Nose Hill has 18 known sites which contain stone circles from tipi lodges and cooking circles or a central hearth. Fire-broken or cracked rock is a by-product of stonewall boiling. The tipi covers and liners were held down by rocks from the tipi circles. The distribution and weights along the circle are a means of determining the season of use. It is presumed to be a shorter period based on the Nose Hill uplands, where tipi lodges are back from the escarpment edges or in depressed areas, so they were probably meat camps or transitory travel camps. People likely lived there in the early spring for the hunting of individual bison. There are more than 90 rings. The size of the lodge group can be estimated by the size of the ring. Given the number of skins and poles for a tipi, we learn about a group's transportation method. The number and distribution of the rings within a group reveal the size of a larger social group. Isolated rings, even when found in groups, may be vision quest sites.

## Settling into Preschool

by Lisa Kelly

As we move into November, leaving the excitement of Halloween, the first snow fall, and Thanksgiving behind us, it has been lovely to see the students settling into our classroom routines, making new friends, and engaging in learning. The preschool teachers are enjoying getting to know the children and their families, and we would like to thank all our parent volunteers who have been busy helping with playdough, laundry, library books, and so much more!

Preschool is a wonderful opportunity for children to meet new people and to make friends with other children within the same age group. Our teaching staff are always observing and encouraging children to learn how to cooperate, to wait their turn, and to use language to communicate their needs and wants. This in turn leads to fostering relationships within the classroom.

For more information, or to register in our limited available spots, please visit our website at [www.westhillhurstpreschool.com](http://www.westhillhurstpreschool.com). Also, be sure to check out our Facebook page 'West Hillhurst Community Preschool' and our Instagram page to see all the exciting and fun things we get up to!
