WEST HILLHURST PRESCHOOL NEWS

by Lisa Kelly

April is always a fun month in preschool! It's when our ducks arrive! This is now a yearly tradition that we all look forward to! The children (and adults) were so excited when the duck eggs arrived, and we patiently waited every day for them to hatch! On average, it takes 28 days for the ducks to hatch, and as the days went by the excitement levels grew and grew! Until the day finally arrived! The eggs started to crack and just like that we had ducklings! Each class voted and picked a name for their class duck, and we all enjoyed watching how they grew and changed over the weeks that we took care of them. Our favourite part was teaching them to swim! The ducks are now happily back at the farm enjoying a more peaceful lifestyle! Thank you to the parents who helped organize the ducks, making sure we had everything we needed.

May is a very busy month with the return of our music teacher Ms. Elle. The children always enjoy her music lessons and all the exciting and fun instruments she brings along! Soccer with Coach Steve also returns in May! This is always so much fun and the children enjoy all the fun games that they are taught over the four weeks.

For more information, please visit our website at www.westhillhurstpreschool.com and check out our Facebook page 'West Hillhurst Community Preschool' and our Instagram page 'whcapreschool' to see all the exciting and fun things we get up to!
