Musical Stamps

In June 2007, Canada Post hit all the right notes by celebrating iconic musicians—Joni Mitchell, Anne Murray, Gordon Lightfoot, and Paul Anka—with their very own stamps! The "Canadian Recording Artists" series showcased striking portraits of each musician, turning mail into mini tributes to Canada's musical royalty. Snail mail never sounded so good!

What a marvelous month May was! From soccer on the field to ducks and music in the classroom, the month flew by! The secret garden has continued to be a hive of activity. How lucky we are to have such a great place to play with our friends. We made culinary masterpieces spent time designing daring obstacle courses, playing with water, and enjoying the many imaginative games they dream up!

This month, we are all looking forward to our field trip to Made by Marcus. What a fun way to end the school year, ice cream with friends in the sunshine. We look forward to learning how the ice cream is made. Marcus will be joining us on the trip to talk all things ice cream with the children.

It is that time of year again when we have to say goodbye and good luck to some of our pupils as they start the next part of their education journey. We would like to wish them all the best in kindergarten, and we are looking forward to being able to celebrate together at our end of year graduation party this month.

Allow us to take this opportunity to share our deepest thanks to the team of teachers, parents, volunteers, and WHCA staff who help make the West Hillhurst

Community Preschool an incredible place for our children. Have a lovely summer and we look forward to welcoming back lots of our families, as well as all our new families that will be joining us in September.

Green Committee

by Julie Impey

The Butterflyway Project is an initiative that aims to create networks of pollinator-friendly habitats throughout Canada to support the dwindling populations of bees and butterflies. Launched in 2017 by the David Suzuki Foundation, this citizen-led movement encourages individuals and communities to transform yards, parks, school grounds, and other spaces into pollinator-friendly gardens.

We are excited to be a part of this movement in West Hillhurst. The Green Community is encouraging all neighbours to consider planting native plants in their own yards, or on their decks and balconies this spring to create our own "West Hillhurst Butterflyway"

The goal is to get 12 pollinator gardens created in our community.

For planting guides, an "I'm Planting a Butterflyway" sign for your garden, or more info, email us at westhillhurstgreencommittee@gmail.com.

If you'd like to learn more about what you can do for the environment or be a part of projects in West Hillhurst targeting climate change and other environmental issues, join the WHCA Green Community! We meet virtually on the fourth Monday of the month at 7:45 pm on Zoom.
