News from the Friends of Nose Hill

by Anne Burke

On the Park's northern boundary, Alberta Government Telephone, in 1982, and Canadian Western Natural Gas, in 1990, had access rights. Carma Developments put waste in the MacEwan Glen ravine. Construction sites attracted four-by-fours and dirt bikes. Nose Hill Trail condition and use were studied between July 20 and September 20, 1993. Volunteers working in pairs came from the Nose Hill Park Users Group, Nose Hill Communities Board, and Calgary Field Naturalists Society. Their goal was to measure trail type and surface, width, and depth. An aerial photo mosaic marked the survey areas. Data was collected for the glacial moraine (the Hill plateau and side slopes), ravines (Many Owls and Porcupine Valley), and disturbed land. The time of day was morning (7:00 am to noon), afternoon (noon to 6:00 pm), and evening (6:00 pm to dark). During both the week and weekend, Hill use was greatest in the afternoon and evenings. On the weekend, people spent time in the ravines. However, during the week more were recorded on the plateau and side slopes. Pathway routes were widened by braiding but less rutted than trails. The greatest use was in disturbed sites, rather than on the moraine. All pathways and trails were used by cyclists, who preferred gravel pathways to grass trails. Walkers without dogs used pathways, unlike dog walkers in the ravines. A review revealed that areas damaged by vehicles, horse and cattle grazing, and gravel extraction were slowly regenerating, including severely damaged areas. Although some trails were rutted (and may remain so for a time) others had high grass growing in them without horse and vehicle traffic. Ravine trails were overgrown by tall grasses, thistles and nettles, so many people no longer used them.

West Hillhurst Transportation and Mobility Committee

The WHCA transportation and mobility committee works with the planning committee to advocate for vehicle, pedestrian, cycling, and transit safety and access in our neighbourhood.

Our goals:

1. To work with the City of Calgary on transportation plans and issues related to our community.
2. To work with community members by letting them know how they can resolve transportation issues.
3. To advocate for infrastructure spending in our community.

Planning Committee

WEST HILLHURST PRESCHOOL NEWS

by Lisa Kelly

Happy New Year from all the children, teachers, and parents at the Preschool!

We hope your 2026 is off to a bright and happy start. Our teachers have been busy planning lots of fun activities, and we're excited to jump into another wonderful year together.

We're also very happy to be offering skating lessons again this year for all our classes! Lessons start this month and will run for four weeks. The kids always have such a great time on the ice, and it's amazing to see how quickly they learn new skills.

December was as busy and joyful as ever. The children worked so hard on their crafts and decorations—we hope they're bringing a little extra cheer to your homes! Our holiday party was a real highlight, and it was lovely to celebrate with all our families. Thank you to everyone who helped make it such a special day.

We're now getting ready for registration for the 2026–2027 school year. We'll be offering both morning and afternoon classes again, and open registration begins in February. Please check our website for details on priority registration dates.

We're also excited to welcome families to our Open House on January 27 at 6:30 pm in the Preschool classroom. It's a great chance to meet the teachers, ask questions, and take a look around. To sign up, just email chairs@westhillhurstpreschool.com.

We can't wait for all the fun and learning that 2026 will bring! Let's make it a wonderful year together.

West Hillhurst Skating Club

West Hillhurst Skating Club (WHSC) is a not-for-profit Skate Canada sanctioned club that hosts skating programs in the northwest Calgary communities of West Hillhurst, Brentwood, and Mount Pleasant. Providing instruction to skaters aged three to adult, it is the mission of WHSC to provide programs that allow skaters to develop fundamental skating skills while supporting goal-achievement and creativity in a positive, safe, and fun skating environment. West Hillhurst Skating Club has proudly operated within the West Hillhurst Community Association for more than 35 years. As a pillar of the community, WHSC will continue to serve WHCA members and Calgarians for decades to come.

Over the past few years, WHSC has seen significant growth. In an effort to better serve members, the WHSC has moved to a new website and email address! To explore the programs they offer and register for summer skating, visit the new website. Winter 2025 programming is open now, get your spot while they still last!

Egyptian Gem

January's birthstone is the garnet, but did you know that this gem was used by ancient Egyptians! As far back as 3000 BC, Egyptians used garnets for their jewellery, amulets, and burial artifacts. The Egyptians considered garnets a symbol of royalty and power. Perfect for any Pharaoh!
