Things Are Happening at the Hall!

A Fun Social Night

On May 3, a group of 40 foot-stomping and fun-loving people came together for a social evening and an hour of two-step dance lessons thanks to Steve and Laurie from The Ranchmans. We enjoyed an evening of laughs and dancing, and personally, we discovered my husband can't dance going backwards. Something to work on in the future!

Thanks to Kathy and Randy Evans for hosting such a fun event! Keep your eyes open for our next social event to be held in the fall.

Steve and Laurie giving instruction from the center of our two-stepping circle.

Western Dance

On Saturday, June 3, thanks to the hard work of our Hall Manager, Amanda Gotmy and her crew, the De Winton Hall hosted a Western Dance. The food was amazing and the music fantastic, thanks to the band The Back Forty. Over 80 people attended, and we all got into the Western Spirit in anticipation of Stampede. Of course, a number of our two-stepping trainees also attended along with Steve and Laurie (our two-stepping instructors). Stampede here we come!

Our great band – the back 40

Fun party table!

Our hardworking crew who put the evening together. Thanks Amanda and your wonderful team!

Are You Struggling with Gambling?

from Alberta Health Services

Gambling is risking money or something else of value on an activity that has an uncertain outcome. That can mean a lot of things. Playing cards or videogames for money, buying raffle tickets, betting on who's going to win a pool match, or betting your in-game video purchases or digital currency on a hockey game—it's all gambling.

People with gambling problems may also have trouble in other areas of their lives where they need support. These could include health concerns, financial problems, feeling lonely, mood swings, school issues, using digital technology too much, or, in the case of young people, school issues or conflicts with parents or guardians.

Where to get help

If you are worried that you or someone you know may be having problems with gambling, there is help available. Addiction treatment services are voluntary and confidential. For more information and to find an addiction services office near you, call the Addiction Help Line at 1-866-332-2322. Help is available 24 hours a day, seven days a week.

ONE SMALL STEP

On July 20, 1969, humans landed on the Moon for the first time. Commander Neil Armstrong was first to step onto its surface, and he's believed to have said "That's one small step for man, one giant leap for mankind." He said later that he was misquoted; his first line was actually "That's one small step for *a* man."

Community Garden?

At our most recent De Winton Community Board meeting, we were discussing what new and exciting things we could do in our community, and we developed the idea of a Community Garden! We have the space, but we would need a group of committed and dedicated members to help develop the concepts and put in the work to bring them to fruition.

Is this something that would interest you?

Please let us know. Call Amanda at 403-938-3729 or email us at dwca@platinum.ca.

Hope this works!

Fresh Jock

No matter how much you sweat, we can get the stink out!

We offer cleaning services for sports equipment and personal protective equipment, including helmets, shoulder and elbow pads, knee and shin pads, footwear, skates, or gloves – almost any equipment used by athletes or workers can be cleaned, disinfected, & refreshed.

OUR OZONE PROCESS

Using ozone, our system breaks down and penetrates stains, mucus, blood, sweat, fungus, bacteria, and mould. Ozone destroys 99.9% of bacteria and viruses it comes in contact with – this includes odour causing bacteria and illness causing viruses, like staph infections.

Cute but not cuddly

Calgary Wildlife is a registered charity and the only wildlife hospital within the City of Calgary. We promote positive wildlife-human interactions by giving educational talks at schools, community groups, and associations throughout the city.

Don't be fooled by these cutelings! Most wild babies just need to be left alone. Fledging birds are learning to fly while leverets (baby hares) and fawns rely on camouflage for protection while mom forages! Keep pets secure when wild young are around.

Do you have teaching experience and a passion for wildlife? If so, we need YOU! Apply today to join our urban wildlife education team.

The First Author

Texts have always had writers, but historically, they haven't always named the authors. The world's first known author was a woman named Enheduanna, a Mesopotamian high priestess, poet, and writer from 23 century BCE. Many creative and religious texts are attributed to her despite the male dominance in scribal tradition!
