Back-to-School Safety Tips for Pedestrians and Motorists

from Alberta Health Services

Alberta Health Services EMS would like to remind parents and students of some safety tips as the school year begins again this fall. Pedestrians and motorists both have an important role to play – road safety is a shared responsibility.

Motorists

- Distracted driving carries a \$300 fine and three demerit points in Alberta. Avoid the use of mobile devices or engaging in any other behavior that diverts your attention away from driving.
- Give right-of-way to pedestrians who have activated overhead crossing lights, or who are waiting to cross from a street corner.
- Other than parked cars, it is illegal to pass another vehicle in a school or playground zone during posted hours.

Around School Buses

- Flashing amber lights mean that a bus is slowing down to stop – motorists should do so likewise.
- No matter which direction you are coming from, stop when approaching a school bus with activated flashing red lights unless the bus is on the opposite side of a divided highway from you.

- Driver courtesy goes a long way. By simply being alert and cautious when approaching a school bus, you are contributing to school bus safety.

Pedestrians

- Cross only at marked crosswalks or street corners that have clear visibility from all directions.
- Make eye contact with all drivers before crossing the street and keep distractions to a minimum.
- When activating overhead crossing lights, pause before stepping off the curb to ensure motorists in both directions have come to a complete stop.
- Stay within the crosswalk lines.
- Obey pedestrian lights at intersections. Cross the street only when you see the 'walk' sign and only when all cars have come to a complete stop.
- If you are with young children or pets, hold your child's hand firmly and keep a solid grip on leashes when crossing.
- Remember: children learn by observing. By demonstrating safe crossing habits, you can reduce the chances of your child being involved in a preventable auto/pedestrian collision.

Community Garden?

At our most recent De Winton Community Board meeting, we were discussing what new and exciting things we could do in our community, and we developed the idea of a Community Garden! We have the space, but we would need a group of committed and dedicated members to help develop the concepts and put in the work to bring them to fruition.

Is this something that would interest you?

Please let us know. Call Amanda at 403-938-3729 or email us at dwca@platinum.ca.

Hope this works!
