## MESSAGE FROM THE BOARD

Hello Neighbours!

### Winter Carnival Recap

The Winter Carnival is our longest standing event, and we are grateful to everyone who makes it possible year after year. Thank you to our wonderful volunteers for breathing life into the carnival and making sure it runs smoothly. Our community events would be nothing without your continued dedication. Thank you to Oxford Learning Centre Acadia for sponsoring this year's carnival and helping to hand out free books to children, graciously donated by United for Literacy. A huge thank you to Seeds of Success Early Learning for facilitating the children's craft activities out of their beautiful childcare space located in the ARC! We would also like to give a very big thank you to everyone who donated delectable treats for the bake sale! In addition to the amazing community members who contributed, we would like to extend thanks to Good Bread and Calgary Co-Op Macleod for their cake donations as well! We hope to see you all again next year!

### Annual Easter Egg Hunt

The Easter Bunny will be making their way to Addison Place Playground this year on April 19 to hide some Easter eggs! Bring your own basket to participate in our fourth annual Easter Egg Hunt between 10:00 am and 1:00 pm. There will be basket decorating, food trucks, and prizes for the egg hunters! This is one of our most popular events of the year! Pre-registration is required for any egg hunters, and spots are limited and fill up really fast! You can sign up your little ones at [acadiaca.com/easter](http://acadiaca.com/easter). Participation is free for all ACA members, and \$5 per child for non-members.

### Grassroots Soccer Program

This is the last chance to sign up for our spring soccer program! Registrations close on April 4. Grassroots soccer is a great place for kids to make new friends, learn new skills, and have lots of fun! We aim to develop kids' physical fitness levels and team playing skills, and to foster a culture of inclusivity and collaboration within the community. The program is for ages 3 to 12 and will run from April to June. We are also seeking more individuals to get involved by helping coach the teams and run the program. To learn more about Grassroots Soccer, how your child can participate, and how to get involved, visit [acadiaca.com/soccer](http://acadiaca.com/soccer).

### Community Cleanup

The annual community cleanup will be coming May 10! There will be free drop off for garbage and recycling in the ARC parking lot. Donations of old goods like books, clothing, and toys are also welcome! Declutter before summer begins and help keep the community of Acadia clean. Stay tuned at [acadiaca.com/events](http://acadiaca.com/events) for more information.

### Bike Parade

Kick off bike month on May 31 with the ACA annual bike parade! Decorate your bike with balloons and streamers and join in on a group ride around Acadia. The bike parade is a great time to have fun, get active, and learn about the community. For more information on this event, visit [acadiaca.com/events](http://acadiaca.com/events).

### New Soccer Program Coordinator Needed!

We are still in need of a soccer coordinator to oversee our amazing program! This is such an important and rewarding role and is crucial to keeping our soccer program running. If we are unable to fill it, it puts this great program at risk. Please reach out to [volunteer@acadiaca.com](mailto:volunteer@acadiaca.com) if you would like to learn more about this opportunity.

### Volunteer With The ACA

Our incredible and dedicated volunteers are what make the ACA and all of its programs and events possible. We are always looking for more people who want to give back to the community, and there are a bunch of ways to participate. Take part in your community through awesome events like the annual Winter Carnival or consider joining the board of directors. Volunteering opportunities are always available within Acadia Community as well. The current vacant roles are listed on page 11, or you can check out our website [acadia.community/volunteer](http://acadia.community/volunteer) for more details.

## A Good Food Box Depot in Acadia!

Thanks to community support for the Good Food Box Program, individuals and families in Acadia can now purchase boxes of fresh fruits and vegetables at an affordable price – approximately \$1 per pound of produce – and have those boxes delivered to the ARC for pick up.

Due to seasonal availability, the contents of each box cannot be guaranteed. However, all Good Food Boxes contain the maximum amount of produce available to ensure clients get the best value for the price. There are three box sizes to choose from, and the program is available to everyone regardless of income level.

Box Size	Price	Weight
Small	\$30	15 to 20lbs* of fruits and vegetables
Medium	\$35	25 to 30lbs* of fruits and vegetables
Large	\$40	35 to 40lbs* of fruits and vegetables

\*Weights are approximate.

## DISCREET & CONVENIENT TEETH STRAIGHTENING

*"Your Oral Health  
Is Our Priority"*

### COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

### PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

### INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

### SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

### REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

### IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.
