Easter Egg Hunt Recap

This was our third annual Easter Egg Hunt, and it was another resounding success! We had approximately 150 egg hunters join us for the fun! Thank you to all of our lovely volunteers that acted as the Easter Bunny and hid all the eggs, as well as put together the crafts and treats for the kids. There were some beautiful baskets that came out of the decorating station, and the Addison Place Playground truly came alive with all the children of Acadia. It was another fantastic turn out, and we can't wait to see you all again next year!

Appreciating Our Volunteers on National Volunteer Week

We held an appreciation luncheon to honour our dedicated volunteers and their family members on April 26. Volunteerism is a core value for the ACA and a majority of our initiatives, programs, and events are 100% volunteer supported.

This year marked the launch of our annual "Awesome Acadian" award, and we were proud to honour long-time resident and ACA member, Frances Harrison, as the inaugural 2024 recipient. For many years, Frankie has shown unwavering dedication to the ACA, giving her time, energy, and heart in every way imaginable. Her impact on our community is so significant that we even named the ARC concession stand in her honour! Honouring her as the 2024 "Awesome Acadian" is just a small gesture of our deep appreciation for her years of dedication and service.

Neighbour Day

This year, Neighbour Day is on June 21 and we're always so excited to bring the community together to celebrate. The Neighbour Day Block Party is a collaborative effort between the ACA and local Acadia residents. It can only go ahead with active support from residents on the street. For the latest updates on whether the event will proceed, where it will be held, and all other event details, please check acadiaca.com/neighbourday and our social media accounts.

If you are a local maker or vendor and want to participate in our mini market at this event, please reach out to events@acadiaca.com.

Parade of Garage Sales

The Parade of Garage Sales will be held on June 28 and June 29 from 9:00 am to 4:00 pm. This event is made possible with big thanks to Justyna Jakimowicz of Royal LePage Realty. Register your home to be on the map so people know you're open for business! Home businesses are welcome, and if you don't have a garage to sell out of, register to set up a trunk sale in the ARC parking lot! Join in on this year's Parade of Garage Sales at acadiagaragesale.com. ACA membership is required to register as a seller.

Stampede Breakfast

Kick off Stampede week with the community! The 2025 ACA Stampede Breakfast will be on July 5 from 9:00 am to 1:00 pm. It will be hosted at the ARC in the back parking lot. This year we are excited to have Generation Country, a band local to Acadia, provide us with live music! We're also thrilled to bring back Keepin' It Country line dancers, whose home-base is at the ARC, for a performance. Bring the family to enjoy all this amazing live entertainment, as well as a classic pancake breakfast, petting zoo, Western-themed games, and more! Check out acadiaca.com/stampede for more information.

Become a Board Member and Make a Difference Where You Live and Play

Our incredible and dedicated volunteers are what make the ACA and all of its programs and events possible. We are currently actively accepting nominations for the President and Secretary positions, as the term for our current leaders comes to an end this month. If you are interested in helping lead and support the ACA, please reach out to volunteer@acadiaca.com for more information.

In addition to these key leadership roles, we continue to seek volunteers to support our committees, events, and initiatives.

A Good Food Box Depot in Acadia!

Thanks to community support for the Good Food Box Program, individuals and families in Acadia can now purchase boxes of fresh fruits and vegetables at an affordable price – approximately \$1 per pound of produce – and have those boxes delivered to the ARC for pick up.

Due to seasonal availability, the contents of each box cannot be guaranteed. However, all Good Food Boxes contain the maximum amount of produce available to ensure clients get the best value for the price. There are three box sizes to choose from, and the program is available to everyone regardless of income level.

Box Size	Price	Weight
Small	\$30	15 to 20lbs* of fruits and vegetables
Medium	\$35	25 to 30lbs* of fruits and vegetables

DISCREET & CONVENIENT TEETH STRAIGHTENING

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decau.

Celebrating 40 Years with Craig Recksiedler

Celebrating 40 years at the Acadia Recreation Complex (ARC), Craig Recksiedler has seen more ice than most northerners. He has been an ice maker his whole life and has seen a lot of change during his time at the ARC.

Coming from a small town in southern Manitoba, Craig grew up on the family farm and was always seen with a curling broom, hockey stick, or guitar in his hands. During the long, cold winter months, he volunteered as an icemaker at the outdoor skating rink. Along with the rink, they had two curling sheets.

Craig moved to Calgary in the early 80s and, following everything he already knew, he walked straight into the ARC in 1984 and was amazed at this new modern facility that housed multipurpose rooms, a hall, courts, hockey rink, and ten sheets of curling ice! He approached the guy in charge, who immediately said they weren't hiring. However, persistent Craig said he "would work for free." Those were the magical

words, and he was 'hired' on the spot. This position consisted of every dirty job in the building, but after a few weeks of hard labour, he was officially hired, and 40 years later here he is, still making ice! No one knows the ice, or the building better than Craig does. He has remained the one constant when everything else around him was changing.

Now with his Level 3 Ice Technician ticket in hand, he has had the opportunity to make ice at every major event to hit Calgary. He has made ice for the Curling Trials for the Olympics in 1988, and many Canadian Women's and Canadian Men's Championships Briars, as well as Scottie's Championships. He is so proud of all the big events, along with everything at the ARC, like leading and training great teams of upcoming ice makers who have followed in his footsteps. Craig has overseen many renos inside and outside of the ARC,

including the refrigerated floors in the ice arena and curling rink, and inserts in the curling rocks. Craig has made so many friends over the years from customers, staff, and Board members. Every day is a new day, and he continues to love the challenge of making the perfect sheet of curling ice!

For fun, Craig's passion is music, and he plays in a band called the Wandering V's, where he acts as singer songwriter for the group. They play all around Calgary and he would love for you to come and listen sometime!

Craig has been an integral part of the Acadia Recreation Complex team for 40 years and he continues to show up regularly to make ice. One has to wonder how many times he has walked around the globe with the number of steps he has made over the 40 years of walking up and down each sheet, but as he coasts into retirement (not yet, we are told) he just wants to enjoy an ice-cold beer!

Everyone from the Acadia Community Association Board and the Acadia Recreation Complex wishes Craig a huge congratulations on this remarkable achievement!

Hello Neighbours,

I hope this message finds you well!

Now that the legislature has wrapped up for another session, I am excited to spend more time in the fantastic riding of Calgary-Acadia.

Thank you for your emails and phone calls sharing your concerns around the many Bills brought to the legislature this session. The top concerns I heard from folks in Calgary-Acadia reflected a strong desire to protect our natural resources, take care of the vulnerable, and ensure healthcare is available for all Albertans.

Your voice is important and every contact with the office is counted and noted. Many of you are writing or calling for the first time and I deeply appreciate the time and energy it takes to be an advocate. Your efforts truly make a difference.

From bike parades to pickleball tournaments, I am eager to connect while learning how I can best serve the constituents of Calgary-Acadia.

A highlight for me is spending time in classrooms and listening to students' questions. As this school year wraps up, I want to wish the graduates all the best and hope everyone has a restful and safe summer break.

Save the date for our Stampede Breakfast scheduled for July 6! This annual event is a great way to celebrate our community spirit. Please contact my office for more information and for anything else we can help you with.

Cheers, and I look forward to seeing you at upcoming community events!

Diana
