It is hard to believe that we are already into July, I hope everyone is having a safe and fun summer.

Plans for the Stampede Breakfast have been coming along and I am sure we will have another wonderful event again this year. More follow up will be in the next edition.

Remember that with the hot dry weather comes the high risk of fires, please make sure that you dispose of any burning material accordingly. If you smoke at home, note planters can be full of peat moss which can catch fire. Please don't toss lit cigarettes out of a vehicle window as most grass fires start that way.

Things at the community garden are coming along very quickly with new plants sprouting each day. I think we are going to have an amazing harvest again this year. Unfortunately, we did get hit by a vandal that decided to stab the water totes, which will hopefully hold with patches until next year.

I would like to say thank you to the Wildrose Lion's Club for their donation towards the replacement of the green community shed. It was a pleasure to meet you in person. We are looking forward to having a conversation with them about partnering for future community events.

It was my pleasure to meet the Principal at Lakeshore (Auburn Bay middle school). I was amazed to hear that they were supposed to open with just over 600 students and ended up having just over 900. Next year I hear that there are plans for it to be a grade 6 to 9 school. I hope to have the opportunity to meet with the principal at Bayside as well.

We have continued to investigate other low maintenance options for the replacement of the CA shed. Once we raise the funds, we will have the new unit placed to the SW of the green one, then we can transfer over our supplies and finally return the green one to the City's inventory. It will all depend on when we receive money from the casino. We hope to also have a bit of money left to upgrade the brown garden shed, as it was damaged by hail before being donated to us and moved.

The City of Calgary's Farm Market Stand is back in Auburn Bay, with Broxburn Farms providing a variety of

locally grown produce. The market will be set up in the Auburn Bay School parking lot on Saturdays from 4:00 to 7:00 pm. I had the opportunity to stop by and pick up some items to try and found that they were definitely more flavourful than store bought options. I heard that the Hutterites may be setting up at the off leash park lot on Friday afternoons, and will have to drive by and get more details.

The YYC and Auburn Bay Cleanups went well. Many families came out to help clean up all the greenspaces/parks around the community. There were a number of families that utilized the services at YYC cleanup, thank you to Prince of Peace for the use of their parking lot. Thank you to all the volunteers that helped out at the events that day.

Just a reminder that we will be hosting our first casino on July 26 and 27 at the Deerfoot Inn & Casino. We have filled a number of the shifts already and hope it will be a great success. Please ensure to check out the post on our website and Facebook page for the link on how to sign up. We need the support of our amazing community if we want to continue to offer our subsidized (free) programs/events that are enjoyed by so many.

The Community Kitchen Good Food Box program continues to grow each month and is a great opportunity to get affordable and delicious produce. Please check out the post on our website for the google form to place your order.

Auburn Bay has a large number of Facebook groups. There is a Pet Group, Seniors Group, Grillers Group, Ladies Group, Food Lovers Group, Gardening Group, Community Garden Group, Ladies Clothing Exchange Group, Business Group, Buy-Nothing Group... the list is nearly endless. Make sure to go and check these fabulous interest groups out.

Finally, a reminder that the next CA online meeting will be September 13, 2023. These meetings are open to everyone, and we look forward to having you there for your input and participation. The links to join in the meeting are available on our website. We have also uploaded the minutes from the past meetings as well.

## Moroccan Style Meatballs

by Jennifer Puri

The red (Marrakech), white (Casablanca), and blue (Chefchaouen) cities of Morocco represent a vibrant mix of past and present and are a contrast of modernity with traditional customs and architecture.

Home to ancient palaces, mosques, and colleges, these cities are also famous for their gardens, fountains, medinas, and souks.

Medinas are walled cities with narrow winding streets which are notable for their absence of cars but abundance of bicycles and donkey carts.

Souks are the captivating street markets where you can purchase leather goods, lanterns, lamps, textiles, carpets (not the flying kind), spices, tagines, and good luck charms.

All sorts of foods are also available to the hungry shopper including local breads, dried fruits, and olives.

The most cooked meals are couscous salads, spicy lamb, and chicken stews, traditionally followed by cups of Moroccan Green Mint Tea.

Moroccan Style Meatballs can be enjoyed with Pita or Naan, couscous or salad greens, or Moroccan style carrot salad.

**Prep Time:** 30 minutes

**Cook Time:** 30 minutes

**Servings:** 4

### Ingredients:

- 500 gms lean ground beef
- ½ cup fine breadcrumbs
- ½ onion, finely chopped
- 3 garlic cloves, minced
- 3 tbsps. finely chopped mint
- 2 tps. smoked paprika
- 1 tsp. ginger, minced
- 1 tsp. ground cumin
- ½ tsp. ground cinnamon
- ½ tsp. salt
- ½ tsp. black pepper
- ½ tsp. red pepper flakes
- 1 egg
- 2 tbsps. olive oil
- 1 red bell pepper, sliced
- 1 400 ml jar of Moroccan style meatball sauce
- ¾ cup water
- 12 seedless green olives (optional)
- 3 tbsps. of yoghurt (optional)

### Directions:

1. Place ground beef in a medium size bowl and add breadcrumbs, onion, garlic, mint, smoked paprika, ginger, cumin, cinnamon, salt, black pepper, egg, and mix well.
2. Preheat oven to 400 degrees Fahrenheit.
3. Divide beef into 20 portions, shape into golf ball size meatballs, and place on a foil lined baking tray. Bake on middle rack of oven for 18 to 20 minutes or until cooked.
4. Add two tablespoons of olive oil to a wok or skillet and sauté the red pepper for three to four minutes. Next add the Moroccan style sauce, water, and cooked meatballs, and simmer for four to five minutes.
5. Remove from heat, garnish with olives, yoghurt, and fresh mint or coriander leaves, and serve.

# Don't Poop in your Neighbour's Yard - Picking Up After Your Pet

from the City of Calgary

The City of Calgary Animal & Bylaw Services advocates responsible pet ownership which includes not allowing your pet to become a threat or nuisance in the community.

The Responsible Pet Ownership Bylaw allows Animal & Bylaw Services to work with Calgarians to ensure that cats, dogs, their owners, and neighbours live together in safety and harmony.

The Bylaw required all cats and dogs three months of age and older be licensed and have permanent identification.

Licensing fees, not tax dollars, fund the enforcement of the Responsible Pet Ownership Bylaw (23M2006).

This enforcement includes investigating citizen complaints about animals and helping neighbours resolve animal-related issues.

With respect to removing pet excrement, under the Bylaw, if an animal defecates on any public or private property other than the property of its owner, the owner must remove the feces immediately.

If an animal is on any public or private property other than the property of its owner, the owner must have in their possession a suitable means of facilitating the removal of the animal's feces.

If the owner of an animal doesn't pick up the feces or have a suitable means of picking it up, they are in contravention of the Bylaw and subject to a fine.

The specified fine for failing to remove animal feces is \$250, with the minimal fine being \$150, and the specified fine for not having a suitable means to remove the feces is \$250, with the minimum fine being \$150.
