YOUR COMMUNITY ASSOCIATION

OUR HISTORY

Chaparral was established in 1995 with a 32-acre artificial lake and a 21-acre park with two waterfalls as centrepiece of the neighbourhood and now has grown to include Lake Chaparral, Chaparral Ridge, Chaparral Ravine and Chaparral Valley.

OUR MISSION

The Chaparral Community Association strives to represent and serve the community of Chaparral through effective communication, engaged volunteers, and fiscal responsibility, to foster a vibrant and livable community.

OUR GOVERNANCE

We are a non-profit organization established under the societies act, and we are governed by elected and volunteer members from our community. We are always looking for expertise and support to grow, please reach out to get involved.

The Chaparral Community Association (CCA) is a volunteer run organization that represents the residents of Lake Chaparral, Chaparral Ridge, Chaparral Ravine, and Chaparral Valley. Your CCA is the recognized body that liaises with government officials, expresses resident concerns regarding commercial, industrial, and residential land use development, and represents the position of the residents on education, transportation, environmental, and infrastructure issues. The CCA supports organized sports, community, and social programs. To stay connected the CCA publishes the Chaparral Trailblazer and maintains a website (www.chaparralcommunity.com), Facebook, and Instagram pages (@chaparralca).

Successful, healthy communities are generally those with active and sustained membership and involvement by the community residents. The CCA board encourages all residents to purchase a membership, and when available, attend monthly meetings to help make our community amazing.

Some things the CCA has done for the community include: Chaparral Common and Chapalina Crescent Playgrounds, Green Thumbs Community Garden, Community Clean-Ups, Adopt-a-Rink in the Valley, Valley Summer Bash, garbage bin wraps, Stampede kick-off breakfast (co-organized with the Lake – open to all CCA members), Festival of Lights, advocating for traffic signal lights and crosswalk Rapid Movement Flagship Beacons (RFB), Safe Communities Initiatives, and Development Permit Applications. PRESIDENT'S MESSAGE

Happy February,

Here are some fun facts about the second month of the year!

February comes from the Latin word *februa*, which means "to cleanse." The month was named after the Roman *Februalia*, which was a month-long festival of purification and atonement that took place this time of year.

Did you know:

- February is the only month to have a length of fewer than 30 days! Though it's usually 28 days, February is 29 days long in leap years such as this year.
- January and February were the last two months to be added to the Roman calendar (c. 713 BC); originally, winter was considered a month-less period.
- Originally, February was made the last month of the calendar year. Eventually (c. 450 BC), February was moved to its current place.

I would like to take the opportunity to thank Anton Ovtchinnikov for his service as President, together with the outgoing board. A special thanks to Lawrence King who served as our Education Liaison for the past sixteen years.

Thank you to everyone who came out and enjoyed hot chocolate, cookies, and a visit with Santa. It was a beautiful afternoon with over 120 attendees.

Congratulations to our Festival of Lights winners. We live in such a vibrant community with amazing spirit.

Upcoming Community Events

We are looking forward to our next Murder Mystery Night, Murder at the Mardi Gras Masquerade Ball, held on February 8, from 6:00 to 9:00 pm at the Windsor Rose. Check out our Facebook page for more information and to purchase tickets.

Our next Chaparral Community Association meeting will be held February 7 at 7:30 pm at the Senators Room at Cardel Rec Centre. We invite everyone to come out and get involved.

We welcome more individuals to join us in enhancing our community. A yearly CCA membership is only \$20 per family, per year.

Our monthly meetings are held on the second Wednesday of each month.

Stay tuned to our website and Facebook for further details. Follow us on Facebook and Instagram at ChaparralCA for the latest updates.

The Lake Chaparral Residents Association is the association that governs the private membership of Lake Chaparral and its facilities. Each home within the Lake Chaparral community is encumbered to pay an annual membership due to the LCRA. The annual dues are utilized for the day to day operations of the lake property and all of its facilities, the maintenance of entryway features of the community, maintaining an appropriate reserve fund and making long term planning decisions for the lake and its assets. The LCRA employs a General Manager, Dylan Lock, under the direction of a volunteer Board of Directors.

For inquires about the Lake Chaparral Park and Recreation Centre please contact the Lake Chaparral Residents Association at 403-254-4148 or visit their website at lakechap.ca.

Inquiries: 403-254-4148 | office@lakechap.ca

www.lakechap.ca.

The park may also close early due to weather, lack of residents accessing the space, or other issues as deemed valid by LCRA management. By default, the park and lake will be closed at temperatures of -25°C (without wind chill).

Reminders and Announcements

Lake Fees

LCRA membership fees are due on July 1 of every year. All fees must be paid to access the lake/park and are registered as an encumbrance on the property land titles in Lake Chaparral. If you have not paid your fees by the due date, you will not be permitted access at the front gate.

Interest is applied to outstanding accounts every 30 days as of September 18, 2023.

If you have any questions or concerns, please contact the office at 403-254-4148 or email info@lakechap.ca.

Operating Hours

In alignment with last year, we will once again be reducing our operating hours during non-peak times of the year to better reflect reduced operations, amenity usage, and industry standard.

Starting Monday, October 9, 2023, the park and lake will close at 8:00 pm every day. Once the ice forms to safety standards, notice will be provided, and regular operating hours will resume. Existing bookings and programs booked past 8:00 pm will still be honoured.

Safety Flag Reminder

The LCRA closely monitors the safety of the lake and lake ice for use; however, we cannot guarantee the lake and lake ice is free of all risks. Regardless of the status of the safety flag (details below), access is done at the sole risk of the member and their guests.

You can view the status of the safety flag by looking for the flags at the park, contacting the LCRA office at 403-254-4148, or by visiting our website at www.lakechap.ca.

Red Flag = Waterfront and lake ice is closed to all users.

Green Flag = Waterfront and lake ice is open to all users.

Drawing Classes for Kids with Young Rembrandts

Non-Residents Welcome

Fridays

Preschool | Ages 4 to 5 | 4:00 to 4:45 pm

Elementary | Ages 6 to 12 | 5:00 to 6:00 pm

Cartooning | Ages 6 to 12 | 6:15 to 7:15 pm

Inspire your child's creativity with Young Rembrandts drawing classes. The secret to our success is that children already love to draw – we just take their love a little further by giving them a solid foundation that will take their drawings from doodles to confidence-boosting achievements.

During our once-a-week classes, we use an innovative step-by-step approach on drawing topics your kids can relate to and learn from.

Research supports what Young Rembrandts has always delivered. There is a correlation between involvement in the arts and academic success. Children who learn to draw using the Young Rembrandts method develop spatial reasoning and fine motor skills, order and sequencing abilities, visualization, and self-discipline, as well as fundamental art skills.

Watch your child reach a new level of potential with this engaging, award-winning program. Young Rembrandts is a different kind of learning and a powerful kind of fun.

Enroll online at www.youngrembrandts.com/southernalberta, or call us at 403-457-DRAW (3729).

Message from LCRA Manager

Hello Lake Chaparral!

Hope everyone is staying warm! February is here, which means the Ice Fishing Derby is this month!

As some of you know, the lake is overpopulated with perch, which negatively impacts trout population and the lake ecosystem. The Ice Fishing Derby is one of our many steps in helping to contain that overpopulation, so make sure to come on down and fish your hearts out!

All perch must be disposed of properly and not returned to the lake; all types of trout and carp are catch-and-release only.

We would like to remind everyone to exercise caution while on the ice, whether walking, skating, or fishing. Conditions are slippery and change frequently – make sure to report any safety issues to staff as soon as possible.

Best wishes,

Dylan Lock
