PRESIDENT'S MESSAGE

Hello again Copperfield!

I am proud to be a part of our wonderful community and would like to ask each of you to think of one thing you love about our community. For myself, one of the best things about this community is its people. No matter the situation, our community always finds a way to pull through for those in their time of need.

I also want to take this opportunity to thank all our volunteers for the great work they do for our community. Without them, we would not be able to put on the events we do or provide the use of our outdoor rink.

If you have any questions or would like to learn how you can volunteer for events or get involved in other ways to help our community, please send me an email at president@mycopperfield.ca. Our volunteers are amazing individuals, and we could not do any of this without them!

Thank you,

Jason Fiander

Volunteers Needed

We have vacant positions on our board just waiting for someone like you to step in! Please email if you are interested in more information. In addition to the vacant positions, we are also always looking for volunteers to help with events and planning.

Breakfast Quesadilla

by Jennifer Puri

Eggs are tasty, filling, and good for your health as a whole; eggs contain a little bit of every nutrient you need. Cheap and easy to prepare, they are an inexpensive source of high-quality lean protein.

Blue, green, brown, or white eggs may have different colours but there is no difference in taste or nutrition between them. An average hen lays 300 to 325 eggs per year. The colour of the yolk depends on the hen's diet and age, and typically as hens age, their eggs become larger.

An extremely versatile ingredient, eggs are not just for eating but are used to make beauty products such as face masks, compost, and garden fertilizer. In many cultures, the egg is a symbol of new life, fertility, and rebirth.

Eggs are also a breakfast/brunch mainstay, and scrambled, poached, baked, or fried are some of the ways to consume eggs. Quick and simple to cook, eggs can also be used in burritos or quesadillas as shown in the recipe for breakfast quesadillas below.

Prep Time: 20 minutes

Cook Time: 20 minutes

Servings: 2

Ingredients:

- 2 large tortillas
- 1 ½ tsp. olive oil
- 1 chorizo sausage, cooked and casing removed
- 3 eggs lightly beaten
- ¼ tsp. salt
- 1 tbsp. butter
- 1 cup shredded Mexican cheese
- 2 cups kale washed, stemmed, and coarsely chopped
- 1 cup sliced button mushrooms
- ¼ cup chopped green onion
- ½ cup chopped red bell pepper
- ½ jalapeno, seeds removed and chopped (optional)
- Cooking spray

Directions:

- Heat olive oil in a pan or nonstick skillet on medium heat. Add onions and sauté for about two minutes. Next add red peppers and mushrooms and sauté for another two minutes and then add kale, jalapeno pepper, and chorizo sausage. Cook until veggies are tender and then remove from heat and keep warm.
- In a skillet, melt butter on medium heat and pour in the egg mixture with a ¼ tsp. of salt. Cook eggs while stirring until they start to firm up then scramble until they are cooked through and remove from heat.
- Coat a large skillet or fry pan with cooking spray and heat on medium heat. Place a tortilla in the pan and sprinkle a ¼ cup of cheese on one half of the tortilla followed by half the veggie mixture and half the scrambled egg. Top with a ¼ cup of cheese and fold tortilla in half over filling. Cook for a few minutes until tortilla is golden brown, turning once.
- Transfer quesadilla to a cutting board and repeat the process with the second tortilla.
- Slice each quesadilla into two or three slices and serve with your favourite hot salsa, guacamole, or sour cream.

4-H INTRO CLUBS

4-H in the City: Fun and Learning for Calgary Kids

by Lori Nielsen, Senior Program Coordinator for 4-H Intro Clubs

4-H isn't just for life on the farm anymore! In Calgary, 4-H Intro Clubs are offering city kids a chance to explore a wide range of exciting hands-on activities. These six-week programs give youth ages 9 to 15 the opportunity to learn about and try things like pottery, sourdough baking, food science, hydroponics, and even reptiles. It's a great way for kids to discover new interests, learn practical skills, and make friends along the way.

One of the most fun activities in the clubs is making smoothies. Each week, members experiment with different ingredients, learning about nutrition, measurement, and recipe creation. The first smoothie they'll make is an oatmeal cookie-flavoured smoothie—healthy, delicious, and a great way to dive into cooking. It's a perfect mix of fun and learning, with a focus on balancing flavours and understanding the science behind food.

Here's one of our favourites you can try at home!

Oatmeal Cookie Smoothie

Single Serving

Ingredients:

- ¼ cup old-fashioned oats
- 1 cup unsweetened coconut or almond milk
- ½ teaspoon vanilla extract
- 1 tablespoon honey (to taste)
- ½ teaspoon ground cinnamon
- ¼ teaspoon ground ginger
- Pinch of nutmeg
- Pinch of salt
- 1 frozen banana (peeled)

Directions:

1. Add oats to the blender and pulse until finely ground.
2. Add milk, vanilla, honey, and spices.
3. Add the frozen banana.
4. Blend until smooth.

In addition to making smoothies, kids also get the chance to practice leadership, teamwork, and communication by running their own business meetings. These skills are key for personal growth and work well in any area of life.

The final two 4-H Intro Clubs will be coming soon to Canyon Meadows in Calgary's SW. It's a great opportunity for kids to try something new and have fun while learning. For more details, email introclubs@4hab.com. We hope you'll give this smoothie recipe a try and let us know what you think!
