4-H INTRO CLUB

4-H in Calgary: Hands-On Learning for Today's Youth

When many families hear 4-H they still picture animals and agriculture, but 4-H has grown into a hands-on youth development program focused on life skills, leadership, and real-world learning for ages 9 to 15 in both urban and rural communities.

Traditional 4-H clubs run for a full year and include member led meetings, youth leadership opportunities, project work, record keeping, and Achievement Days. Intro Clubs are different. They are short term experiences designed for families who want to explore 4-H before committing to a full club year.

4-H Intro Clubs are now expanding beyond Calgary into North Central Alberta and are being delivered in partnership with community associations, schools, and homeschool groups. To date, Intro Clubs have delivered eleven short term clubs across Alberta, including nine in Calgary and two in Edmonton, engaging 128 youth aged 9 to 15. Three additional clubs are already scheduled in Calgary, Vermilion, and Bonnyville this summer.

Over six weeks, youth explore a variety of hands-on workshops while building confidence, communication, problem solving, and teamwork skills. Recent activities have included pottery, reptiles, baking and sourdough, food science, chocolate making, horsemanship, microgreens, robotics, painting, and behind the scenes tours.

For many families, Intro Clubs provide an easy way to discover whether 4-H is a good fit while meeting other youth and learning new skills.

To help families learn more, 4-H Intro Clubs is hosting a free Park Party at Dalhousie Community Association in NW Calgary on Sunday, September 13, from 2:30 to 4:00 pm. The event is open to new families, returning members, curious youth, local 4-H clubs, and community supporters.

The afternoon will include outdoor games, light snacks, gelato, hands-on activities, and opportunities to connect with local leaders and learn about upcoming programs.

For more information or to RSVP for the Park Party, contact introclubs@4hab.com.

Because you value your community, be sure to purchase your Cranston Community Association annual membership!

Benefit from sports, activities and partner discounts. Gain preferred access to youth and community events and programs. Secure a vote at public meetings, or make a difference by joining the Board, and more.

**Memberships are \$20 per family for Cranston residents and \$30 per family for non-residents.
Memberships are valid for 1 year from date of purchase.**

FRIENDS *of* Fish Creek

The Listen Garden at Bow Valley Ranch

This summer, the Listen Garden is taking shape.

Located in the heart of Fish Creek Provincial Park, the Listen Garden is a collaboration between the past and the future; the land and the people; Indigenous and newcomer communities. The garden will be one in which native plants, Indigenous knowledge, and (re)conciliation all flourish. Visit the Listen Garden page on the Bow Valley Ranch Historical Society's website.

Our team of staff and dedicated volunteers have been hard at work prepping the site, from harvesting and processing native plant seeds to spraying the site to remove invasive species and distributing an impressive seven truckloads of sand. This summer, we're seeding and planting native species representative of the plant communities chosen for this space. We're looking forward to seeing this special spot alive with life by the end of summer 2026! Check out these photos from the Listen Garden this spring.

Love native plants and Fish Creek Provincial Park? Our programs will help you connect with nature in the park, from volunteering with grasslands restoration and engaging with the public to our new kids' summer day camp and beyond. Visit our website at www.friendsoffishcreek.org or follow us on Instagram or Facebook at @fishcreekpp to learn more about summer day camp and all our exciting programs.
