Fireworks

Out enjoying fireworks on Canada Day? Did you know that fireworks originated in China over 2,000 years ago? Ancient firecrackers came to be when bamboo stalks exploded after being thrown into firepits.

MESSAGE FROM THE BOARD

Summer is here! Whether you plan on enjoying some Stampede Breakfasts right here in the city or have vacations/staycations planned, there's a lot of exciting things to do this summer! Check out some of the activities that we have planned right here in Deer Ridge and neighbouring communities!

Stampede Caravan Breakfast at Deer Valley Mall July 11

The Calgary Stampede Caravan Committee provides free breakfasts, entertainment, and western hospitality all over Calgary in July. It will be making a stop right here in the Deer Valley Mall parking lot on Saturday, July 11 from 9:00 to 11:00 am. Our own Deer Ridge Community Association will be there with crafts and games. Come by for some pancakes and two-stepping!

Volunteers Needed

Want to make a real difference while having fun, meeting great people, and creating lasting memories? Volunteering is one of the best ways to get involved in your community and help make it an even better place to live! Whether you're a student looking to gain valuable experience, a professional hoping to build new skills and connections, or a retiree looking to stay active and engaged, there's a place for everyone! Volunteers help bring exciting events and programs to life, like our skating parties, fundraising casinos, neighbourhood cleanups, rink maintenance, community gardens, and Movie in the Park! Along the way, you'll make new friends, strengthen your leadership and teamwork skills, boost your resume, and experience the satisfaction of knowing you've made a positive impact. Every volunteer contributes something unique, and together we create the vibrant, welcoming community that makes our neighbourhood such a special place to call home! Please email DeerRidgeCA@gmail.com for more information.

Pickleball At the Rink

Fans of pickleball will be able to enjoy some games this summer at the Deer Ridge pleasure rink! A new net has been installed this spring so come out and enjoy some sun while getting a few games in this summer!

Deer Ridge Sign Gets a Facelift

The Deer Ridge sign on Deer Ridge Drive was able to get a nice refresh in May. A new frame was built and fastened to the cross beams. New wood pieces were added to the face of the sign. The letters were re-used (all but the “e” at the end of Ridge, which was replaced at the end of the month). The sign was repainted and additional trim was added. Many thanks to Bob and Eric for their work in giving this sign a much-needed facelift!

Word of the month

Zephyr: noun (zeh-fur)

A light, gentle, or mild breeze.
During the summer months,
we may experience a gentle
zephyr blowing in.

Finding the Right Therapist: How to Search for the Help You're Actually Looking For

by Nancy Bergeron, R.Psych | info@nancybergeron.ca

Searching for a therapist can feel overwhelming. A quick online search can bring up hundreds of profiles, all using different titles, specialties, and approaches. If you're already struggling with anxiety, depression, relationship issues, trauma, or another challenge, figuring out where to start can feel like another burden.

Start With the Problem You Want Help With

Many people begin their search by simply typing "therapist near me" into Google. While this can generate a list of providers, it's often more effective to search based on the specific issue you're experiencing.

For example:

- Depression counselling
- Couples counselling
- Trauma therapist
- ADHD therapist
- Grief counsellor
- Intimate betrayal trauma therapist
- Addiction therapist

Look Beyond the Therapist's Credentials

A therapist's designation tells you they have completed certain educational and licensing requirements. However, it doesn't tell you what they actually spend their time helping clients with.

When reading therapist profiles, pay attention to:

- Their areas of specialization
- Their experience treating your concerns
- Additional training or certifications
- Whether their approach resonates with you

Understand That Not All Therapy Is the Same

Some therapists focus on helping you understand patterns from your past. Others teach practical skills for managing symptoms in the present. Some specialize in relationship dynamics, while others focus on trauma recovery or behavioural change.

You don't need to become an expert in therapeutic modalities, but it can be helpful to ask questions such as:

- What does treatment usually look like?
- What can I expect in the first few sessions?
- Do you have experience helping people with situations similar to mine?

Read the Therapist's Website

A therapist's website often tells you much more than a directory profile.

As you read, ask yourself:

- Do I feel understood?
- Does this therapist seem knowledgeable about my concerns?
- Do they explain things clearly?

Sometimes a therapist's personality and communication style are just as important as their credentials.

Don't Ignore the Importance of Fit

Research consistently shows that the relationship between therapist and client is one of the strongest predictors of successful therapy.

After a consultation or first session, consider:

- Did I feel heard?
- Did I feel comfortable enough to be honest?
- Did this therapist seem to understand what I'm going through?

Ask Questions Before Booking

Many therapists offer a brief consultation. Use this opportunity to ask questions such as:

- Have you worked with concerns similar to mine?
- What is your experience with this issue?
- What does therapy usually look like?
- How often do clients typically attend sessions?
- Do you offer virtual or in-person appointments?

You are interviewing the therapist just as much as they are assessing whether they can help you.

Trust Your Gut

Credentials, experience, and training are important, but so is the feeling that you're sitting across from someone who genuinely understands you and knows how to help.

The right therapist won't have all the answers immediately. They won't promise quick fixes. What they will offer is a safe, supportive relationship, a clear path forward, and the expertise to help you navigate whatever challenges brought you to therapy in the first place.

Outdoor Fire Safety

by The City of Calgary

As we enjoy the warm summer months, the Calgary Fire Department would like to remind you to take some measures to prevent outdoor fires and keep your loved ones and property safe. Our summers are becoming hotter and drier, increasing the potential for outdoor fires and wildfires.

Always check if a fire ban or fire advisory is in place before starting a fire. They are issued to inform citizens of conditions that pose a moderate to high fire risk, such as major wind events, unusually dry conditions, or hot temperatures. Each advisory or ban will include a list of prohibited fire types including fire pits, barbecues, and other forms of open flames.

To help reduce your outdoor fire risks:

- Never extinguish cigarettes in planters, peat moss, lawns, or gardens.
- Use fire pits, outdoor fireplaces, wood-burning ovens, and chimeneas properly.

- Do not store propane tanks, firewood, or yard waste next to your house.
- Prune tree branches within two metres of the ground.
- Plant new trees at least three metres apart.
- Assess hazards within 1.5 metres of the home, including debris, trees, and other structures.

Hello Neighbours!

We're already halfway through 2026! Springtime means a lot is going on within our beautiful and thriving city. Warmer weather means increased pedestrians, cyclists, and motorcyclists. Construction will be predominant within our communities, as well as workers beginning to fix potholes, trim trees, cut grass, and clean our streets. A reminder to be aware of your surroundings and share the road. Together we can make sure everyone returns home safely!

Stampede and summer festivities have already started within our beautiful communities. We want to send out a special thank you to our Community Associations and volunteers for taking the time to host these amazing events. Without our volunteers, events such as these would not be possible!

We are looking forward to continuing to work with our fellow residents. Stay tuned for our upcoming Ward 14 webpage and be sure to check in on my social media pages for updates at this time.
