Joke of the Month

Which is faster,

Hot, because you
can catch a cold.

MESSAGE FROM THE BOARD

As President of the Deer Run Community Association, it was my unfortunate responsibility to inform the community that we had to cancel this year's Skate Party scheduled for February 8, 2025.

We had our rotten light poles replaced in the fall right after we had that large dump of snow. When they made room to install, we didn't realize that mounds of snow were left on the rink surface. When we finally had some colder weather and time recently, we realized our equipment wasn't powerful enough to remove the mounds of ice. That small window of cold weather was short lived and warm temperatures returned. After looking into the logistics of bringing some outside equipment in to remove the mounds and the short time left before the skate party with limited rink volunteers, we decided to cancel.

This year has been tough, both with weather and volunteers. Even though we have advertised for help, not many people have come forward. Besides board members and past rink volunteer Arie Van Eck, we had Dan Kantyluk, Drew Novak, and Andrew M. come forward to offer to help.

It takes a lot to put on events for the community and we have lots of volunteers that do a great job, but unfortunately your board does the lion's share. This was easier when there were 17 members on the board, but we are down to nine board members now with most of us working full-time and taking care of young families.

More events run the risk of being cancelled if we don't get more volunteers and/or more board members in the future.

Board Positions Currently Available:

- Vice President
- Memberships Director
- Social Director or Co-Social Director
- Sports Director
- Liaison between Queensland, Parkland, Deer Ridge, and Deer Run
- Directors at Large - help on committees and help shape the community's future

Rink volunteers for the 2025-2026 season, email kim@deerruncalgary.com.

We also have a Rink Committee formed to improve our rinks by planning for the return of a boarded rink and a new pleasure skate area with a possible gas firepit. You do not have to be a board member to help on a committee.

We have other committees that are working on continued improvements and upgrades to the community centre; like our newly renovated out of school room and day care room.

An upcoming event is our Annual Fun Money Casino and Silent Auction on March 15, 2025. This is returning for the first time since COVID. We could use some volunteers, and donations for our silent auction and door prizes. The theme this year is 'old west'. Information will be posted shortly; make sure to buy your tickets, they went on sale February 17, 2025.

Don't get me wrong, our board is in good shape, but many hands make light work, and we hope you choose to become part of the momentum.

Once again, we are sorry for the cancellation.

Thank You, Deer Run, for Your Giving Tree Donations!

It was another tough Christmas for many families in our community, but it was made easier for four families thanks to generous donations from their neighbours. Everything from essentials like warm coats, socks, and shoes, to children's gifts helped make Christmas morning brighter for a few families who needed it the most.

Thanks again for your generosity.

Dear Local Business Owners,

I am writing to you on behalf of the Deer Run Community Centre. We are a Non-Profit Organization holding our annual Fun Money Casino this year on March 15, 2025 for the first time since COVID. This fundraiser is an essential part of being able to provide creative and innovative programs for the community in which a significant amount of children would benefit.

Your donation will bring us closer to providing the Centre with much needed funds to ensure that the children receive the best programs and activities. Many businesses and community leaders are on the board. Our community is clearly excited and eager to see this annual fundraiser succeed.

You can be a part of that excitement by supporting our youth with either a cash donation or item to be donated for our silent auction. We are happy to acknowledge your donation on our website and publish in the community newsletter, *the Villager*, and at our event.

I would like to thank you for considering this opportunity to partner with our organization for raising funds. If you have any queries regarding our organization, or the project itself, please feel free to reach out to info@deerruncalgary.com or at the address below.

Sincerely yours,

The DRCA Board of Directors

Residential Traffic Safety Unit

One of the key tools to help Calgary Police Service monitor and track issues is the Traffic Service Request (TSR).

If you have a traffic safety concern:

- Go to www.calgary.ca, Compliments and Concerns: Report a Traffic Concern.
- Scroll down and click 'Report a Traffic Concern'.
- Then click 'Click here to submit a traffic service request'. Please ensure you choose the Traffic Service Request Green Light.
- Confirm that this is not parking related, then choose 'Start Report'. Complete the entire report.

Please complete as detailed and accurately as possible to assist officers in enforcement.

Please Include directions, times, and any additional information you feel may assist in resolving the issue.

A Traffic Service Request deals with persistent traffic violation(s) that are noted by the public in a specific area and that can be expected to re-occur when a responding officer attends to the complaint.

"One Off" complaints where a specific violator or license number can be identified should be referred to 403-266-1234 for appropriate dispatched response.

If contact information is not provided, and pertinent details are missing, there is no guarantee that action will be taken to address the concerns outlined. A member of the Traffic Section will contact you about your request, to obtain any additional information required and a pre-post contact call from the assigned officer will inform you of the action taken and results.

Calgary Police Service cannot provide much direct assistance with issues pertaining to infrastructure. This is a City Roads and Councillor's office issue. Please call 3-1-1 to request calming measures, speed signage, or lane and signal changes.

Additional support for these infrastructure requests can also be obtained through the Community Association and their relationship with the City of Calgary's Neighbourhood Partnership Coordinator.

Growing Alberta's Heritage Fund to \$250 Billion

I was honoured to be part of the Alberta government's announcement to grow the Alberta Heritage Savings Trust Fund to over \$250 billion by 2050. This plan ensures financial stability for future generations while reducing reliance on volatile resource revenues.

A world-class board and corporation will be established to oversee investments using strategies from top sovereign wealth funds. Strong governance will ensure independent decision-making, maximizing returns for Albertans. The Heritage Fund Opportunities Corporation will also enhance the fund's global profile, fostering key partnerships and investment opportunities.

This commitment secures a lasting financial legacy for Alberta's future.

\$15-a-Day Child Care for Families

Starting April 1, 2025, Alberta will introduce flat monthly parent fees for licensed childcare, ensuring affordability. Parents will pay \$326.25 per month for full-time care and \$230 for part-time, with the government covering about 80% of costs. This will save families an average of \$11,000 per child annually.

The Child Care Subsidy Program will be phased out, redirecting funds to affordability grants. About 85% of licensed providers will receive increased funding, creating a more sustainable system.

If you have any questions or input, please feel free to reach out to my office anytime at Calgary.FishCreek@assembly.ab.ca.
