Green Line Construction Update

Green Line work in Ogden is moving along. Road upgrades along 78 Avenue S.E. between the Canadian Pacific Kansas City rail embankment and Ogden Road S.E. are in full swing, with planned road closures in place to facilitate the work.

78 Avenue S.E. will be upgraded to include a multi-use pathway and two-way vehicle movement, with a third left-turn lane as the roadway approaches Ogden Road. It will also connect to a roundabout built on the east side of the embankment with a tunnel to allow travel underneath the railroad tracks. Other work along 78 Avenue includes installation and upgrades of stormwater and other utility infrastructure, and landscaping and sidewalk improvements. Once construction at 78 Avenue is complete and open to traffic, the crossing at 69 Avenue will be closed permanently.

The pedestrian tunnel near 72nd Avenue is also progressing, with the planned completion of that scope set for later this year. However, that tunnel won't be open to pedestrians until the Ogden station opens as part of the Green Line at a future date.
