G Main construction of the Green Line starts this year, and benefits *will last a lifetime.*

So, what are some of the benefits of the Green Line LRT project? The Green Line LRT will enable citizens to connect with people, places, and services and will be an essential addition to Calgary's transportation network.

One of the most striking benefits lies in energy efficiency, with only 18 passengers riding on a light rail vehicle, which is the "break-even" point for LRT to save energy compared with 18 cars. It is estimated that the Green Line will shift 4.8 million trips from vehicles to transit each year, reducing greenhouse gases by nearly 27,000 tons.

The Green Line is also introducing modern, low-floor vehicles, which are better for accessibility and allow for station designs that integrate easily into the community. With low floor trains, street-level stations don't need long ramps, stairs, or large platform structures, allowing for a simpler station design and resulting in overall cost savings when building the stations.

Learn more about the Green Line: calgary.ca/Green-Line

VOLUNTEER OPPORTUNITY

Board of Directors: Secretary

We are seeking a current resident to join the Executive Board of the DQCA.

Duties Include:

- Attend Monthly Board Meetings (virtual) and keep accurate minutes.
- Coordinate and collaborate with other Board Members to achieve goals.

This is a volunteer position, requiring approx. 5 hours per month commitment. We run from Sept to June each year, and try to pack in as much fun as we can while supporting the community.

If you would like to get involved in our Community contact us at: info@dqca.ca

Disclaimer: The opinions expressed within any published article, report, or submission reflect those of the author and should not be considered to reflect those of Great News Media or the Community and/or Residents' Association. Celebrate Neighbour Day 2024

by the City of Calgary

Celebrate Neighbour Day in your community on Saturday, June 15! Get involved in this year's event by gathering with your neighbours for a block party or community event. In addition to the many neighbourhood events that will be happening across the city on June 15, Calgary Public Library is hosting Indigenous programming at select locations, while Sport Calgary's "All Sport One Day" will offer children a free opportunity to try out a new sport.

Neighbour Day is our city's annual celebration of community connection. Held on the third Saturday in June, Neighbour Day is a step toward creating welcoming and inclusive communities where neighbours connect and belong every day of the year. Good things happen when you get to know your neighbours. Social connection with neighbours reduces loneliness and isolation and builds strong communities where people feel they belong.

If you're participating in Neighbour Day on June 15, show us how you celebrated! Post your event photos to social media with the hashtag #YYCNeighbourDay.

Visit calgary.ca/NeighbourDay to learn more.

Douglasdale Maintenance Association – Keeping Our Community Attractive

Good news!

The tax levy will remain at \$64.17 for this year. Reminder, this is an annual fee, not monthly.

The “Tax Levy Reaffirmation Vote” was held on March 5 with 96% of attendees voting in favor. This means the DMA will continue for the next five years.

Walkways

Spring is here and it is time to get ready for summer. When you are doing your spring cleanup, and if there is a walkway adjacent to your property, take a few extra minutes and clean the walkway as well. Twigs and branches collect which can be a tripping hazard. The trees in the community are maturing so leaves also collect in these areas along with paper, cans, etc. Talk to your neighbour on the other side of the pathway, make plans to do it together. Tidying these areas will make Douglasdale an even more attractive community.

Yard Debris

Whether doing spring cleanup or yard tidying throughout the year, please dispose of waste responsibly. Use your household recycling bins when possible. Remember, all organic matter such as leaves, twigs, grass, branches, etc. can go into the green cart. Do not dump debris outside of your property, in parks or other public areas.

You Need to Be Our Eyes

Douglasdale covers a large area. There are only five board members, so it is impossible for them to monitor the whole community. If you notice something that needs attention such as an area not being mowed, send an email to ddmaint@outlook.com so the issue can be addressed. Be very specific about the location, provide street names and any other information that could help us easily check what is of concern. Pictures can also be helpful.

Please note that the DMA has no responsibility for trees. The City’s Urban Forest Department maintains them, so if there is an issue with trees, call 3-1-1.

Help Make Our Community Better

We can all play a role in keeping our neighbourhood attractive. When going for a walk, take a garbage bag and pick up that pop can, coffee cup, piece of paper, or other trash that you come across, or pick that weed that is unattractive and could get out of control. Together, we can make a difference and have a community we are proud to live in.

Summer Arrangements

Watch for the summer flowers which will be placed in the containers at the end of May. There will be a change this year; there will be one arrangement for the boulevard and a different one for containers off the boulevard.

Fact: There are 55 planters spread throughout the community.

Contact Us

If you have questions or comments, email them to ddmaint@outlook.com.
