VICE-PRESIDENT'S MESSAGE

As we head into the winter season, I want to extend a big thank you to everyone who continues to support and participate in our community events. It's that involvement that keeps Fairview such a great place to live, and we're looking forward to seeing many of you at our next big celebration — Bowling with Santa at Toppler Bowl on Sunday, December 14! This has always been one of our most popular family events, and we're excited to bring it back for another year of holiday fun.

Over at Flavelle Park, Stage 1 of our Adopt-A-Rink project is now complete. The boards are up and ready for the next phase — but we'll need plenty of helping hands for Stage 2, when we install the tarp and prepare the ice in December. If you can spare even an hour or two, we'd love your help to get the rink ready for everyone to enjoy this winter.

On a more serious note, our Association is still in dire need of volunteers. Despite the great turnout at some of our events, we're facing ongoing challenges with staffing committees and running programs. Unfortunately, we've already had to scale back several events for seniors and families, and without more community involvement, we'll be forced to make additional cuts in 2026.

We understand that everyone is busy — and that's okay. Even a small commitment can make a big difference. Whether it's helping at one event, joining a sub-committee, or lending your expertise behind the scenes, there's a way for everyone to contribute. If you're willing to help, please reach out — we'd be happy to go over how you can get involved in a way that fits your schedule.

Please email us directly at volunteer@fairviewcommunity.ca or call us at 403-252-5424 and leave a message.

Thank you again to all the volunteers, neighbours, and partners who continue to make Fairview a thriving and welcoming community.

Warm regards,

Wayne McNeely

Vice-President, Fairview Community Association

YOUR CITY OF CALGARY

Create More Memories and Less Waste This Holiday Season

by The City of Calgary - Waste and Recycling Services

The holidays bring joy—and extra waste. We generate about 25% more this time of year from wrapping paper, packaging, and leftover food. Small changes can make a big impact:

- Give experiences instead of things. Time together creates lasting memories.
- Make or repurpose gifts. Handmade or passed-down items tell a story.
- Wrap creatively. Reuse bags, bows, or wrap with fabric.
- Shop with purpose. Plan ahead and choose thoughtful gifts.
- Reduce food waste. Stick to a grocery list, use leftovers, or send extras home with guests.

Christmas Tree Composting

When the holidays are over, give your real Christmas tree a green goodbye by choosing one of the following options:

- Green Cart Pickup: Remove decorations, cut into small pieces, and place in your green cart.
- Drop-Off (until January 31): Take your undecorated, unbagged tree to a designated site.

Find locations at calgary.ca/christmastree.

Holiday Collection Changes

Please note blue, black, and green cart pickup date changes in your community!

- Thursday, December 25 moves to Monday, December 22.
- Thursday, January 1 moves to Monday, December 29.

Regular Thursday collection resumes January 8. Check your schedule at calgary.ca/cartschedule.

Thank you for helping keep Calgary clean and green. Happy holidays!

Did You Know? What a Fairview Home Cost 65 Years Ago!

As we celebrate 65 years of the Fairview Community Association (founded 1960!), we dug up some old real estate ads that show just how wild the difference is between then and now!

Back to the Future: Prices Over the Decades

Year	What Was for Sale	Purchase Price	Fun Fact
Early 1960s	Brand New Keith Homes	Down payments from \$1,075 to \$2,095	You could move right in with less than the cost of a modern TV!
August 1973	Starter Home on Farnham Drive SE	\$29,500	This price included a renovated kitchen and a single garage!
June 1985	3-Bedroom Bungalow	\$68,000	Mortgage rates were high, so they advertised special 9% interest for three years!

The Priceless Spirit Endures

While the sticker price on a house has certainly ballooned, the essential, most valuable part of Fairview has not changed: the strong Fairview Community Association community spirit.

The true, enduring value of our neighbourhood has always been that same priceless commitment to neighbourly support, which the Association has fostered for 65 years and works hard to sustain every single day!

Cold Weather Safety

by Alberta Health Services

Emergency Health Services (EHS) - Alberta responds to cold weather emergencies each winter. You can reduce your risk of sustaining a cold weather emergency by taking a few precautions. Dress by wearing warm, insulating layers close to the body covered with wind and waterproof layers on the exterior – cover as much skin as possible. Carry an emergency roadside kit in your vehicle containing extra clothing, blankets, and emergency supplies and ensure your mobile phone is fully charged.

Frostnip

- Frost-nipped skin is extremely cold, but not yet frozen.
- It commonly affects the ears, nose, cheeks, fingers, and toes.
- The skin may look red and possibly feel numb to the touch.
- When treated promptly, frostnip usually heals without complication.
- Move to a warm environment and immediately, but gently, re-warm the affected area through skin-to-skin contact (i.e. hand covering tips of ears).

Frostbite

- Frostbite occurs when skin becomes so cold, the skin and underlying tissues freeze.

- Affected skin may look white and waxy and will feel hard to the touch.
- Move to a warm environment immediately and place the affected area in warm, not hot, water until fully re-warmed.
- Seek further medical attention as required.

Hypothermia

- Hypothermia is abnormally low body temperature, less than about 35°C (as compared to normal body temperature of about 37°C).
- Early hypothermia may manifest as profound shivering; moderate hypothermic patients may act inappropriately: stumbling, mumbling, and fumbling, as their body temperature continues to drop resulting in severe hypothermia (<30°C).
- Left untreated, severe hypothermia may progress to unconsciousness or death.
- Early recognition and prompt medical attention is key. Don't forget to protect yourself from the factors that originally lead to the patient's situation.
- Initiate gentle re-warming as quickly as possible. Remove any wet or constrictive clothing; cover with blankets or sleeping bags. Protect from further heat loss: eliminate contact with cold surfaces, and shield from wind and moisture.

Ancient Water

In December 2016, University of Toronto scientists presented findings of the world's oldest known water approximately 2 billion years old found at Kidd Mine near Timmins, Ontario. Talk about "ancient" water, older than humans even older than dinosaurs!

Light Up Fairview: The Christmas Light Count is Back!

Twinkle, twinkle Fairview lights
Lighting up December nights,
All the colours and festive sights
Make Fairview elves giggle with delight!
So set the lights and call your friends
See if your street can win - maybe again!

It's time to challenge your neighbours and make Fairview shine! The Fairview Christmas Light Count returns for 2025, seeking the brightest and most festive street in the community.

Can Your Street Win the Challenge?

Our volunteer "elves" will be out and about in mid-to-late December counting decorated homes to see which Fairview Street, Drive, Crescent, Road, or Avenue is the most brilliantly festive.

Here's the scoop: We count any house that has just about any type of outdoor Christmas, Hanukkah, or holiday decoration. The winning street is determined by the highest percentage of decorated homes!

Last year's champions, Fullerton Road, set a high bar with 59% of their homes participating!

So, Fairview, the challenge is officially issued! Can you and your neighbours team up to make your street glow and take the title this year?

Get Involved!

- Watch our website for specific timing details on when the elves will be doing their counting: fairviewcommunity.ca.
- Volunteer as an Elf! Want to guarantee your street gets counted (or just enjoy a festive walk)? We need volunteers to help us count homes on their own street. Sign up to be a counting elf on our website: www.fairviewcommunity.ca/light-up-fairview-2025.

Let's make this the brightest holiday season yet in Fairview! Do you know a neighbour whose decorating skills will guarantee a win for your block?

It's Christmastime in Calgary

by Garth Paul Ukrainetz

It's Christmastime in Calgary
In foothills west a silent night
The constellations fill the sky
Forever sharing starry light

The whitetail deer in Nose Hill Park
Prancing over city's glow
Sweet homes of dancing candlelight
Gentle as the falling snow

And high on top of every tree
The stars and angels overlook
For bleak and icy winter hearts
The melting grace of warm chinook

It's Christmastime in Calgary
Though heights of mountains cold in snow
Our gifts stay warm beneath the trees
Wrapped with love by River Bow

Warm Up to Winter in Calgary Parks

by The City of Calgary

Winter makes it possible to enjoy Calgary parks in a different way than during any other season. Many cold-weather park activities are also free with minimal equipment needed. Only in winter can you skate on outdoor rinks, marvel at beautifully lit ice trails, play Crockicurl, and ride an ice bike in our parks.

We have several established outdoor, natural ice-skating rinks, over 60 volunteer-run Adopt-a-Rinks, and indoor skating at 12 arenas with 19 rinks. Have you visited Prairie Winds Park in the winter before? Check out the outdoor rink, firepit, and decorative winter displays this winter.

Plan an afternoon at your local community park snowshoeing or cross-country skiing. For easier skiing, visit a park or golf course that has groomed cross-country trails.

Take a walk through a park on a sunny winter day. You are sure to see birds and other wildlife. You can also pre-book an outdoor firepit at a park and have a winter picnic with friends.

For more ideas about how to stay active during cooler temperatures at city parks, visit Calgary.ca/winteractivities.

X Marks the Festive Spot

You might think “Xmas” is just a modern-day abbreviation for Christmas—but it actually dates back to the 16th century! The “X” comes from the Greek letter “Chi” which is the first letter of the word “Christos” meaning “Christ”.

@dianabatten_ @DianaBatten_

This past year has been one of growth and collaboration across Calgary-Acadia. From legislative work to local events, town halls, and community projects, I've seen the dedication and compassion that make our community so strong. I'm grateful for the trust you've placed in me and for the many residents, leaders, and volunteers who make Calgary-Acadia such a vibrant place to live.

Since returning to session in late October, our office has heard from hundreds of constituents about the issues that matter most. Education remains a top concern. The government's use of the notwithstanding clause to order teachers and students back into classrooms has left many Albertans feeling unheard and unsafe. Forcing people back into schools that lack adequate safety measures and resources does not solve the real challenges facing public education. I will always stand up for public education and for the educators who give so much of themselves to help every child learn and thrive. Every Albertan deserves the best start possible through smaller class sizes, safe classrooms, respect for staff, and a lasting commitment to inclusion. When our children and educators succeed, Alberta succeeds.

Many residents are also deeply concerned about the government's growing reliance on the notwithstanding clause and what it could mean for other rights and freedoms. I share those concerns and will continue to speak out against any misuse of power that threatens fairness and democracy.

Looking ahead, my focus remains on the priorities I hear most from Calgary-Acadia residents: strong public education, accessible health care, affordability, community safety, and inclusion. Your voices guide my work, and I'm committed to ensuring they are heard in the Legislature.

Thank you for your continued engagement and trust. It's an honour to serve as your MLA.

Cheers,

Diana
